## Bulldogs Annex Two More Victories By Beating Calvin And General Motors

### CALVIN COLLEGE

Starting out on the last lap of a 20-game schedule, the Bulldogs defeated Calvin College here last Wednesday for the second time this season by a score of 27 to 18. Throughout the first half neither team could gain a margin, and the period ended with Ferris leading by a scant 14 to 12 advantage. It was Houseman, Calvin guard, who dominated the lead to the Bulldogs. In an attempt to gather the ball off the backboard, he batted it through the hoop and scored two points for Ferris.

The Knights presented a defense during the opening frame that the Bulldogs found not to their liking, but in the closing session Calvin was unable to cope with the determined thrusts of Schnarr, Byard, and Shankland.

The Bulldogs showed marked improvement in their free throwing game by gathering 50 percent of their chances.

### GENERAL MOTORS TECH

In a game that was characterized as a "lively tussle" Ferris downed General Motors Tech at Flint Friday by a score of 29-24. Ferris drew first blood and maintained the advantage throughout the game, Tech never getting within hailing distance. Every Ferris player who entered the game added to the score, with the exception of Grieve. Grieve, who is one of the finest defensive players Coach McElwain has ever developed, seems to have lost his scoring punch lately. In the last five games he has scored two points.

Shankland distinguished himself again by beating Nelson to the high-point honors with the scant margin of one free throw. Shankland scored seven points while Nelson made six. Schnarr and Holley each counted five. For Tech, Gregart was high with six, and Ford next with five.
