

Ferris Alumni Reach Fund Goal

A \$1,500 check from the Ferris State College Alumni Foundation has completed the \$25,000 goal set for the college's Carillon Tower Fund. The campaign began three years ago upon suggestion of former Lowell Postmaster Norman O. Borgerson to build the tower.

Shown with the gift check, left to right, are

Delbert Long of Big Rapids, alumni association president; Fred Lutzke of Grand Rapids and Lansing, a 1967 pharmacy graduate who served as student fund chairman; student vice chairman Tom Lamarand of Lincoln Park, and Donald Rankin, dean of students.
