## Ferris Tankers Show Strength

First year swim coach Carolyn Gibfried put the Bulldog tankers in the headlines well before the season started. The publicity resulted from her being the first female to coach a male-dominated sport at Ferris, and possibly in the State. Diving talent was executed by Will Freer, who is a strong contender for All-American Honors. The swim team, in its fourth year of competition, faced tough opposition but came through with a successful 8-7 record.
