While timers keep a careful eye on the stop watches, the swimmers are off.

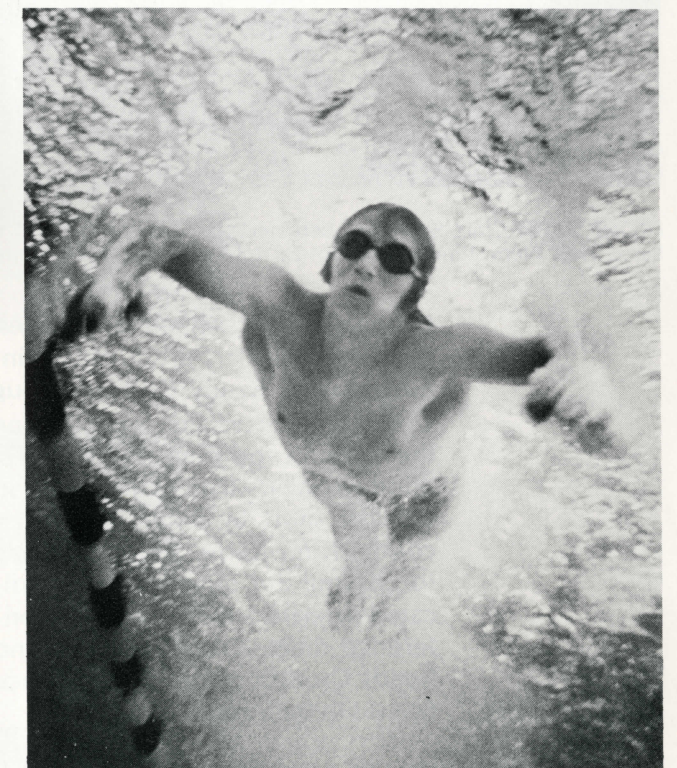

From the start of the season, coach Carolyn Gibfried's Ferris Tankers were breaking school and pool records left and right. Altogether Ferris broke five pool records and school records a total of 10 times in the 13 events.

Sixteen of the twenty-one tankers attended the Motor City Invitational meet in Detroit. There they competed with 10 colleges (4 within the GLIAC) in their final reach for points toward the All Conference Trophy.

Coach Gibfried is looking optimistically towards another good showing next year when many of her present team will be returning.

Ferris tankers look as good under water as they do on top!
