

ERHSLA/Local Arrangements Report
May 10, 2011

Our various members have been working diligently on the conference. Sharon Williams will be sending out save the date postcards this month. Doris Blauet is working on the registration information. It should be available to go out in June. Jill Van Buskirk has received about \$3000 in support from vendors. Ebsco has paid for a lunch and learn, Elsevier has paid for a lunch and learn, NEJM is sponsoring a break, and StatRef has paid for an exhibit table.

Pending for exhibit tables are Basch, Ebsco, Eosi, GMR, and Swets. She is still working on several others vendors.

The planning continues and we hope to see everyone there.

Respectfully submitted,

Melanie Bednarski
