## Local Arrangements MHSLA 2011 conference

We have 61 registrants as of Sept. 12, 2011. We have not yet received payment from only three registrants. Diane and I have completed the menu for the conference including pricing. Diane has set the menu with the Bavarian Inn and the welcoming event and special event are also set. Diane also went around the Frankenmuth shops in search of discounts and/or coupons for MHSLA attendees.

The *preliminary figures* for the Local Arrangements come in at around \$15,000. Please keep in mind everything is based on 70 people and we are paying for extra scholarships this year. We have received about \$13,000 from registrants thus far. Pay Pal has taken approximately \$173.00 from the revenue.

We have \$5650.00 in Vendor support and another \$600 still to be received. Thanks to Jill Van Buskirk for working so hard on that portion.

We are really excited to get this conference underway.

Respectfully submitted,

Melanie Bednarski  
Local Arrangements Co-Chair 2011
