Archivist's Report
July 16, 2013

All of the previously non-digitized MHSLA Newsletters have been digitized and deposited in the MHSLA Archives. Selected excerpts from the older newsletters have been shared with Abe Wheeler for a 100th anniversary retrospective issue.

Since a tab on the MHSLA webpage specifically dedicated to the MHSLA Archives was approved at the March MHSLA Board Meeting, an Archives webpage will be developed by the end of summer.

Respectfully submitted,

Alison Konieczny
