

Treasurer Report

Connie Bongiorno

7-16-13

1. All paypal buttons have been programmed for members, non-members, and vendors for the 2013 Conference.
2. Anyone needing W-9 verification for vendors, speakers, or members must have the requestor fill out the W-9 and then forward to me. I will fill out the organization information, sign, and return to the requestor or the MHSLA member.
3. I spoke with Linda Salah at Chase Bank. (Troy Office) The amount of work, time, and travel to transfer the bank account would be too much at this time. They require the President(or Secretary) and the Treasurer to be present at the opening. It is easier at this time to stay with Huntington.
4. All audit information for the books has been sent to Marilyn.
5. Bank statements since the last meeting have been posted.
