IV. Other Business

In continuation of the discussions on the fast track form, the chair presented an edited version of the fast track form from AVPAO. The new version dubbed “Michele’s version” was a reformatted version of the previously discussed UCC version with no content change. The committee collectively edited the form. In response to the previous suggestion that Form A be attached to the proposed fast track form to form a single document, the chair shared a similar form from GVSU. Michelle Johnson agreed to combine the relevant portion of Form A with the edited fast track form and forward it to UCC chair for future committee discussions.

Other suggestions on streamlining the current proposal submission process were discussed. The chair will send out an updated draft copy of combined forms E and F. The first draft copy as shared with the committee in an email of November 11, 2015.

The meeting was adjourned until our next meeting on April 18, 2016 at noon.
