IV. Discussion

The committee recognized the Coordinator of MyDegree, Dr. Amy Buse who was present to share the vision for MyDegree and its implications in the curriculum submission process. Committee members asked questions regarding the Checksheet Alignment process but much of the discussion centered on the proposed recommendation by Fadayomi to speed up the approval process. During the discussions, some changes were recommended to the steps outlined in the flowchart submitted by Fadayomi. While no votes were taken, members agreed to the outlined steps. The meeting ended with Dr. Buse sharing copies of the Universal Checksheet with the committee for their approval.

V. Action Steps

Fadayomi will make the electronic copy of the amended flowchart available.

The committee will discuss the checksheet templates at the next meeting.

The meeting was adjourned until our next meeting on October 9, 2015.
