

Michigan Health Sciences Libraries Association
Nominating Committee Preliminary Report

In January of 2015, the Nominating Committee developed the committee timeline for the year. This was submitted to the Board wiki prior to the January Executive Board Meeting. The committee sent out two calls for nominations and self-nominations to the MHSLA listserv on March 5 and April 10, 2015. Also in April, numerous personal members were contacted individually by the Nominating Committee. No members were nominated for President-Elect, one member was nominated for Secretary and three members were nominated for Nominating Committee.

The preliminary ballot is as follows:

President-Elect:

Secretary: Heidi Schroeder

Nominating Committee:

Elizabeth Bucciarelli

Mark Chaffee

Bethany Figg

All candidates have signed the Nominee Consent Form. The bio for the Secretary position has been collected.

Respectfully Submitted,
MHSLA Nominating Committee

Gina Hug, Chair
