

MMHSL Report for the 03-17.15 MHSLA Board Meeting

MMHSL has not met since our last meeting in March.

We hosted the April 22 MLA webinar *“The Diversity of Data Management: Practical Approaches for Health Sciences Librarianship”* at Michigan State Universities’ Main Library. The webinar was well attended and 11 librarians including a digital humanities librarian, user experience librarian, grants/food science librarian, and electronic resources librarian joined the members of the MSU health sciences team (Susan Kendall, Heidi Schroeder, Abe Wheeler, Andrea Kepsel, Iris Kovar-Gough) and Mike Simmons, hospital librarian at Sparrow-Lansing Hospital. The feedback from the webinar was positive.

Respectfully submitted,

Iris Kovar-Gough

MMHSL Secretary & Representative to the Board
