Questions about vendors:

- a. Can MelCat be given a reduced or free vendor registration?
- b. Can vendor representatives attend program sessions for free? Is special consideration given to our “partner” vendors, NNLM-GMR and MelCat because of the resources that they provide us?

Question for 2015 Annual Conference:

- a. Where should vendors send their donations of raffle items? Who is the contact person?

Respectfully Submitted,

Sandy McCarthy, Chair
