Product Reviews

Overalls ♥♥♥♥♥

My friend all  
loved it so much  
I'll be buying

great support  
was very comfortable  
I was wearing it for a  
day of work and it held  
up great posture. I  
wasn't even  
tired by the end of the day.

Product

These shoes were under the radar, quite a bit of  
we love it for perfectly the better quality really prefer  
for the first time dress to give the full slip all so great  
and for the price to be so good and slip to all

It's a great dress  
I didn't want  
the entire day  
all the night

I didn't want  
the entire day  
all the night

"I tried a lot of slip before...  
the skirt, etc. affordable...  
size of the slip is perfect for under wear...  
I didn't feel restricted or uncomfortable  
at all with it or else a great slip!"

# DR. SCOTT'S ELECTRIC CURSET

Owing to the  
market for Electric  
Cursets, the  
price has been  
reduced to the  
lowest possible  
price.

These attend  
to the same  
purpose as the  
old Cursets, but  
with a higher  
grade of material.  
All are made on the latest improved  
method, and are  
very light, and  
easy to wear.  
They are made  
in France, and  
are generally  
sold at a  
reduced price.

had it in

had it in

had it in

had it in

for her expectations  
needing something to  
make it small

and being pure and  
beautiful

leaving for color

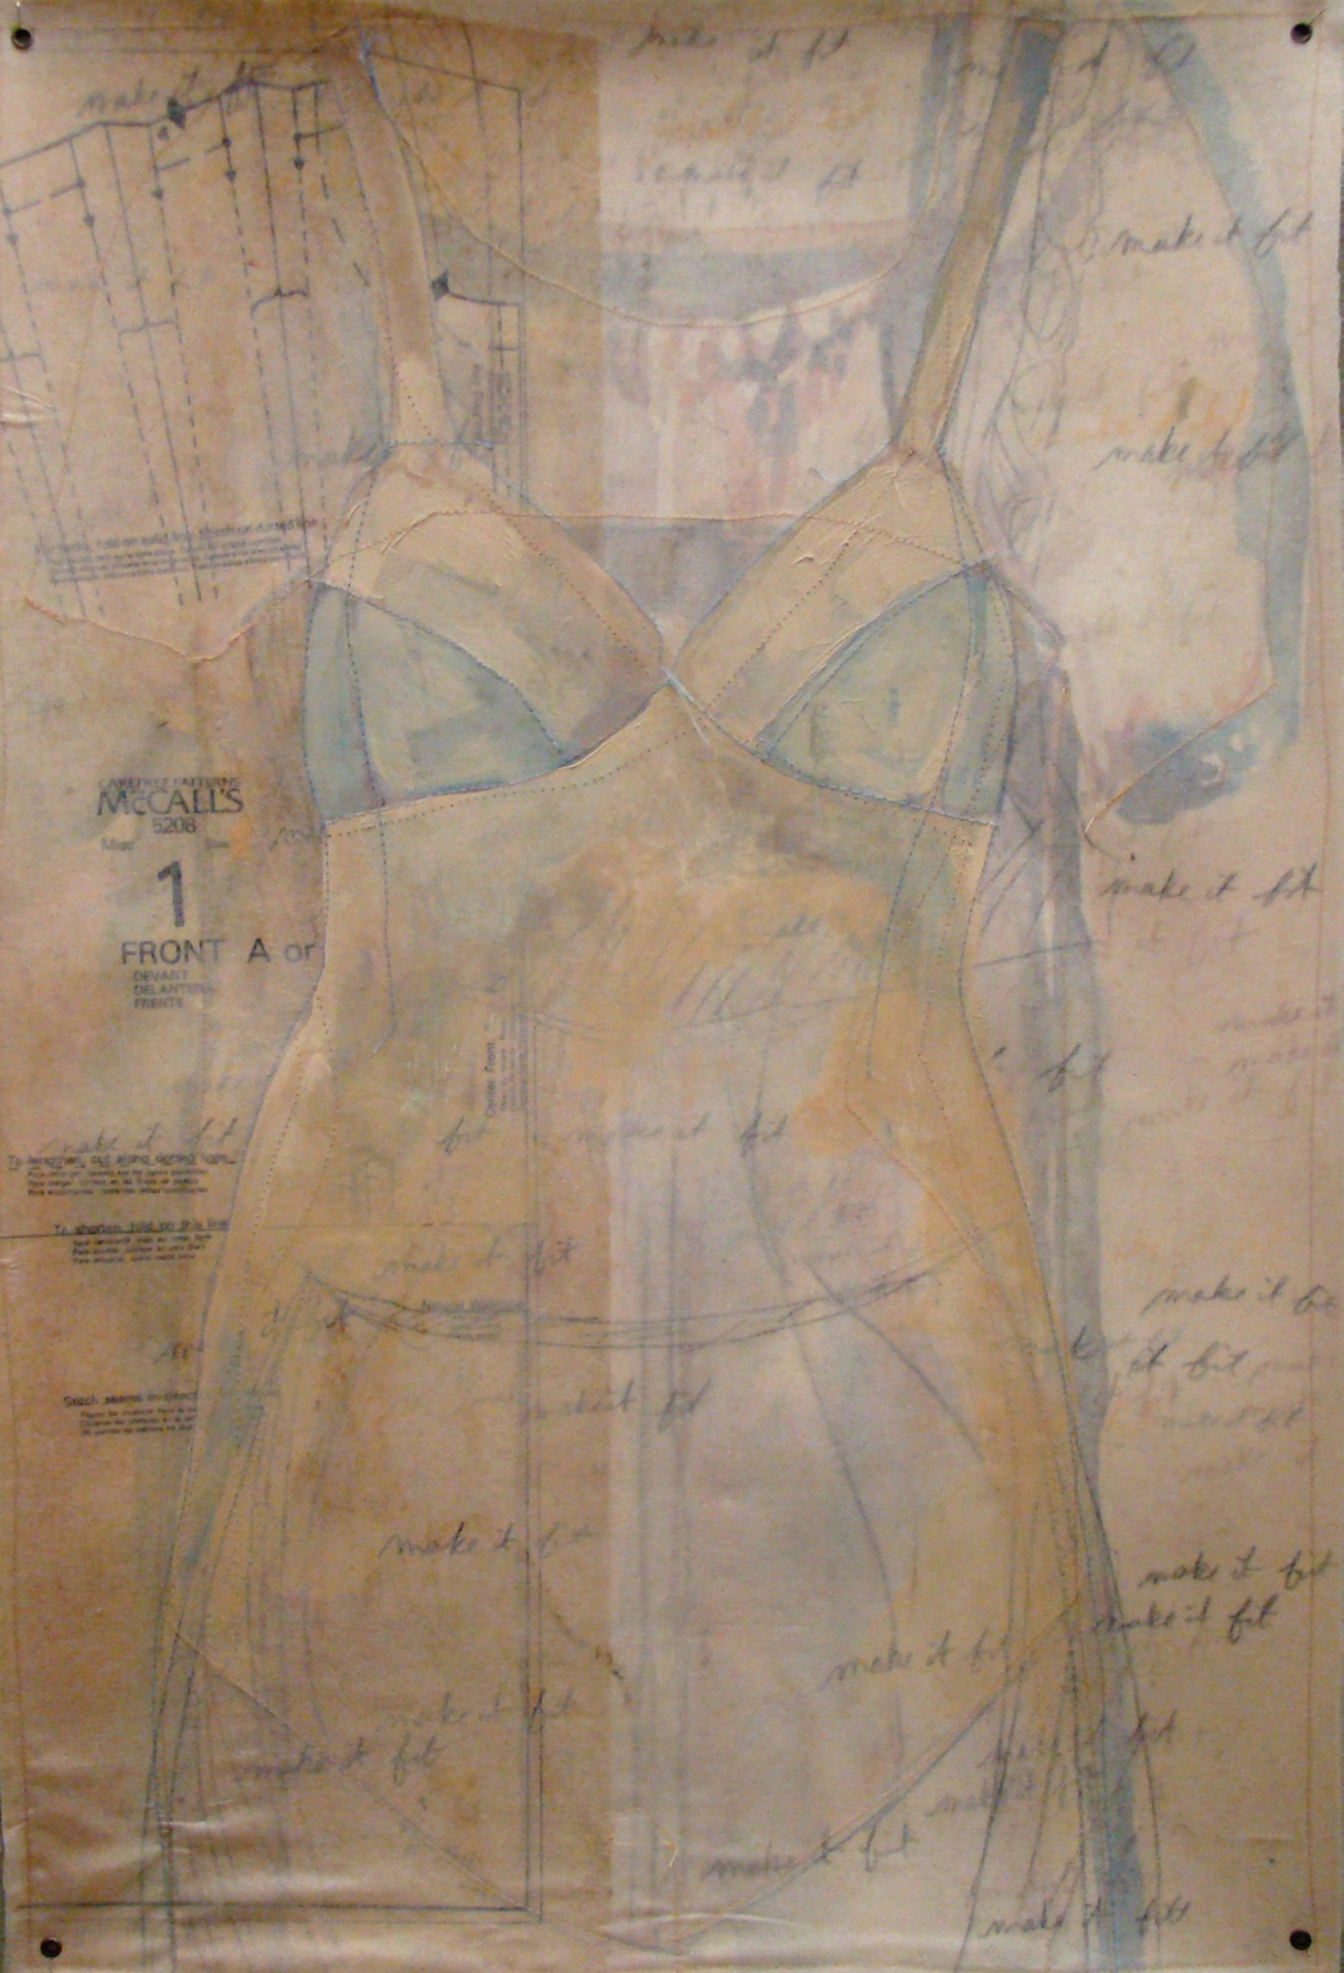

breaths in fresh air  
free and not constrained

a longing for something  
so beautiful, in  
clearly all in a  
heart of nature, to find  
so very small and  
dearly

a quest for beauty  
for real beauty  
to know what that is

to be enough, not to make

FRONT

For fitting, hold on waist line, stretch on straight line  
and mark with pins or chalk. Then, for proper contour,  
draw a line through the bust and waist, and a line through  
the bust and hips, and a line through the bust and hips.

To increase, cut along marked lines.  
For extra fullness, cut along marked lines.  
For extra length, cut along marked lines.  
For extra width, cut along marked lines.

To shorten, fold on this line  
and mark with pins or chalk.  
For extra length, cut along marked lines.  
For extra width, cut along marked lines.

Each piece marked  
Please be advised that the  
direction of arrows in the  
fitting instructions is for  
the garment when it is  
being worn.
