Ferris State University Premiers Documentary

BIG RAPIDS - Like the Rube itself, it was a project of many pieces to complete a documentary on the “world’s most complex machine.” Come see *Mousetrap to Mars* at its Big Rapids premier Thursday Dec. 3, 2009 at 6 p.m. at the IRC Building on Ferris State University’s campus.

The entertaining film highlights the 2007 Rube Goldberg competition and Ferris’ National Championship win. The film makers followed Ferris competitors Mike Dunakin (Grand Rapids), Fred Reinecke (Muskegon), Tom Sybrandy (Lansing), Matt Tomaszewski (Byron Center), and James Travis III (Cedar Springs), along with Purdue University participants.
