

Academic Senate
Agenda for the Meeting of
December 5th, 2017
UCB 202A
10:00 - 11:50 am Session

1. Call to Order and Roll Call
2. Approval of Minutes
 - A. November 7th, 2017
3. Open Forum
4. Reports
 - A. Senate President – Charles Bacon
 - B. Senate Vice President – Sandy Alspach
 - C. Senate Secretary – Melinda Isler
5. Committee Reports
 - A. University Curriculum Committee – Rusty Leonard
 - B. Student Government – Patrick Maloney
 - C. Diversity Committee – Kristin Conley
 - D. Academic Policy and Standards Committee – James Nystrom
 - E. Rules Committee – Melinda Isler
 - F. Distinguished Teacher Award Committee – Emily Aslakson
6. Old Business
7. New Business
 - A. UCC Proposal 18-026 – SCWK Changes – Rusty Leonard
 - B. UCC Proposal 18-035 – Legal Studies Minor – Rusty Leonard
 - C. Health Promotions Committee Closure – David Bright
8. Conversations with the Senate
 - A. Technology Update – Jake Martin
9. Announcements
 - A. FSU President - David Eisler
 - B. Provost – Paul Blake
 - C. Senate President – Charles Bacon
10. Open Forum

**Minutes
Ferris State University
November 7, 2017- 10:00 a.m.**

Members in Attendance: DiNardo, Epps, Fox, Bacon, Desmond, Drake, Daubert, Hanna, Marion, Bright, Aslakson, Zyla, Todd, Moore, Maike, Rumpf, Shimko, Weaver, Inabinett, Johnson, Gray, Wolfer, Axford, Calkins, Conley, Bajor, Ing, Thomson, VanLent, Isler, Berghoef, Stone, Zube, Balanda, Baran, Alspach, Wancour
Members absent with cause: Fadayomi, Wyss

Members absent:

Ex-Officio and Guests: Maixner, Hawkins, Jackson, Franklund, Damari, Eisler, Nicol, Bentley, Weller, Haik, Schult, Johnson L., Johnson M., Blake, Teahan, Leonard, Garrison, Durst, Reifert, Depew, Buse, Hughes, Prakasam, Piercey, Smith, Venkatesh, Cullen, Fagan, Miltzer-Beneder,

1.	President Bacon called the meeting to order at 10:01 a.m.
2.	Approval of Minutes. Senator Epps moved to approve the minutes. Senator Zyla seconded. Secretary Isler noted that the approval date for accredited programs was September 15, not September 1. The motion passed 94% to 0 %with 6% abstaining.
3.	<p>Open Forum.</p> <p>Senator Fox encouraged those who were interested to buy tickets for the Nutcracker which is coming to Ferris November 29th. It has not been on campus for several years.</p> <p>Vice-President Alspach reminded Senators of the Tuesday night volleyball match which had teams of current athletes and athletes with disabilities.</p> <p>Senator Calkins expressed his disappointment in the low voter turnout of voters for the non-tenure track faculty elections of 25%. He noted this was the second year of low turnout and he had expressed concerns to the rules committee.</p> <p>Senator Zyla noted that in the UCC report the revisions of form EF was coming up and also an issue questions the UCC had about the fact that the forms list only the outcomes and not the means of assessment, which committee members feel should be added to the form. General Education Coordinator Cliff Franklund suggested that the UCC if they wish to do this coordinate with assessment committee's processes.</p> <p>Senator Wancour noted that the State of Michigan has just approved dental therapist as a job classification-between a hygienist and a dentist.</p> <p>Senator Wolfer noted that Hospitality Management needed 150 students to help out at the Food and Wine Festival November 9-11th and encouraged RSOs with an interest to contact her. It is at the Devos Hall in Grand Rapids, Michigan.</p>
4.	<p>Officer Reports/ President Report</p> <p>President Bacon noted the Senate continues to work on its involvement with Academic Affairs.</p> <p>Vice-President Alspach noted that in order to make coordinating with committees with intensive workloads President Bacon was coordinating with Academic Program Review and she was coordinating with the University Curriculum Committee. All of the senators have now been assigned to committees and committees need to be submitting minutes from meetings to Sylvia for the Senate office and website.</p> <p>Secretary Isler thanked Senators Baran, Hanna, Wancour and Zube for agreeing to serve on the Rules Committee. Their first meeting would be occurring following the Senate meeting.</p>
5.	<p>Committee Reports</p> <p>APR Chair Gary Todd said the committee had one final meeting to finalize recommendations (in particular the</p>

	<p>general recommendations). They would be meeting with Academic Affairs and the Executive Committee on November 16th and with the full Senate on November 21, 2017.</p> <p>UCC Chair Rusty Leonard reported that 6 proposals passed that were included in the packet for information al purposes. They have requested to the Senate Executive Committee a member from RSS and are waiting for a response from the Senate Executive Committee. They are considering requiring assessment plans when revisions to curriculums come through (but are aware this may slow down the process). He reviewed revised EF forms and demonstrated for the Senate. The purpose is to streamline the process. The current pre-UCC meeting (academic affairs, registrar and UCC chair) has been moved to after departmental approval. This will allow things not have to be resent through the process if they are significantly changed. The new forms are now up but may use the old forms if partway through process until Fall 2017. The UCC would like all proposals for implementation to fall to be at the UCC committee by December 1st of the previous year. This is in part because the checksheets need to be changed at that point (cannot change checksheets mid-year). Senator Baran asked a question about the Honors proposal and President Bacon suggested answering this later once the proposal has actually gone through. Senator Gray asked if this was a hard date- and noted it may be faster for a concurrent process. Senator Zyla expressed her gratitude to Michelle Johnson who created the forms. Senator Thomson noted that sometimes the process takes a while at a college committee level. Chair Leonard said the pre-UCC part should not take more than a week. Senator Alspach noted this change in process would make the correction of forms less of a faculty responsibility.</p> <p>General Education committee member Senator Conley spoke on how they two training sessions had low attendance but those who attended learned a lot. The subcommittees are working on their rubrics and membership models (how members are selected. Senator Fox expressed concern about how committees like Self and Society are picked. General Education Coordinator Franklund said he had recently been made aware of this issue and it was not revised at the time at which committee membership structures have changed. They are working with Leonard Johnson to develop a more standardized approach.</p> <p>Senator Fox from Arts and Lectures noted she had already announced the Nutcracker but she expressed a concern that committee had with low attendance numbers and that they were investigating why. Was it a cost issue and if so could events be made free? Senator Weaver noted the recent Nell Painter event had low attendance. Senator Maike suggested bringing in high school student. Senator Berghoef said the history of why done may not matter if committee wished to change. Dean Haike noted when even are held in Williams Auditorium the committee needs to pay fees for staffing the space.</p>
8a.	<p>Presentation on Budget- Sally Depew, Budget Office.</p> <p>Sally Depew, Budget Office gave a presentation on the budget. She defined the types of funds (general, designated and auxiliary). She gave an update on revenue and enrollment and how that has effected the budget. She noted the significant restrictions placed on TIP (Tuition Incentive Program) funding which has also impacted Ferris enrollment numbers. We did receive a 4.7% performance incentive increase from the state because it correlates with our metrics. Our largest issues with enrollment relate to the decrease in the number of high school graduates in Michigan. 5.1 million dollars were cut from the Fiscal Year 2017 budget and estimated 3.0 million from the Fiscal Year 2018 budget. Senator Johnson asked if TIP students were awarded on first come, first serve? President Eisler noted some students received non-TIP funds to compensate but it affected approximately 296 freshman. Senator Gray asked about whether online students are included (and if they are running with empty seats) Director DePew could not answer that question. Senator Moore asked about jobs leaving Michigan being a key issue? President Eisler said the more relevant issue is the birthrate for remaining residents of Michigan which was half that that of 1957. Senator Marion asked a question about freezing faculty lines? President Eisler said they are not frozen and all positions are reviewed on a case by case basis when they are vacated.</p>
8b.	<p>Presentation on ADA Compliance in Blackboard</p> <p>Jackie Hughes, from Online Learning gave a demonstration of Blackboard and how it can be made more ADA compliant. She showed the dial which evaluates the accessibility of all attached documents within the course shell. Ferris has subscribed to a service called Blackboard Ally, which can generate machine automated transformations for some documents. For others, they need to be viewed, and edited appropriately. Over winter break, sessions will be offered as a 2 day workshop in order to allow faculty a chance to work on fixing these documents. Senator Berghoef encouraged senators to attend these workshops and asked about current level of</p>

	<p>compliance. With Ally compliance is 35% and otherwise only 25%. Hughes noted the easiest way to be compliant is to fix it which creating the original document (and to use headers). Senator Ing noted email can also be non-compliant. Senator Moore asked if numbers are more complicated. Hughes acknowledged that symbols are more complicated to describe. Senator Wolfer noted in her experience documents in pdf format showed up as less compliant than those left in Word.</p>
8c	<p>Presentation Panel on Linked Courses This presentation was on linked courses at Ferris. For the past few years, courses have been linked (on this panel they were grouped as Math- English or English-Business). Presenters included Kristen Conley, Roxanne Cullen, Deidre Fagan, Erin Militzer-Benander, Melissa Smith, Anil Venkatesh and Kirk Weller. Peircey and Cullen, who were the first faculty group to lead a cohort note that the goal was to make learning less of a passive activity. Senator Peircey noted that algebra was really just another form of communication and the common problem for both disciplines was the ability to do critical reading. Professor Venkatesh also noted the reading component was an issue for his students as well but one of the advantages of the team approach is he never had to answer the “why do we have to do this math” that he did in other courses. For readings Venkatesh and Fagan coordinated on a variable assignment. Professor Fagan added how this worked well with business content such as linked order and saw incredible growth. Students from the previous cohort are volunteering to come in and work with current student and still come back to meet with instructors. Professors Smith and Militzer-Benander have a math and English group who are also Education majors and they focus on the teaching methods as well as content. They have an experts scale. Senator Conley concluded by noting the benefits of community for these students.</p>
9.	<p>Because of the time, the remainder of the agenda items were skipped. The meeting was adjourned at 11:55 a.m.</p>

Academic Senate Diversity Committee

April 4, 2017

1 Members (College, years remaining)

- Anuli Njoku (CHP, 3)
- Adnan Dakkuri (PHR, 2)
- John Scott Gray (OPT, 1)
- Felix Bollou (BUS 3)
- David McCall (RSS, 3)
- Nathan Leatherman (CET, 2)
- Mike Mendenhall (EHS, 1)
- Anil Venkatesh – Chair (AL, 3)
- Heather Symon-Bassett (L/C, 3)
- Kristin Conley (SR, 1)
- Eric Warner (CAS, 2)

2 Objectives

1. Serve as a liaison between organizations promoting campus diversity and inclusion, and the Academic Senate
2. Demonstrate leadership by guiding the Academic Senate in its response to current diversity related issues
3. Collaborate with FCTL to support training and development initiatives that focus on diversity and inclusion
4. Serve, in partnership with University Archives, as a repository for diversity and inclusion initiatives generated by faculty, staff, and students

3 Review of Past Recommendations

- Expand successes of CAS-CET coordination in 2016-17 to new cross-campus collaboration.
- Improve visibility of online postings of diversity-related events, and increase coordination between sources of these postings to amplify the message and reduce duplication of labor.
- Enhance offerings of diversity and inclusion training for students, faculty, and staff through collaboration with experts such as FCTL and the Center for Latin@ Studies.

4 Progress Report

- Starting this semester, we have instituted a policy of hosting individuals from diversity and inclusion focused units at our monthly meetings. This initiative is consistent with the committee's primary objective of serving as a liaison for campus diversity and inclusion.
- We have identified a promising way to improve the visibility of online postings of diversity-related events on campus, using only the current functionality of the Ferris Outlook server. The system is being piloted by Paul Zube in the CAS Dean's Office. We are working with our contacts around campus to raise awareness of this initiative and encourage other units to adopt similar systems.
- Through Brooke Moore in Retention and Student Success, we are providing sensitivity training for FSUS instructors.

5 New Initiatives

- In addition to our ongoing work, we have identified community mentoring as a key objective for the coming year. We are partnering with Endless Opportunities, a Grand Rapids based mentorship program that predominantly serves black and hispanic youth in the city. The objective is to provide high quality, practical enrichment and workshops from Ferris faculty to students in the program. So far, we have run two workshops on credit card math and personal finance. We are currently planning workshops from Ferris faculty in public health, education, criminal justice, and philosophy.
- In conversation with Paul Zube, we have learned that featuring students in social media content can dramatically increase visibility. Next semester, we will be joined by a representative from Student Government who will help us achieve this objective.

Please consider the following a formal statement on the attached Medical Withdrawl Policy from the Academic Policy and Standards (APS) Committee to the Academic Senate.

The Senate APS committee met with Lindsay Barker, Director of Ferris State University's Birkam Health Center and Personal Counseling Center, and Associate Provost Johnson at our October meeting to begin discussion of revising the Medical Withdrawal Policy. The discussions, and updating of the policy continued through the committee's November meeting.

The APS committee approved the updated document via an email vote on 28 November 2017. This Policy, as now written, provides a fair and concise process for all concerned parties; including students, faculty and staff, and the administration. The APS committee has decided to include in the official policy statement the flow chart outlining options available to the student (the second page of the packet), and related forms, checklists and a sample medical release statement (pages 3 – 8 of the packet) that had heretofore been used throughout the University by various parties to support the Medical Withdrawal policy.

This packet has now been submitted for the Senate's consideration at the December 2017 meeting. APS committee members, as well as Lindsay Barber will be in attendance at the Senate Meeting to answer any questions and/or concerns that may arise.

dr. jf (jim) nystrom
APS Committee Chair

MEDICAL WITHDRAWAL FROM THE UNIVERSITY

A student may initiate a Medical Withdrawal from the University by contacting the Registrar's Office in the Timme Center for Student Services. A Medical Withdrawal results in a student being withdrawn from **all classes** for either a part of a term/session or full semester. Medical Withdrawals will result in the grade of "MW".

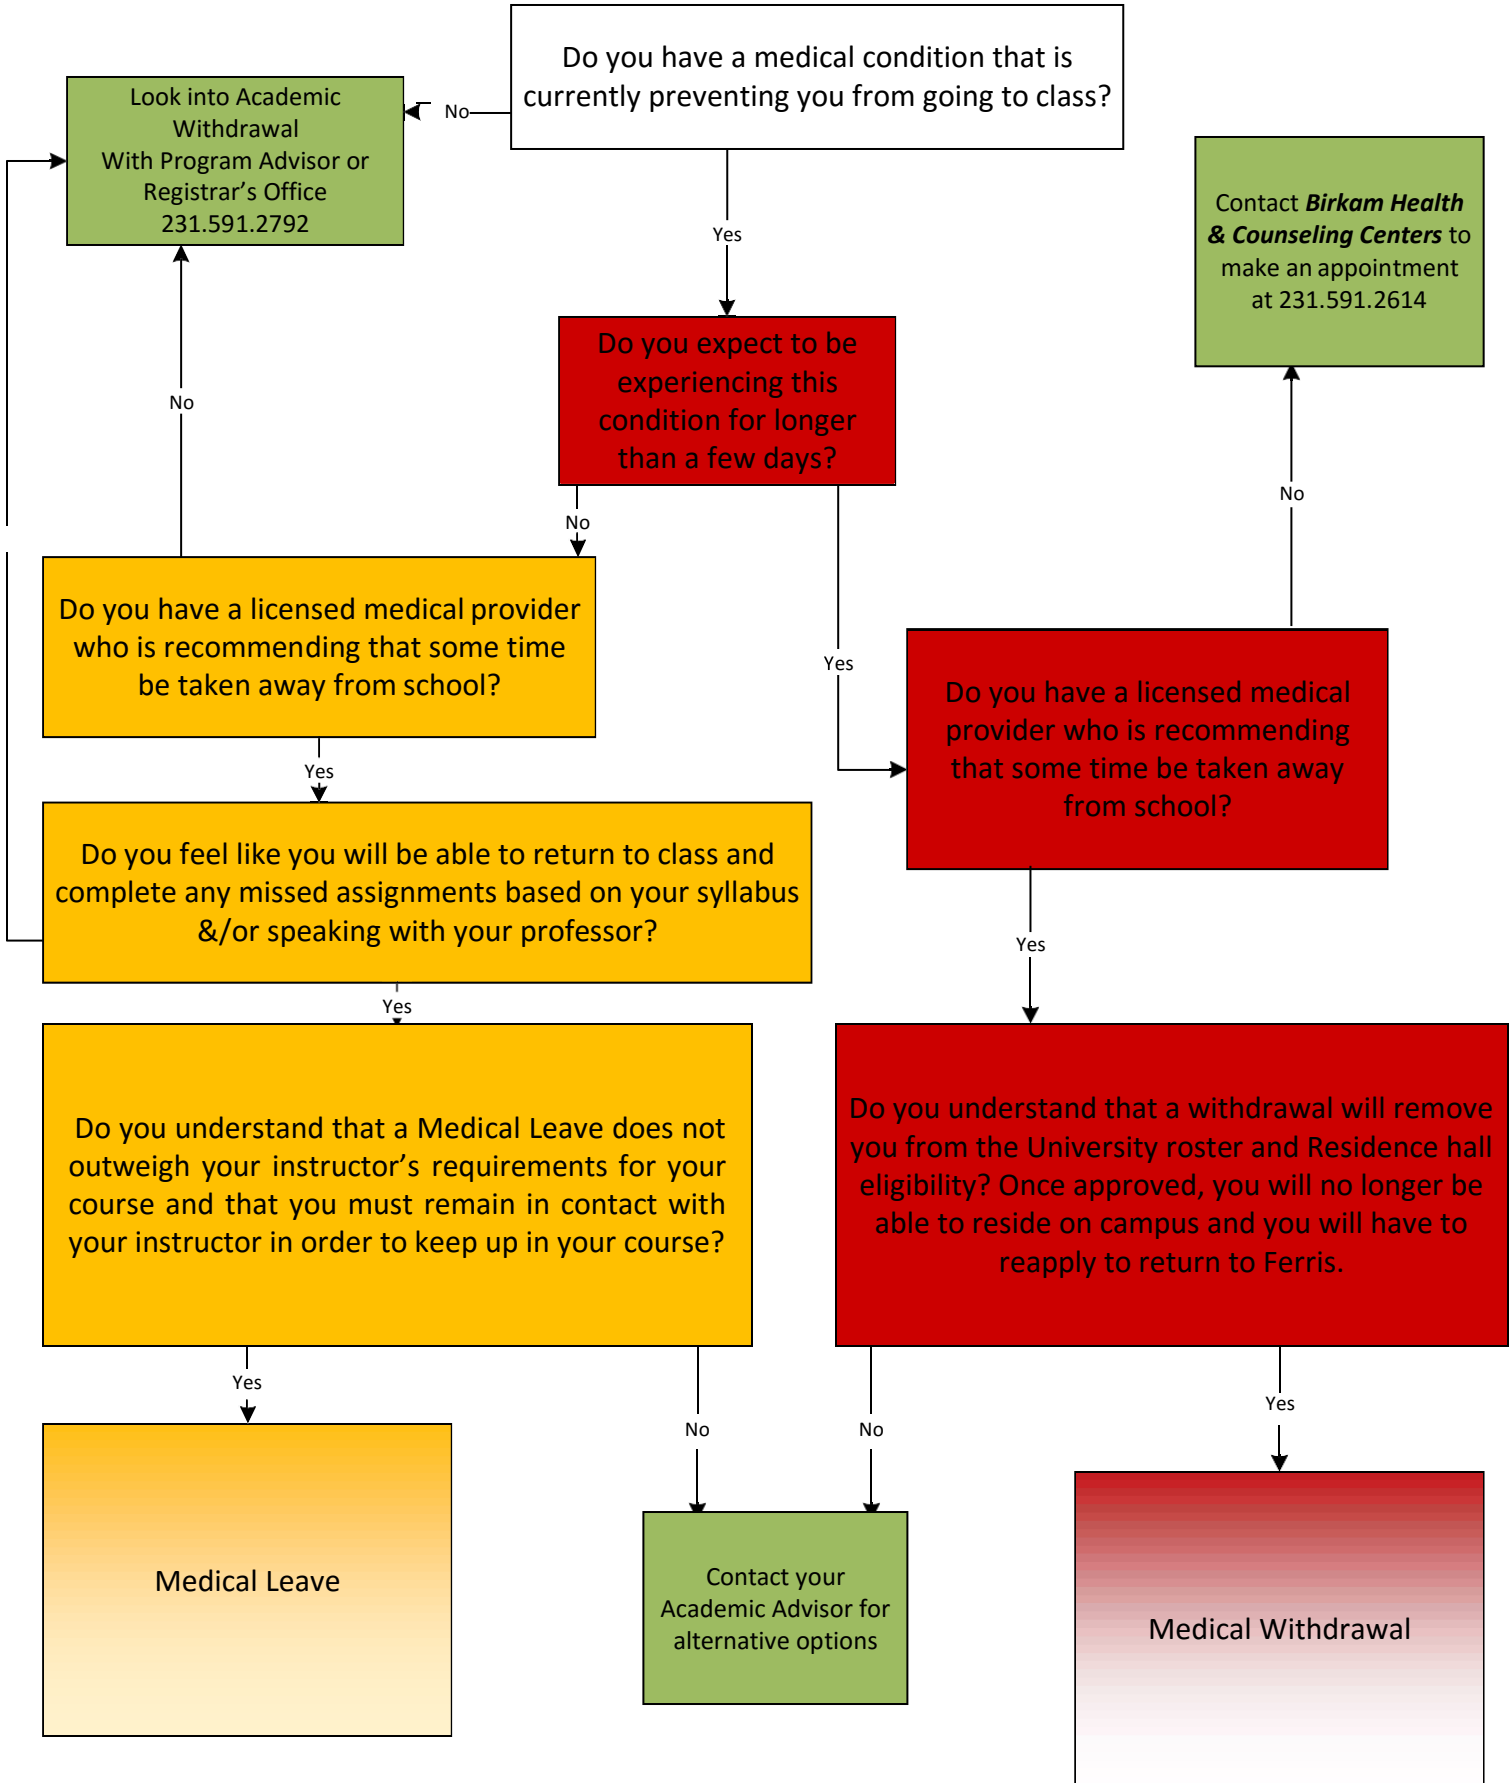

If a Medical Withdrawal is initiated after the end of a semester, or if a student is attempting to change an Academic Withdrawal to a Medical Withdrawal, all required forms and medical documentation must be submitted to the Birkam Health Center no later than January 1 of the following year for Fall Semester, June 1 of the same year for Spring Semester, or September 1 of the same year for Summer Semester.

Grades awarded for part of a term/session courses completed on or before the effective Medical Withdrawal date will remain as assigned and credit will be given for those courses. Examples would be courses in session A, or session B. Within the part of term/session, the Medical Withdrawal is effective when the student is/was no longer able to attend classes due to documented medical reasons. Upon receipt of all required documentation as described in the attached Medical Withdrawal Packet (specifically, the Request to Withdraw from Ferris State University For Health Reasons form and the required documentation), the Birkam Health Center will submit a Medical Withdrawal to the Registrar's Office.

Students who receive a Medical Withdrawal effective fall or spring semester, and wish to return to the University, must reapply for admission and financial aid. The Birkam Health Center will place a "Medical Hold" on the student's record, preventing the student from registering for future semesters, until the hold is cleared by the Birkam Health Center as explained in the attached Medical Withdrawal Packet (specifically, the student needs to fill out the Request to Lift Registration Hold after a Medical Withdrawal form and provide the required documentation). Summer semester Medical Withdrawals may or may not affect a student's fall class schedule or financial aid as the student is not required to reapply for admission.

The withdrawal process is the responsibility of the student and will be initiated by the Registrar's Office. The Dean of Enrollment Services will review exceptions to all withdrawal policies. To remain in compliance with federal regulations, the University may change withdrawal policies without prior notification.

Should I do a Medical Leave or a Medical Withdrawal?

Birkam Health and
Counseling Centers

Total Withdrawal for Medical Reason(s) Checklist

The following items are required in order for a student to complete the request for a total withdrawal from Ferris State University for a medical reason. Please contact the listed department with any questions regarding these steps.

_____ Speak with Registrar's office about total withdrawal and possible implications.
If in person go to the Student Services Counter in Timme Center.
Registrar's Office: Ph: (231) 591-2792

_____ Contact the Office of Housing and Residence Life if you are currently living in campus housing to discuss timeline for vacating residence.
Office of Housing and Residence Life: Ph: (231) 591-3745

_____ Review "WITHDRAW FROM ALL CLASSES – THINGS TO CONSIDER" from Office of Scholarships and Financial Aid.
Student Financial Services: Ph: (231) 591-3945 (Debi Whitman)

_____ Review and complete "REQUEST TO WITHDRAW FROM FERRIS STATE UNIVERSITY FOR HEALTH REASONS" packet and return to Birkam Health & Counseling Center.
Birkam Health & Counseling Centers: Ph: (231) 591-5968, Fax: (231) 591-5336

_____ Retrieve signed recommendation letter from your licensed medical provider and return to Birkam Health & Counseling Center.
Birkam Health & Counseling Centers: Ph: (231) 591-5968, Fax: (231) 591-5336

Once these steps have been completed, your medical withdrawal will be processed through the necessary departments. A confirmation will be sent to your Ferris State University email account when the Medical Withdrawal is complete. Contact the Registrar's office for updates regarding your request.

What happens if I am registered for classes next semester?

Your future class schedule will be cancelled. You must apply for readmission through the Admissions and Records Office. You may apply online by going to www.ferris.edu. Click on Free Online Application, select Re-Admit Application. You must meet the same requirements expected of new applicants.

Exception: Summer withdrawals will not affect your admission status or fall class schedule. Off-campus and graduate students may not have to apply for readmission and future classes may be retained.

Will I owe the University money if I withdraw?

Many students who withdraw will owe the University money. Frequently the tuition and housing charges, if applicable, that are reduced on your account are not the same amount as the funds that must be returned to the federal financial aid programs. This results in you owing the University money. **To inquire how this withdrawal may affect your account balance, please contact Business Operations at (231) 591-3945.** (You may leave a message and someone will return your call.)

What happens to my financial aid?

- **Your future financial aid may be cancelled.** You must contact the Financial Aid Office at finaid@ferris.edu to determine what steps may be required to assure your future financial aid.
- **You will begin to use your student loan grace periods.** Please complete Direct Loan Exit Counseling (Perkins Loan Exit Counseling must also be completed if you have had a Perkins Loan while attending FSU. You will receive an email from University Accounting Service when you can complete the counseling.)
- **Business Operations is required to pro-rate your federal aid** – which means they will determine how much of your federal financial aid you have earned by the official withdrawal date. Any “unearned” federal financial aid must be returned to the appropriate programs.

Will I get a tuition and housing refund if I withdraw?

Refunds are based on University Refund Policy. A portion of your federal aid may have to be returned to the student aid programs. This could result in a balance due the University.

*Questions should be directed to Business Operations at (231) 591-3945. (You may leave a message and someone will return your call.)

If I have a credit on my account after I withdraw, when do I get the money?

All refunds will be processed within three to four weeks. A refund check will be mailed to your permanent address, or the refund will be direct deposited if you have a valid direct deposit account set up.

If I live on campus, how long do I have before I must move out?

- **Residence Halls:** You must vacate your room within forty eight (48) hours after you process a total withdrawal. Questions should be directed to Residential Life at (231) 591-3745.
- **Campus Apartments:** The move out date may vary. Please call (231) 591-3758 to determine your apartment status.

Who do I contact to begin the withdrawal process?

- You may contact the Registrar Office by calling (231) 591-2792.
- You may withdraw in person by going to the Timme Center for Student Services.
- Medical Withdrawals should be initiated by contacting the Registrar Office at (231) 591-2792 or toll free at 1(800)433-7747. Upon review of the possible ramifications, if a Medical Withdrawal is still desired, the student will be referred to Birkam Health Center for Medical Withdrawal approval.

Birkam Health and Counseling Centers

Request to Withdraw from Ferris State University For Health Reasons

A health withdrawal is a complete separation from the University (not a leave of absence). Once a student has withdrawn from the University, he/she must apply for readmission through the Admissions Office. A letter from a licensed health professional will be required to verify that the student is mentally and physically able to return to the University and have a successful semester.

Withdrawal is requested for: ___ Fall Year: _
___ Spring
___ Summer

I, _____, Student's Full Name (printed), _____, Student Number

request a withdrawal from Ferris State University for health reasons.

I have read and understand the information regarding "Total Withdrawals" from the University and "Withdrawal from All Classes - Things to Consider" (available at http://www.ferris.edu/htmls/administration/businessoffice/withdrawal.htm and http://www.ferris.edu/HTMLS/administration/businessoffice/WithdrawalThingstoConsider.pdf).

I understand that if this request is approved, it is effective immediately and may not be rescinded.

SAMPLE LETTER OF SUPPORT FOR MEDICAL WITHDRAWAL

Successful letters in support of medical withdrawal identify the following six points:

1. Student name
2. Date of first visit/treatment during the semester of requested withdrawal
3. Period of treatment during the semester the withdrawal is requested
4. Recommendation for withdrawal for medical reasons (*specific diagnosis &/or medical reason is not required*)
5. Original document with signature and license number of professional (*must be licensed medical provider, i.e. M.D., D.O., N.P., PA-C, PhD., L.P.C., M.S.W, etc*), on letterhead with contact information.

RE: Medical Withdrawal

Re: Student Name

From: Provider, License Number (contact information)

Ms. Student has been my patient since September 2013 seeking treatment. On July 7, 2014 I met with Ms. Student and at that time it was determined that she would be unable to complete her (Fall, Spring, Summer) coursework. Please accept my recommendation for her request for medical withdrawal for the (Fall, Spring, Summer) session for which she was enrolled.

Birkam Health and Counseling Centers

Request to Lift Registration Hold after a Medical Withdrawal

To return to the University after a Medical Withdrawal, a student must apply for readmission through the Admissions Office. A letter from a licensed health professional is required to verify that the student is mentally and physically able to return to the University and have a successful semester.

Return is requested for: _____ Fall Year: _____
_____ Spring
_____ Summer

I, _____ Student's Full Name (printed) _____ Student Number

request to have the registration hold lifted from my account.

I understand that this request only lifts the registration hold placed on my account after taking a Medical Withdrawal. I will need to contact the following offices regarding any further documentation required to return to the University.

Admissions: (231) 591-2100
Financial Aid: (231) 591-2110
Housing & Residence Life: (231) 591-3779

RE: Medical Release

Re: Student Name

From: Provider, License Number (contact information)

Ms. Student has been my patient since September 2013 seeking treatment for a health condition. In the (Fall, Spring, Summer) semester, Ms. Student requested to take a Medical Withdrawal from school. At that time, it was determined that Ms. Student would be unable to complete her coursework for the (summer) term. Her condition has now stabilized and as of November 1, 2014, she may return to her studies at the university and successfully resume her coursework in the next possible term.

Rules Committee Report. December 2017.

The Rules Committee for the Academic Senate in 2017-18 consists of Senator David Hanna (Engineering Technology), Senator Melinda Isler (Librarians/Counselors), Senator Rose Baran (Pharmacy) Senator Susan Wancour (Health Professions) and Senator Paul Zube (Non-Tenure Track)

The committee has met once and reviewed some charter issues which were submitted to the Senate Executive Committee prior to the formation of the committee. The committee plans to send out a request via email in December for input and will be holding forum at 9 a.m., directly prior to the January 9th Senate meeting.

Any issues a senator wishes to bring up can be sent to Chair Melinda Isler (or other committee members if that is more convenient) at any time. The plan is to submit the recommendations to the Senate in the Spring for approval.

The current charter is available at

<https://ferris.edu/HTMLS/administration/academicaffairs/vpoffice/senate/pdfs-docs/charterfinaldec2016.pdf>

Current Proposals

- 1) Addition of an at-large member to the Senate Executive Committee (and the provision that no more than 2 members of the at large group can be from a single college)
- 2) Revision of language to specific that the non-tenure track faculty member's term goes through September of the following year.
- 3) Article IV, section 3 was not corrected in last charter revisions to reflect the number of non-tenure track faculty members as 3 instead of 2.
- 4) Clarify and define that ex-officio members of Senate committees are non-voting

CURRICULUM PROPOSAL SUMMARY AND ROUTING FORM

Proposal Title: SCWK 610 Name and Outcome Change; SCWK 680 delete; SCWK 632 addition; SCWK 691, SCWK 692, SCWK 693, SCWK 591, and SCWK 592 Contact Hours Change; SCWK 591, 592 Credit Hours Change; SCWK 699 Grading Type Change

To be completed by Academic Affairs

Date of Implementation: _____

President (Date Approved) Board of Trustees (Date Approved) Academic Officers of MI (Date Approved)

The Social Work Department has made extensive revisions to the MSW program based upon our assessment data, student feedback and prior curricular changes. This proposal incorporates those course changes in the social work MSW program. 1) We are combining two of our courses in the MSW Program (SCWK 610 Policy Advocacy and SCWK 680 Leadership and Supervision) by adding Leadership to the SCWK 610 class, adding Supervision to the new second clinical class (SCWK 632). 2) We are deleting SCWK 680. 3) We are also adding a new course, SCWK 632 to the curriculum to reflect student feedback in wanting more clinical lab time. 4) We are substantially changing our field courses. Initially, we decided that our field hours in the first two field placements in the foundation year would be more than our advanced year because the foundation year students do not have a BSW and have not had prior experience in the field. Initially we began these students in their first semester with no social work coursework. After our first year of operation, and with substantial feedback from our field instructors, we moved the beginning of the field experience to the student's second semester in the spring semester. After piloting this last year, we have determined that the number of field hours and therefore the field credit hours could be reduced, as students now experience a good foundation in the profession in their first semester coursework. We also considered student debt and the alignment with both our BSW and MSW field hours. We are proposing a reduction in field credit hours from 6 credits to 4 credits for SCWK 591 and 592 and a change in the contact hours to 240 hours. We are also changing the number of contact hours in the SCWK 691,692 and 693 to give students more experience time in their field placements. 5) We are also changing the grading requirement for our Capstone class, SCWK 699 to become a CR/NC class. This enables students to have a richer learning experience instead of being so focused on achieving an A. Passing in the graduate program is a B.

2. Summary of Curricular Action (Check all that apply to this proposal)

- Degree Major Minor Concentration Certificate Course
 New Modification Deletion

Name of Degree, Major, etc.: SCWK

3. Summary of All Course Action Required:

A. Newly Created Courses to be Added to the Catalog

Prefix	Number	Title
SCWK	632	Adv Clinical Prac/Supervision

B. Courses to be Deleted from FSU Catalog

FORM B - Graduate
Effective Fall 2016

To be completed by each department affected by the proposed change, addition, or deletion. Potential duplication of coursework is reason for consultation.

1. This completed form must be forwarded with the proposal to the administrator of the department to be consulted.
2. The department must respond within 10 business days of receipt of this form to insure inclusion in the final proposal. The completed original is returned to the Academic Senate Office to be inserted into the proposal and a copy is returned to the initiator.

The department must acknowledge receipt of this form and the proposal in writing to the initiator.

Failure to respond by 10 business days of receipt of this form is interpreted as support for the proposal.

3. The Proposing Department must address any concerns raised by the consulted department. This response must be in writing and will be included in the proposal following the original consultation form.

Subject: Proposal 18-024 & 18-026

Janet,

Please address the following concerns with your two proposals and in the future, combine as many similar proposals as possible into one proposal, to lessen the unnecessary duplication of work individual mini proposals create for the UCC and others in the path of the approval process.

For 18-024:

1. The effective date for the proposal is 201712, which is not a term. The effective date will need to be 201808. Fall is the only time checksheets and outcomes can be changed within MyDegree.
2. Submit a Form D

For 18-026

For 18-026:

1. Form A shows that field experience was being moved to the second semester from the first semester. However, the course sequence still shows that the field experience in the first semester. **New form D attached showing that move in the course sequence.**
 2. Form B is not signed. **Form B's were received after the proposal was submitted. I took them to the dean's office who indicated they would get these to you. It is my understanding from past proposals submitted and from the information on the UCC form that if not received within 10 days of submission, full approval is assumed.**
 3. Form C is not signed. **We just received Form C yesterday. I will take that to the dean's office when I am done with this email. Same as above**
 4. Form E/F's also have incorrect term dates. Choose a future term date and know that checksheets and course catalog descriptions are only updated each fall semester. **All new EF's are attached.**
 - a. These forms are not on the correct University Template. **They were done on the forms that are on the UCC web site, November 2016 version.**
 5. E/F for SCWK 610
 - a. Will this course be changed to a lecture lab?
 - i. It is currently in the system as just a 3 credit lecture, but the E/F Form has a split between lecture and lab hours. **Correction made**
 6. E/F for SCWK 632
 - Contact hours should be by week, not semester. **There have been numerous UCC proposals submitted by the department over the past few years. No one has corrected this. Now corrected.**
3. Submit a Form D **Attached Proposed check-sheet**

Best regards,

Rusty

Subject: A few, final minor changes to SCWK proposal

Dear Professor Samuels,

The UCC has approved the Social Work proposal pending three minor edits. First, we noticed that the check sheet does not have hours listed for SCWK 631. It appears this is a 1 hour course. If correct, may we enter that number? Second some of the dates show implementation of the program for Fall 2017. May we harmonize all implementation dates to Fall 2018? Finally, for the EF form for SCWK 632 it appears that lecture and lab hours listed might be for the semester? If that is true, may we change these to their weekly numbers, which would appear to be 1 hour of lecture and 2 hours of lab each week?

I'm CCing Sylvia Maixner with this email, and if you agree to these changes, just reply to both of us; we will update the forms. Thank you for all of the hard work you and your social work colleagues have put into this proposal.

I am at your service if you have questions.

Regards,

Katherine

1. Proposal Summary: (Summary is generally less than one page. Briefly state what is proposed with a summary of rationale and highlights)

The Legal Studies Minor will replace the AAS Legal Studies program to be deleted as a result of a separate proposal. Current AAS Legal Studies students will be able to complete the program requirements and obtain their AAS Legal Studies degree. The AAS Legal Studies program no longer meets our students' needs. The Legal Studies Minor addresses our students' desire for a legal background/education that does not focus on paralegal education. The AAS Legal Studies program is an American Bar Association (ABA) approved paralegal program with approximately 40 students. As such, the ABA requires that the courses offered in the program be legal specialty courses with practical assignments to prepare students for employment as paralegals. While drafting the last two ABA re-approval and interim self-study reports, along with the ABA site visit, it became apparent that our students do not plan to work as paralegals and rarely seek paralegal positions. Students obtain the AAS Legal Studies degree or take a few Legal Studies courses for other purposes such as having a legal foundation to further their personal and professional career goals and to provide an introduction to law for those planning to attend law school. This has been confirmed by informal and formal student polling and surveys. Because the AAS Legal Studies program no longer meets the needs of our students, enrollment in the program continues to decline despite a rise in the number of students enrolled in the first AAS Legal Studies course, LLAW 160 – Law in the United States I. LLAW 160 provides a solid legal foundation that is applicable for all students and will remain in the minor.

Based on the ABA limitations, including the time and cost to maintain ABA approval, along with input from the Legal Studies Advisory Board, we decided to eliminate the AAS Legal Studies program with its focus on paralegal skill development. Alternatively, the minor allows us to customize the required courses to better meet the educational goals of all students including the former AAS Legal Studies and former AA Pre-Law students. Additionally, many students want a legal foundation but their bachelor degree program cannot accommodate an associate degree whereas a minor could be declared with the addition of 300-400 level courses. Students that need an associate degree for TIPP purposes will be directed to the AAS General Business program or other appropriate associate degree program. Students can use the law courses as electives until they declare a bachelor degree and the Legal Studies Minor.

The Legal Studies Minor will not be approved by the ABA as a paralegal program. As such, the minor provides a cost savings to the University and COB as well as a reduction in library resources. The faculty time and costs associated with the ABA and the re-approval process are eliminated with the minor. The Legal Studies Minor courses are already taught on a semester or yearly rotation by existing law faculty. Six Legal Studies courses will be deleted when the associate degree is deleted. Three of the courses to be deleted are taught by adjuncts. No additional faculty resources are required at this time to provide the law offerings necessary for the Legal Studies Minor.

The Legal Studies Minor will expose students to the practical knowledge necessary to address the legal rights, duties and obligations arising in personal, professional and business contexts. To this end, students develop a solid foundation and understanding of substantive and procedural laws along with the regulatory environment in the United States. The Legal Studies Minor affords students the ability to further develop their applied critical thinking and problem solving skills when addressing current legal issues that impact their lives and success in their chosen career.

The minor is comprised of the following courses: Three (3) Required Courses: LLAW 160 Law in the United States I, BLAW 301 Legal Environment of Business, BLAW 321 Contracts and Sales; and Three (3) Elective Courses: BLAW 322 Commercial Law & Transactions, BLAW 330 Insurance Law, BLAW 421 Employment Law, HCSA 202 Health Care Law 1, HSMG 403 Hospitality Law, PREL 350 Public Relations Ethics and Law, PHIL 217 Introduction to Logic, and Directed Law Elective.

ADMISSION REQUIREMENTS

Any person who is admitted to a Ferris State University Bachelor’s degree program is welcome to obtain this minor.

ADDITIONAL GRADUATION REQUIREMENTS

- At least one-half of the credits must be Ferris State University credits.
- A maximum of 1/3 of the credits, but no more than 7 credits, may overlap with the student’s major.
- A minimum of fifty percent (50%) of the courses in the minor must be at the 200 or above level.
- A 2.00 GPA is required for completion of the Minor.
- A term prior to completion of the Minor**, the student will log into MyFSU, and complete the “Apply for Graduation”. You will receive an email back with the next steps to take. Once this is done the Graduation Secretary will notify the Registrar who will note the completion of the Minor.

NOTICE: Students who return to the university after an interrupted enrollment (not including summer semester) must normally meet the requirements of the curriculum, which are in effect at the time of their return, not the requirements which were in effect when they were originally admitted.

FINANCIAL AID FORM

FORM FIN

Effective Fall 2016

To be completed by the Director of Financial Aid (DFA). The DFA must return the original form to the Academic Senate Office to be inserted into the original proposal and a copy to the initiator (proposer). The DFA must respond within 10 business days of receipt of this form to insure that the form is included in the final proposal.

Failure to respond by 10 business days of receipt of this form is interpreted as support for this proposal.

Proposal Title: Legal Studies Minor

Initiators: Gayle Lopez and Emily Fransted

Proposal Contact: Gayle Lopez

Date Sent: September 18, 2017

Department: Management

Campus Address: COB 212

Director of Financial Aid Signature: Heide Wisby

Date Returned: 9-19-17

Please check all that apply:

- The new program is remedial as it prepares students for study at the postsecondary level. This program is not an eligible program per Federal requirements; therefore students in this program are not eligible to receive financial aid.
- The new program is considered a preparatory program as it prepares a student for a given program, i.e., they do not meet the academic criteria to be admitted into the program. Student is only eligible for Federal Direct Loans for one year.
- The new program is a certificate program. Certificate programs are not eligible programs per Federal requirements; therefore students in this program are not eligible to receive financial aid.
- The new program is a teacher certification program where it provides coursework required for a professional State credential necessary for employment as an elementary or secondary school teacher, but for which the institution awards no academic credential. Students are eligible for Federal Direct Loans only at an undergraduate level.
- The new program is a teacher certification program that will award a certificate credential. Certificate programs are not eligible program per Federal requirements; therefore students in this program are not eligible to receive financial aid.
- The new program is a Bachelor Completion program; a two-year degree completion program that requires an associate degree or the successful completion of at least two years of college coursework as a prerequisite for admission. These are aid eligible programs and students may receive financial aid.
- The new program is a Master's, Professional, or Doctoral Degree/Major program that allows students to take some undergraduate courses where some deficiency exists. Please note, students are eligible to receive Federal loans for the program, but undergraduate courses will not be included in the total credit count to determine loan eligibility. Students must be half time (Graduate/Professional = 5 credits, Doctoral = 3 credits) in graduate level courses to receive Federal aid.
- The new program is an Associate's, Bachelor's, Master's, Professional, or Doctoral Degree/Major and is conferred upon graduation. Per Federal requirements, these are aid eligible programs and students may receive financial aid.

Please include the number of credit hours to earn the degree or credential being sought. This is required as it must be reported to the Department of Education as well as the National Student Loan Clearinghouse, regardless if students are receiving federal aid.

Credits Required to Earn Degree: 18 credit hours

EEET 124 - Electric Circuits 2

A continuation of Electric Circuits 1. This course examines capacitance, inductance, RC circuits, RL circuits, transformer theory and applications, AC signals and waveforms, oscilloscopes, power supplies and higher level devices. The course approaches these topics from a systems viewpoint which emphasizes the application of basic concepts to actual circuits and devices. Prerequisites: EEET 114 minimum grade C- and MATH 116 or a minimum score of 24 on ACT Math or 560 on SAT Math. Typically Offered Spring and Fall

4.000 Credit hours

3.000 Lecture hours

4.000 Lab hours

Levels: Undergraduate

Schedule Types: Combination lecture/laboratory, Laboratory, Lecture, Structured Learning Workshop, Fully On Line, Web Based Mixed Delivery

EET-CNS Department

Course Attributes:

Big Rapids Campus, Big Rapids Tuition**

math 115 or a minimum score of 24 on ACT math
or 580 on SAT 16 math or 560 on SAT math,
Corequisite: math 120

II. COURSE INFORMATION: Attach Completed Form EF for each course

III. PROGRAM OUTCOMES:

Practice Competency #1: Demonstrate Ethical and Professional Behavior

Social Workers understand the value base of the profession and its ethical standards as well as relevant laws and regulations that may impact practice at the micro, mezzo, and macro levels. Social Workers understand frameworks of ethical decision-making and how to apply principles of critical thinking to those frameworks in practice, research,

and policy arenas. Social Workers recognize personal values and the distinction between personal and professional values. They also understand how their personal experiences and affective reactions influence their professional judgment and behavior. Social Workers understand the profession's history, its mission and the roles and responsibilities of the profession. Social Workers recognize the importance of life-long learning and are committed to continually updating their skills to ensure they are relevant and effective. Social Workers also understand emerging forms of technology and the ethical use of technology in social work practice.

Social Workers:

1. Make ethical decisions by applying the standards of the NASW Code of Ethics, relevant laws and regulations, models for ethical decision-making, ethical conduct of research, and additional codes of ethics as appropriate to context;
2. Use reflection and self-regulation to manage personal values and maintain professionalism in practice situations;
3. Demonstrate professional demeanor in behavior; appearance; and oral, written, and electronic communication;
4. Use technology ethically and appropriately to facilitate practice outcomes;
5. Use supervision and consultation to guide professional judgment and behavior, with emphasis on secondary traumatic stress and trauma triggers;
6. Understand and identify professional strengths, limitations and challenges;
7. Tolerate ambiguity in resolving conflicts and Apply ethical decision-making skills to issues specific to clinical social work;
8. Identify and use knowledge of relationship dynamics, including power differentials; and
9. Recognize and manage personal biases as they affect the therapeutic relationship in the service of clients' well-being.

Practice Competency #2: Engage Diversity and Difference in Practice

Social Workers understand how diversity and difference characterize and shape the human experience and are critical to the formation of identity. The dimensions of diversity are understood as the intersectionality of multiple factors including but not limited to age, class, color, culture, disability and ability, ethnicity, gender, gender identity and expression, immigration status, marital status, political ideology, race, religions/spirituality, sex, sexual orientation, and tribal sovereign status. Social Workers understand that, as a consequence of difference, a person's life experiences may include oppression, poverty, marginalization, and alienation as well as privilege, power, and acclaim. Social Workers also understand the forms and mechanisms of oppression and discrimination and recognize the extent to which a culture's structures and values, including social, economic, political, and cultural exclusions, may oppress, marginalize, alienate, or create privilege and power.

Social Workers:

1. Apply and communicate understanding of the importance of diversity and difference in shaping life experiences in practice at the micro, mezzo, and macro levels;
2. Present themselves as learners and engage clients and constituencies as experts of their own experiences;
3. Apply self-awareness and self-regulation to manage the influence of personal biases and values in working with diverse clients and constituencies;
4. Research and apply knowledge of diverse populations to enhance client well-being and work effectively with diverse populations;
5. Identify and use practitioner/client differences from a strengths and trauma informed perspective; and
6. Demonstrate knowledge of historical trauma and its impact on diverse populations.

Practice Competency #3: Advance Human Rights and Social, Economic, and Environmental Justice.

Social Workers understand that every person regardless of position in society has fundamental human rights such as freedom, safety, privacy, and adequate standard of living, health care, and education. Social Workers understand the global interconnections of oppression and human rights violations, and are knowledgeable about theories of human need and social justice and strategies to promote social and economic justice and human rights. Social

Workers understand strategies designed to eliminate oppressive structural barriers to ensure that social goods, rights, and responsibilities are distributed equitably and that civil, political, environmental, economic, social, and cultural human rights are protected.

Social Workers:

1. Apply their understanding of social, economic, and environmental justice to advocate for human rights at the individual and system levels;
2. Engage in practices that advance social, economic, and environmental justice; and
3. Apply their understanding of social, economic, and environmental justice to advocate for human rights at the individual and/or system levels.
4. Use knowledge of the effects of oppression, discrimination, and historical trauma on client and client systems to guide engagement, assessment, intervention, and/or termination.

Practice Competency #4: Engage in Practice- informed Research and Research- informed Practice.

Social Workers understand quantitative and qualitative research methods and their respective roles in advancing a science of social work and in evaluating their practice. Social Workers know the principles of logic, scientific inquiry, and culturally informed and ethical approaches to building knowledge. Social Workers understand that evidence that informs practice derives from multi-disciplinary sources and multiple ways of knowing. They also understand the processes for translating research findings into effective practice.

Social Workers:

1. Use practice experience and theory to inform scientific inquiry and research;
2. Apply critical thinking to engage in analysis of quantitative and qualitative research methods and research findings;
3. Use and translate research evidence to inform and improve practice, policy and service delivery; and
4. Use evidence-based practice process in clinical assessment and intervention with clients.
5. Participate in the generation of new clinical knowledge with respect to trauma through research and practice.
6. Use research methodology to evaluate clinical practice effectiveness and/or outcomes.

Practice Competency #5: Engage in Policy Practice.

Social Workers understand that human rights and social justice, as well as social welfare and services, are mediated by policy and its implementation at the federal, state, and local levels. Social Workers understand the history and current structures of social policies and services, the role of policy in service delivery, and the role of practice in policy development. Social Workers understand their role in policy development and implementation within their practice settings at the micro, mezzo, and macro levels and they actively engage in policy practice to effect change within those settings. Social Workers recognize and understand the historical, social, cultural, economic, organizational, environmental, and global influences that affect social policy. They are also knowledgeable about policy formulation, analysis, implementation, and evaluation.

Social Workers:

1. Identify social policy at the local, state, and federal level that impacts well-being, service delivery, and access to social services;
2. Assess how social welfare and economic policies impact the delivery of and access to social services;
3. Apply critical thinking to analyze, formulate and advocate for policies that advance human rights and social, economic, and environmental justice; and
4. Communicate to stakeholder, administrators and/or legislators the implications of policies and policy change in the lives of clients.
5. Use evidence-based practice and practice-based evidence in advocacy for policies that advance social and economic well-being.

Practice Competency #6: Engage with Individuals, Families, Groups, Organizations, and Communities

Social Workers understand that engagement is an ongoing component of the dynamic and interactive process of

social work practice with, and on behalf of, diverse individuals, families, groups, organizations, and communities. Social Workers value the importance of human relationships. Social Workers understand theories of human behavior and the social environment, and critically evaluate and apply this knowledge to facilitate engagement with clients and constituencies, including individuals, families, groups, organizations, and communities. Social Workers understand strategies to engage diverse clients and constituencies to advance practice effectiveness. Social Workers understand how their personal experiences and affective reactions may impact their ability to effectively engage with diverse clients and constituencies. Social Workers value principles of relationship-building and inter-professional collaboration to facilitate engagement with clients, constituencies, and other professionals as appropriate.

Social Workers:

1. Apply knowledge of human behavior and the social environment, person-in-environment, and other multidisciplinary theoretical frameworks to engage with clients and constituencies;
2. Use empathy, reflection, and interpersonal skills to effectively engage diverse clients and constituencies;
3. Develop culturally responsive therapeutic relationships;
4. Attend to the interpersonal dynamics and contextual factors including the use of technology that both strengthen and potentially threaten the therapeutic alliance during the engagement phase.
5. Establish a relationship based process that encourages clients to be equal participants in the establishment of treatment goals and expected outcomes.

Practice Competency #7: Assess Individuals, Families, Groups, Organizations, and Communities

Social Workers understand that assessment is an ongoing component of the dynamic and interactive process of social work practice with, and on behalf of, diverse individuals, families, groups, organizations, and communities. Social Workers understand theories of human behavior and the social environment, and critically evaluate and apply this knowledge in the assessment of diverse clients and constituencies, including individuals, families, groups, organizations, and communities. Social Workers understand methods of assessment with diverse clients and constituencies to advance practice effectiveness. Social Workers recognize the implications of the larger practice context in the assessment process and value the importance of inter-professional collaboration in this process. Social Workers understand how their personal experiences and affective reactions may affect their assessment and decision making.

Social Workers:

1. Collect and organize data, and apply critical thinking to interpret information from clients and constituencies;
2. Apply knowledge of human behavior and the social environment, person-in-environment, and other multidisciplinary theoretical frameworks in the analysis of assessment data from clients and constituencies;
3. Develop mutually agreed-on intervention goals and objectives based on the critical assessment of strengths, needs, and challenges within clients and constituencies; and
4. Select appropriate intervention strategies based on the assessment, research knowledge, and values and preferences of clients and constituencies.
5. Synthesize and differentially apply theories of human behavior in the social environment utilizing a trauma informed perspective to guide clinical practice.
6. Use bio-psycho-social-spiritual theories, trauma informed perspective, and diagnostic classification systems in formulation of comprehensive assessments.
7. Assess clients' readiness for change.
8. Assess client's coping strategies to reinforce and improve adaptation to life situations, circumstances, and events.

Practice Competency #8: Intervene with Individuals, Families, Groups, Organizations, and Communities

Social Workers understand that intervention is an ongoing component of the dynamic and interactive process of social work practice with, and on behalf of, diverse individuals, families, groups, organizations, and communities. Social Workers are knowledgeable about evidence-informed interventions to achieve the goals of clients and constituencies, including individuals, families, groups, organizations, and communities. Social Workers understand theories of human behavior and the social environment, and critically evaluate and apply this knowledge to

effectively intervene with clients and constituencies. Social Workers understand methods of identifying, analyzing and implementing evidence-informed interventions to achieve client and constituency goals. Social Workers value the importance of inter-professional teamwork and communication in interventions, recognizing that beneficial outcomes may require interdisciplinary, inter-professional, and inter-organizational collaboration.

Social Workers:

1. Critically choose and implement interventions to achieve practice goals and enhance capacities of clients and constituencies
 2. Apply knowledge of human behavior and the social environment, person-in-environment, and other multidisciplinary theoretical frameworks in interventions with clients and constituencies;
 3. Use inter-professional collaboration as appropriate to achieve beneficial practice outcomes;
 4. Negotiate, mediate, and advocate with and on behalf of diverse clients and constituencies;
 5. Facilitate effective transitions and endings that advance mutually agreed-on goals;
 6. Promote social and economic justice causes through political advocacy and community intervention;
 7. Select and modify appropriate best practice intervention strategies based on continuous clinical assessment.
 8. Demonstrate sensitivity to trauma experiences and the role of trauma when implementing interventions, goals and objectives;
9. Demonstrate the use of appropriate clinical techniques for a range of presenting concerns identified in the assessment, including crisis intervention strategies as needed and trauma focused as needed;
10. Collaborate with other professionals to coordinate treatment interventions

Practice Competency #9: Evaluate Practice with Individuals, Families, Groups, Organizations, and Communities

Social Workers understand that evaluation is an ongoing component of the dynamic and interactive process of social work practice with, and on behalf of, diverse individuals, families, groups, organizations and communities. Social workers recognize the importance of evaluating processes and outcomes to advance practice, policy, and service delivery effectiveness. Social workers understand theories of human behavior and the social environment, and critically evaluate and apply this knowledge in evaluating outcomes and practice effectiveness. Social workers:

1. Select and use appropriate methods for evaluation of outcomes;
2. Apply knowledge of human behavior and the social environment, person-in-environment, and other multidisciplinary theoretical frameworks in the evaluation of outcomes;
3. Critically analyze, monitor, and evaluate intervention and program processes and outcomes;
4. Apply evaluation findings to improve practice effectiveness at the micro, mezzo, and macro levels;
5. Use clinical evaluation of the process and outcomes to develop best practice interventions for a range of bio-psycho-social-spiritual conditions and traumatic experiences;
6. Facilitate transitions and endings; and
7. Contribute to the theoretical knowledge base of the social work profession through practice based research.

FORM B - Graduate

Effective Fall 2016

To be completed by each department affected by the proposed change, addition, or deletion. Potential duplication of coursework is reason for consultation.

1. This completed form must be forwarded with the proposal to the administrator of the department to be consulted.
2. The department must respond within 10 business days of receipt of this form to insure inclusion in the final proposal. The completed original is returned to the Academic Senate Office to be inserted into the proposal and a copy is returned to the initiator.

The department must acknowledge receipt of this form and the proposal in writing to the initiator.

Failure to respond by 10 business days of receipt of this form is interpreted as support for the proposal.

3. The Proposing Department must address any concerns raised by the consulted department. This response must be in writing and will be included in the proposal following the original consultation form.

To: Janet L Vizina Roubal <JanetVizinaRoubal@ferris.edu>, Rusty A Leonard <RustyLeonard@ferris.edu>
Subject: RE: Proposal 18-024 & 18-026

Hi Rusty. Janet forwarded this to me. As she's new to the UCC process, I've made the corrections necessary. Please also your comments below. I've replied to some of these in red. I will send two separate emails for each of the proposals.

From: Rusty A Leonard
Sent: Wednesday, October 18, 2017 11:09 AM
To: Janet L Vizina Roubal <JanetVizinaRoubal@ferris.edu>
Cc: Sylvia H Maixner <SylviaMaixner@ferris.edu>
Subject: Proposal 18-024 & 18-026

Janet,

Please address the following concerns with your two proposals and in the future, combine as many similar proposals as possible into one proposal, to lessen the unnecessary duplication of work individual mini proposals create for the UCC and others in the path of the approval process.

For 18-024:

1. The effective date for the proposal is 201712, which is not a term. The effective date will need to be 201808. Fall is the only time checksheets and outcomes can be changed within MyDegree. **Form A is attached with the term correction.**
2. Submit a Form D **Attached.**

For 18-026

1. Form A shows that field experience was being moved to the second semester from the first semester. However, the course sequence still shows that the field experience in the first semester.
2. Form B is not signed.
3. Form C is not signed.
4. Form E/F's also have incorrect term dates. Choose a future term date and know that checksheets and course catalog descriptions are only updated each fall semester.
 - a. These forms are not on the correct University Template.
5. E/F for SCWK 610
 - a. Will this course be changed to a lecture lab?
 - i. It is currently in the system as just a 3 credit lecture, but the E/F Form has a split between lecture and lab hours.
6. E/F for SCWK 632
 - Contact hours should be by week, not semester.

Best regards,

Rusty

The College Critical Reading course provides students the opportunity to develop higher-level critical reading skills necessary to complete research projects. Instruction is designed to assist in the improvement of effective reading skills needed for comprehension, interpretation, analysis and synthesis of college level content. Prerequisite: Placement by assessment or successful completion of READ 106						Improve students' analytical reading ability and reading efficiency as needed for advanced college-level material and necessary for research papers and projects. Instruction is designed to assist in the improvement of effective reading skills needed for comprehension, interpretation, analysis and synthesis of college-level content. Critical comprehension skills, such as making inferences, distinguishing between facts and opinions, recognizing biases, making critical judgements, understanding cultural differences, relating social systems and theories, and making critical judgments, are emphasized. These skills are designed to be applicable to texts in other college courses. Placement by assessment or successful completion of READ 175.

Reading 176 – Student Learning Outcomes		
	Course Outcomes	Assessment Plan
1	Students will read and discuss (creating questions and sharing experiences) different types of text (i.e. newspaper articles, memoirs, college textbooks, novels, etc.)	-Participate in theme based round-table discussions about assigned and independent readings. (1, 2, 3, 4,5) -Guided Reciprocal Peer Questioning (1, 2, 3, 4) -Research Project(s)- i) 2-3 Countries , ii) social issue iii) cultural interest

2	Students will actively engage in learning by determining the purpose, point of view, and the implicit or explicit message of a piece of text -citing specific textual evidence when supporting conclusion drawn from the text.	<p>-Participate in theme based round-table discussions about assigned and independent readings. (1, 2, 3, 4,5)</p> <p>-One-Minute Papers, reflections, etc.</p> <p>-Research Project(s)- i) 2-3 Countries, ii) social issue iii) cultural interest</p>
3	Students will analyze two or more texts that address similar themes or topics in order to compare elements of each.	<p>-Participate in theme based round-table discussions about assigned and independent readings. (1, 2, 3, 4,5)</p> <p>- Research Project(s)- i) 2-3 Countries, ii) social issue iii) cultural interest</p>
4	Students will reflect upon their ability to better interpret, analyze, and critically evaluate and advocate ideas.	<p>-Journals -Formative: Rate your knowledge, exit ticket, 3,2,1, muddiest , etc.</p> <p>-Research Project(s)- i) 2-3 Countries, ii) social issue iii) cultural interest</p>
5	Students will acquire or clarify the meaning of unknown general academic and domain-specific vocabulary to increase comprehension.	<p>-Mini lesson activities: context clues, content-specific vocabulary, connotation, denotation, etc.</p> <p>-Research Project(s)- i) 2-3 Countries, ii) social issue iii) cultural interest</p>

FORM G
Effective Spring 2017

Form G plus justification of the General Education designation being sought must be sent to the General Education Coordinator (preferably electronically). The criteria for each designation can be found FSU General Education website: <http://www.ferris.edu/HTMLS/academics/gened/gened.html>

Upon review, the form below will be completed by the **University General Education Committee** for the courses that will meet General Education requirements. The form must be included in the proposal packet.

Course Prefix: READ Course Number: 176

Course Title: Analytical Reading

G. E. Codes Requested: SSOC, SSOF, CLTR

G.E. Codes: COMS=Oral Communication; COMW=Written Communication; CLTR=Culture; DIVG=Global diversity; DIVU=U.S. diversity; NSCI=Natural sciences; NCSL=Natural sciences lab; QUAL=Quantitative literacy; SSOC=Self and society; SSOF=Self and society foundation; COLL=Collaboration; PROB=Problem solving

Ferris State University

Analytical Reading – READ 176

Instructor: Professor XXXX
Office:
Phone: 231-591-XXXX
E-Mail: _____@ferris.edu

Office Hours: Dates and Times * or by appointment

Course: READ 176 XXXX
Class Schedule: Days Times
Class Location: **STR XXXX

Note for All Students: Welcome to READ 176- Analytical Reading! I am excited to have you in class and I know that we will have a great semester! As your instructor, I assume many responsibilities. You, however, are expected to be an EQUAL partner in your own learning. In other words, you are expected to be a self-disciplined, self-motivated learner who is actively involved in your own learning. This section of READ 176 has been carefully designed to help you increase and improve your critical thinking and reading skills. Although I will do my best to identify students who are having difficulty in the course, *please feel free to contact me when you need help. This is very important!*

Your Syllabus: Please hold on to this syllabus because it contains valuable information, and, if you ask me a question during the semester that is found in this syllabus, I will always refer you back to it because I want you to use it as a resource and guide for the semester.

Materials Required:

1. Boss (2012), **THINK: Critical Thinking and Logic Skills for Everyday Life**, 3rd ed. (McGraw Hill)
2. *Millennials Speak: Essays on the 21st Century* ed. (Thead & Khan)
3. Folder/notebook, Paper, writing utensil, and flash drive for computer use.
4. Printer or a print card (with at least \$25.00 on it)

Course Description: This course is designed to improve students' reading efficiency and analytical reading ability as needed to successfully read advanced college-level material and to become lifelong readers. This course provides students the opportunity to develop higher-level critical reading skills necessary to complete research projects. Instruction is designed to assist in the improvement of effective reading skills needed for comprehension, interpretation, analysis and synthesis of college level content. Critical comprehension skills, such as making inferences,

distinguishing between facts and opinions, recognizing biases, making critical judgements, understanding cultural differences, relating social systems and theories, and making critical judgments, are emphasized. These skills are designed to be applicable to texts in other college courses. **Prerequisite:** Placement by assessment or successful completion of READ 175- Fundamentals of Analytical Reading.

Course Overview: **This is a blended course where you will be completing at least 1/3 of your assignments online. It will require that you complete assignments for the course a minimum of 2 to 3 times a week and that you check your course messages and announcements **daily**. For this reason you must complete the **FSU Online Readiness** course located in our Blackboard shell.

Reading 176 – Student Learning Outcomes	
Course Outcomes	Assessment Plan
<p>1</p> <p>Students will read and discuss (creating questions and sharing experiences) different types of text (i.e. newspaper articles, memoirs, college textbooks, novels, etc.)</p>	<p>-Participate in theme based round-table discussions about assigned and independent readings. (1, 2, 3, 4,5)</p> <p>-Guided Reciprocal Peer Questioning (1, 2, 3, 4)</p> <p>-Research Project(s)- i) 2-3 Countries, ii) social issue iii) cultural interest</p>
<p>2</p> <p>Students will actively engage in learning by determining the purpose, point of view, and the implicit or explicit message of a piece of text - citing specific textual evidence when supporting conclusion drawn from the text.</p>	<p>-Participate in theme based round-table discussions about assigned and independent readings. (1, 2, 3, 4,5)</p> <p>-One-Minute Papers, reflections, etc.</p> <p>-Independent Reading</p> <p>-Research Project(s)- i) 2-3 Countries, ii) social issue iii) cultural interest</p>

3	Students will analyze two or more texts that address similar themes or topics in order to compare elements of each.	<p>-Participate in theme based round-table discussions about assigned and independent readings. (1, 2, 3, 4,5)</p> <p>- Research Project(s)- i) 2-3 Countries, ii) social issue iii) cultural interest</p>
4	Students will reflect upon their ability to better interpret, analyze, and critically evaluate and advocate ideas.	<p>-Journals</p> <p>-Formative: Rate your knowledge, exit ticket, 3,2,1, muddiest , etc.</p> <p>-Research Project(s)- i) 2-3 Countries, ii) social issue iii) cultural interest</p>
5	Students will acquire or clarify the meaning of unknown general academic and domain-specific vocabulary to increase comprehension.	<p>-Mini lesson activities: context clues, content-specific vocabulary, connotation, denotation, etc.</p> <p>-Research Project(s)- i) 2-3 Countries, ii) social issue iii) cultural interest</p>

Assignments and Assessments:

1. **Pre and post** assessments will be given. The post test will be graded.
2. **Formative Assessments**- these will be given weekly (entrance ticket, 3,2,1, , muddiest point, one minute summary, etc.) These will not be graded.
3. **Homework** – It will be given on a regular basis. Homework points will vary depending on the complexity of the assignment. However these points will add up quickly during the semester.

4. **Chapter Quizzes** – There will be 7 chapter quizzes. Each quiz is worth 20 points. Some quizzes are given online and some are given in class.
5. **FLITE Pilot Modules** – Project Information Literacy Online Tutorial (Pilot) Pre-test, 5 unit tests and a post-test. These modules focus on your ability to Identify, Select, Find, Retrieve and evaluate sources for research. (5 points each)
6. **Research Project #1: Informative (Country)**- As we attempt to broaden our understanding of other countries and cultures, students will pick 2-3 countries to research. This first research project will be informational and the presentation will be less formal with students engaging in small group presentations --where each student will present to a table of six to seven students. (50 points)
7. **Research Project #2:** This research project will be done with 1-2 partners. Students will pick a topic of cultural interest to present to the class. They will explain how and why this was or is of significant interest. Each pair or group of three will present their findings to the class (75 points).
8. **Research Project #3: Social Issue** –
 - a. **Articles Annotation** – The eight (8) articles you select for your Final Project are to be annotated. This will require you print each article to annotate. After annotating the article you will write a summary of each article. You will include a statement of how on how the information in this article can be used for your final project. Due dates for these 8 articles will be provided by the instructor. 10 points for each article.
 - b. **Research Log** – This research log relates directly to the outcome of the final project. You are to select a **minimum of 10 articles** by the end of the project. This assignment will be broken down into sections over the semester. See Rubric for details. 20 points
 - c. **Research Outline** – This is an annotated outline which relates directly to the Final Project and Research Log. This can be completed within 2-3 pages. 35 points
 - d. **Student-Faculty One-on-One Conferences** - A minimum of one (1)10-15 minute conference is required. These conferences are held during the 9-11 week period of the semester. This conference may be scheduled during class. If not in the classroom, conferences will be in the instructor's office. 15 points
9. **Social Issue Final Research Project:** There are options for the final project.- Points 200
You will select one.
 - i. **Research Paper:** This paper is to be in MLA or APA format, minimum of 8 pages paper with citations (this does not include the title page or work cited). You will be responsible to share your research with the class.
 - ii. **Presentation:** - A 30-35 minute presentation with citations, can include up to 2 five minute videos and other images. The week prior to exams the presentations will be presented to the class.
 - iii.
 - ❖ *Whether you are presenting a game or not during finals week you are expected to attend the final exam date. If you do not attend, you will lose 50 points of your total score.*
10. **Class Participation Online:** Your participation online is based on the completion of assignments, review and response to videos, discussion prompts, etc. Again, these points will add up quickly so make sure that you are completing them every week!

- 11. Journals:** The journals should be connected to the work we are doing in class. They are due on Sunday by 11:59 pm in Blackboard. 10 points each.
- 12. Daily Participation/Activities:** In class assignments, discussion and projects constitute daily points. If you are absent, you will miss these points. There are up to ten points each class period. See Studentship rubric.
- 13. Possible Points:** There are approximately 1000 possible points for the semester.

Instructions and due dates for assignments will be given at the time they are assigned. However, all assignments, rubrics, and assessment methods will be housed on our blackboard course page for easy accessibility.

Grading Scale:

Points	Grade	Points	Grade
95-100	A	77-79	C+
90-94	A-	74-76	C
87-89	B+	70-73	C-
84-86	B	67-69	D+
80-83	B-	64-66	D
		61-63	D-
		Below 60	F

ABSENCES: Attendance is critical for college success. For this reason, you are allowed only three absences for the semester. If you have **more than (4) four absences** you could receive a failing grade, this is regardless if the absence is excused or not excused. If you have more than three absences, you will need to schedule a one-on-one conference to discuss your options. However, if at the end of the semester, you have absences remaining, you will receive 10 bonus points for each!

Abseces for University-sponsored Functions: The University also has a policy (Academic Affairs Policy Letter 01:4) and form that addresses students' absences due to University-sponsored functions. In brief, the policy states that: "The students in attendance should be excused from classes, but are responsible for all work missed. Students must present a copy of the form to their instructor prior to leaving." More information about the policy and form is online at: <http://www.ferris.edu/HTMLS/administration/academicaffairs/policyletters/01-4-Excusing-Students-for-School-Sponsored-Function.pdf>.

RELIGIOUS HOLIDAY: Ferris State University will make reasonable accommodations for absences from the University in observance of religious holidays. As a student, it is your responsibility to **notify the faculty in writing during the first week of the semester** if you will be absent due to an observance of a religious holiday. Once notification has been received, you will be excused from the class, labs, and clinics for the holiday(s) and you will be allowed to make up missed exams; however, you are responsible for completion of all missed work within a reasonable time amount of time.

Make-up Work: Advanced assignments will be given if you must be absent. Please keep absence to a minimum. You will be allowed **three absences** for the semester. Make-up work will be permitted at **my discretion**, however, arrangements must be made with me **outside of class time**. **Note:** If you must miss a class on the day a test has been scheduled, you must make arrangements with me to reschedule the test. **The arrangements must be made before the day of the test.**

Examination Week – *You must attend this to gain full points for your final project, even if you have already presented your project. Below is a link to the semester's exam schedule:*

<https://www.ferris.edu/StaffServices/MyFSU/data/Spring2017ExamSchedule.html>

Academic Integrity: Your commitment to being a student at Ferris State University begins with a fundamental understanding of and appreciation for the core values of the institution. Ferris recognizes the inherent dignity of each member of the University community and treats everyone with respect. Our actions are guided by integrity, fairness, honesty, and trust. A component vital to the university community is academic integrity, which acknowledges the inherent worth of individual learning (Bulldog Values in [FSU student handbook](#)).

- It is the student's responsibility, as a member of the Ferris State University's learning community, to access and abide by the university's policies regarding academic conduct ([FSU student handbook](#)).
- Integrity of scholarship requires that all academic work be completed by the student to whom it is assigned, for the course in which it is assigned, without unauthorized aid of any kind. Students are expected to be ethical in their scholarship and practice academic integrity. This includes properly crediting others for their ideas which the student may find useful. ([FSU student handbook](#))

These policies and procedures will not supersede Board of Trustees' policy on student conduct and university disciplinary procedures.

Class Norms: These will be discussed and created during the first week of class. This will include norms such as eating in class, group work, extra credit, dismissal and tardy policies, etc. However, the following class participation, sleeping, and smartphone policies are set:

- Class participation is critical to analytical thinking. Please work hard to be an active participant in class during the work.
- There is no sleeping in class.
- There will be no headphones or smart phones out during class unless we are using them for a class activity. This will be clearly communicated.

Please Add Class Norms Here:

Accommodations: Ferris State University is committed to following the requirements of the Americans with Disabilities Act Amendments Act and Section 504 of the Rehabilitation Act. If you are a student with a disability or think you may have a disability, contact the Disabilities Services office at 231.591.3057 (voice), or email ecds@ferris.edu to discuss your request further. More information can be found on the web at <https://ferris.edu/HTMLS/colleges/university/disability/>. Any student registered with Disabilities Services should contact the instructor as soon as possible for assistance with classroom accommodations.

Diversity and Inclusion: As a classroom we value diversity and inclusion. Diversity is the range of human differences, including but not limited to race, ethnicity, gender, gender identity, sexual orientation, age, social class, physical ability or attributes, religious or ethical values system, national origin, and political beliefs. Inclusion is involvement and empowerment, where the inherent worth and dignity of all people are recognized. Our inclusive classroom will promote and sustain a sense of belonging because we value and respect individual talents, beliefs, backgrounds, and ways of living.

*****Course information, assignments, activities, descriptions, locations, schedules, grading systems, and class content are subject to change by the instructor.**

READ 176: Analytical Reading Weekly Schedule

Week	Schedule	Journal(s)	Assessments: Formative and Summative
1.	<p>Introduction: Class Norms and Etiquette, Review Syllabus ,Online Readiness, Ferris Connetiquette</p> <p>Active Reading Discussion Definitions of good & bad readers</p> <p>Active Reading * Venn Diagram</p> <ul style="list-style-type: none"> • Activate Prior Knowledge • Set a purpose – Reading of a Craigslist Posting • Gift Assignment <p>Explore Textbook Structure-Bring in textbooks so we can discuss textbook structure.</p> <p>Start thinking about the final project (social issue) you would like to take on for the semester. Please decide on what you may be leaning towards.</p> <p>Homework- Annotation of Article THINK textbook - read Chapter 1 pages 1-6</p>	<p>Online Journal #1: Introduce Yourself?</p>	<p>Pretest-Article</p> <p>*Venn Diagram of the difference between good readers and bad readers</p> <p>Discuss definitions of good readers and bad readers.</p>

2. **THINK Textbook: Review Chapter 1 pages 1-6.**

Concepts to begin to discuss and explore the importance of using-

- Discuss MLA/APA Citations
- Discuss how to summarize
- Predicting - Write a sentence or two on how you think this article might help in your final project.
- Developing Vocabulary: Identify unknown words in article

Go to FLITE Library for Pre-Assessment of PILOT

Homework -

**Find first article on project topic and bring Hardcopy to class.
THINK textbook - read and annotate Chapter 1 pages 6-19.**

**Online Journal #2 –
Complexities of
Knowledge in
Calvin & Hobbs Cartoon**

- Vocabulary
Building – Rate
Your Knowledge

**Online Finish PILOT
Assessments**

3. **THINK Textbook: Review Chapter 1 pages 6-19.**

- Turn in Article #1
- Read Article: Part 1- Foreign Policy Topic
- Read the rest of Chapter 1 pages 20 – 28 – Barriers to Critical Thinking
- Review 8 areas of Resistance & 5 areas of Narrowmindedness

Homework –

**Find Article #2 on project topic and bring Hardcopy to class.
THINK textbook - read and annotate Chapter 2.**

**Online Journal #3 –
Dualistic Thinking**

- Group Definitions
of Resistance and
Narrowmindedness
(Formative)

- Chapter 1 Quiz:
Critical Thinking
& Why It's
Important

4. **THINK Textbook: Review Chapter 2.**

- Turn in Article #2
- Read Article in Class & Rate Your Vocabulary Worksheet
- Go to FLITE Library for Databases
- Round Table Discussion

Homework –

Find Article #3 on project topic and bring Hardcopy to class.

THINK textbook – read Chapter 3 pages 62-78.

**Online Journal #4 –
Life Plan**

- Vocabulary Building – Rate Your Knowledge
- Round Table Discussions
- Chapter 2 Quiz: Reason and Emotion

5. **THINK Textbook: Review Chapter 3 pages 62-78.**

- Turn in Article #3
- Discuss our changing language
 - Used by Shakespeare, Knave? Bad person or someone up to no good
 - From 1870, Brickly – What does this mean? Brave or fearless
 - From late 60s/early 70s, Groovy – wonderful or cool
- Read Article in Class & Rate Your Vocabulary Worksheet
- Review Chapter 3 pages 80 to 87
- Euphemism Class Activity-death
- Language Manipulation-video

Homework –

**Online Journal #5 –
Resistance**

- Vocabulary Building – Rate Your Knowledge
- Chapter 3 Quiz: Language and Communication

Find Article #4 on project topic and bring Hardcopy to class.
THINK textbook – read Chapter 4 pages 96-103.

6. THINK Textbook: Review Chapter 4 pages 96-103.

- Turn in Article #4
- Mini lesson: Connotation/ Denotation p. 99 (smashed, collided, bumped, hit, & contacted)
- Eyewitness Accounts inaccurate up to 50% of the time.
 - Watch video – Eyewitness Test: How Do You Stack Up?
MSNBC
 - Watch Change Blindness Attention Test from Youtube
 - If I have time I can show them a few other clips - What Do You See? | Brain Games by National Geographic
 - Show TED video by Apollo Robinson – The Art of Misdirection
 - Watched a TED video on Memory by Joshua Foer
- Review pages 107 – 122
- Look at the pictures on page 108 & 109
- Go to FLITE Library for Citations MLA/APA format

Homework –

Find Article #5 on project topic and bring Hardcopy to class.

Chapter 2 Quiz

THINK textbook – read and annotate Chapter 5.

7. THINK Textbook: Review Chapter 5.

- Turn in Article #5
- Review Fallacy terms - Group Activity
- Round Table Discussions

Online Journal #6 –
Peer Pressure

Chapter 4 Quiz:
Knowledge,
Evidence, and
Errors in Thinking

3-2-1 (Formative)

COMPETENCY IMPLEMENTATION PLAN (CIP)

CULTURE

Date: 05/03/2017

Course prefix, number, and title: READ 176 Analytical Reading

Briefly describe how this course fulfills the operational definition of the Culture core competency at Ferris State University:

This course centers on analytical thinking and analytical thinking requires a good understanding of barriers to critical thinking. students must explore how types of resistance and narrow-mindedness can influence their ability to reason and think critically. For this reason, students must be exposed to a variety of cultures and beliefs so they can better understand what and why they believe as they do.

<p>CUL1: Interpretation – Students will be able to demonstrate an increased ability to interpret cultural works and practices, including but not limited to art, music, literature, language, history, philosophy and religion, as part of a broader culture and justify those interpretations with an understanding of the interpretive process.</p>	
<p><i>How will this be implemented in class?</i></p>	<p><i>How will achievement be evaluated?</i></p>
<p>Students will engage in reading different types of texts from a variety of genres and authors.</p> <p>Students will engage in two research projects that will broaden their understanding of other cultures. The first will include learning about the languages, religions, laws and social norms, art, history, etc.. The second research project will explore a significant cultural interest in a specific society and how it contributes to our global society.</p>	<p>Students will participate in theme-based round-table discussions based on individually chose genres.</p> <p>Students will participate in guided-reciprocal- peer questioning; each student will be reading and essay by an author from a different country. This will happen four times during the semester. The topics include: Foreign Policy and International Relations; Popular Culture; Food, Consumption, and Global Health; United States</p> <p>Students will engage in three research projects- two of which will broaden their understanding of other cultures.</p>
<p>CUL2: Self-Awareness – Students will be able to articulate an understanding of themselves as part of culture(s) with rich historical perspectives and gain increased self-understanding through works of culture(s).</p>	
<p><i>How will this be implemented in class?</i></p>	<p><i>How will achievement be evaluated?</i></p>
<p>Students will engage in reading different types of texts from a variety of genres and authors. These texts will be discussed in class focusing on aspects of human nature.</p> <p>Students will be asked to compare their native country with other countries/ cultures.</p> <p>Students will reflect upon their ability to better interpret, analyze, and critically evaluate and advocate ideas.</p> <p>Students will collaborate with others and share experiences.</p>	<p>Students will participate in theme-based round-table discussions based on individually chose genres.</p> <p>Students will complete on-line journal entries that require that they reflect upon their new found understandings of biases, comparisons of cultures, personal experiences, etc.</p>

CUL3: Analysis – Students will be able to develop justify and improve value distinctions (including aesthetic and ethical) in perception, craft and/or life choices.

How will this be implemented in class?

How will achievement be evaluated?

Students will analyze two or more texts that address similar themes or topics in order to compare elements of each.
Students will actively engage in determining the purpose, point of view, implicit or explicit message of a piece of text- citing specific textual evidence when supporting conclusions drawn from the text.

Students will develop questions for discussion based on knowledge from the reading.

Students will participate in theme-based round-table discussions based on individually chose genres.

Students will complete on-line journal entries that require that they reflect upon their new found understandings of biases, comparisons of cultures, personal experiences, etc.

CUL4 Process-Awareness, Participation – Students will be able to explain the processes contexts and motivations behind the production of cultural works and practices, and when appropriate be able to participate in their creation.

How will this be implemented in class?

How will achievement be evaluated?

Students will complete a research project exploring a significant cultural contribution to our global society.

Students will create a paper/ presentation/ flyer/ video/ etc. informing other about their research and why it was a significant.

COMPETENCY IMPLEMENTATION PLAN (CIP)

SELF AND SOCIETY

Date: 05/03/2017

Course prefix, number, and title: READ 176 Analytical Reading

Briefly describe how this course fulfills the operational definition of the Self and Society core competency at Ferris State University:

This course centers on analytical thinking and analytical thinking requires a good understanding of how society functions and the role that individuals and individual groups play in a society. For this reason, students must have a good understanding of important issues that impact a society. They must also understand that they have a powerful voice that can be used to impact society and these important issues. These issues are very complex and require that students have a good understanding of how policies, ethics, moral reasoning, fallacies, emotive language, and media (to name just a few) are used to persuade or dissuade.

SOC1: Individuals – Students critically analyze the effects of various social contexts on the behavior of individuals.	
<i>How will this be implemented in class?</i>	<i>How will achievement be evaluated?</i>
<p>Students will read and discuss (creating questions and sharing experiences) different types of text (i.e. newspaper articles, memoirs, college textbooks, novels, etc.)</p> <p>Students will actively engage in learning by determining the purpose, point of view, and the implicit or explicit message of a piece of text -citing specific textual evidence when supporting conclusion drawn from the text.</p>	<p>-Participate in theme based round-table discussions about assigned and independent readings.</p> <p>-Guided Reciprocal Peer Questioning</p> <p>-One-Minute Papers, reflections, etc.</p> <p>- Online Journals</p> <p>-Research Project : social issue Research Component: Students analyze various stakeholders associated with the issue looking at why they hold various values and opinions.</p>
SOC2: Organizations – Students identify the nature and values of organizations and evaluate the influence of those values on how the organizations affects social problem solving or policymaking.	
<i>How will this be implemented in class?</i>	<i>How will achievement be evaluated?</i>
<p>Students will actively engage in learning by determining the purpose, point of view, and the implicit or explicit message of a piece of text -citing specific textual evidence when supporting conclusion drawn from the text.</p> <p>Students will research a topic of interest (social issue) and create a pamphlet/ policy change/ public service announcement, video etc. base on research.</p>	<p>-Research Project- Social Issue Reflection component: Students analyze and reflect upon how the ethics and moral values of a group or society affect decision making.</p>

SOC3: Influences – Students assess the potential impact of political, economic, and social policy decisions on individuals and society.

How will this be implemented in class?

How will achievement be evaluated?

Students will analyze two or more texts that address similar themes or topics in order to compare elements of each.

Students will research a topic of interest (social issue) and create a pamphlet/ policy change/ public service announcement, etc. base on research.

-Research Project- Social Issue
Reflection component: students explore and reflect upon stakeholders associated with policies and political and economic decisions.

SOC4: Civic engagement – Students actively active participate in assisting an off-campus community organization in the achievement of its goals.

How will this be implemented in class?

How will achievement be evaluated?

Students will research a topic of interest (social issue) and create a pamphlet/ policy change/ public service announcement, create a deliberative dialogue guide centered on the issue, etc. base on research.

Students will present their findings to an off-campus or community organization. How the information is shared will depend upon the type of project students create. For example, videos or public service announcements can be shared electronically. Pamphlets can be distributed in a variety of methods (electronically, informational table, on-site community locations.)

Subject: Re: Proposal 18-028 & 18-029

Kristin,

Since 10+ days have accumulated since you sent the form C to the library, your proposal is now being moved through the UCC without the need for a signed form C.

Best regards,

Rusty

Course/Catalog Description (125 words)						Course/Catalog Description (125 words)					
<p>This course will provide students with the opportunity to become critical readers by increasing vocabulary, enhancing reading comprehension and recall, and improving reading skills to better prepare for college-level reading. Students will learn active reading strategies to become a more effective reader, which can lead to improved college success. Prerequisite is placement by assessment or recommendation of FSU Advisor. This course introduces strategies--active learning techniques--and offers practice in skills which allow students to immediately use what they have learned in their own reading. The aim of this course is to increase reading techniques required for college reading.</p>						<p>This course will provide students with the opportunity to become critical readers by increasing vocabulary, enhancing reading comprehension and recall, and improving reading skills to better prepare for personal and college-level reading. Students will learn active reading strategies to become a more effective reader, which can lead to improved college success. This course introduces strategies--active learning techniques--and offers practice in skills which allow students to immediately use what they have learned in their own reading. The aim of this course is to increase student reading and help students develop techniques required for college reading.</p>

Current Outcomes

READ 106: Course Outcomes	Assessment Plan	Assessment Method
Students will use active reading strategies to recall important details and comprehend the text (i.e. predict, identify purpose, ask questions, clarify text, answer questions, and summarize/ paraphrase).	A) Journal B) Pre and Post Assessments: Written Outline C) Pre and Post Assessment Summarization D) Pre and Post Assessment Concept Map	A) Journal assigned week 2 and assessed weeks 3- 14 B) Pre (week 1) and Post Assessments: Written Outline (week 14) C) Pre (week 1)and Post Assessment Summarization (week 14) D) Pre (week 1) and Post Assessment Concept Map(week 14)
Students will determine the purpose, point of view, and the implicit or explicit message of a given piece of texting- citing specific textual evidence when supporting conclusions drawn from the text.	A) M.A.P. Articles (Note: to M.A. P. an article means to identify the Message -Audience- and - Purpose of a given text- citing evidence to supportthe claim.)	A) M.A.P. assignment (week 4 ,week 8, week 12)
Students will analyze two or more texts that address similar themes or topics in order to compare elements of each.	A) Pre and Post Assessment: Concept Map B) M.A.P Articles	A) Pre (week 1)and Post Assessment: Concept Map (week 14) B) M.A.P. assignment (week 4 ,week 8, week 12)
Students will demonstrate written skills of annotation and summarization.	A) Pre and Post Assessment: Annotation B) Pre and Post Assessment Summarization C) M.A.P Articles	A) Pre (week 1) and Post Assessment: Annotation (week 14) B) Pre (week 1) and Post Assessment Summarization (Week 14) C) M.A.P assignment (week 4 ,week 8, week 12)
Students will acquire or clarify the meaning of unknown general academic and domain-specific vocabulary to increase comprehension.	A) Vocabulary Project B) Journal Assignment	A) Academic Discipline Vocabulary Project Assignment- assigned week 5 and assessed week 14 B) Journal assigned week 2 and assessed weeks 3- 14
Students will reflect upon their learning by defining "college" reading, identifying skills they will utilize in future classes, and sharing elements of their literacy experience.	A) Technology -based literacy Project	A) Students will create a video explaining- what "college reading" means to them; how their definition has changed since the beginning of the semester; give literacy advice for future students; etc. (Assigned week 13and assessed week 15).

Current Timeline- 45 Hours

6 hours- Annotations Skills

6 hours- Summarization Skills

3 hours- Concept Mapping Skills 3 hours-

Outlining Skills

3 hours- Vocabulary building skills- academic

3 hours- Vocabulary building skills - content specific

3 hours- Vocabulary building skills- root words, prefixes, suffixes

3 hours- Identify the Message, Audience, and Purpose of a piece of text

1 hours- Prediction

2- hours- Clarifying text

3 hours- Citing textual evidence

3 hours- Identify text structure

3 hours- Examine the importance of questioning the text

3 hours- Identifying themes, topics, main ideas, and implied ideas

Proposed READ 175 Foundations of Analytical Reading		
Course Outcomes	Assessment Plan	Assessment Method
1 Students will read different types of text (i.e. newspaper articles, memoirs, college textbooks, novels, etc.).	Independent Novel Assigned Readings	Independent Novel assignment Assigned Readings (weeks 2-14)
2 Students will actively engage in learning by determining the purpose, point of view, and the implicit or explicit message of a piece of text -citing specific textual evidence when supporting conclusion drawn from the text.	M.A.P. Articles (This means to identify the message, audience, and purpose for the text.) Guided Reciprocal Peer Questioning Round Table Discussions	M.A.P. assignment week 4, 8, and 12). Round Table Discussion-Report (Week 4, 7, 11,14)
3 Students will use active reading strategies to recall important details and comprehend the text (i.e. predict, identify purpose, ask questions, clarify text, answer questions, and summarize /paraphrase).	Assigned Readings Independent Readings M.A.P. Articles	Pre and Post Assessments: Concept Map, Summarization (weeks 1-2) M.A.P. assignment week 4, 8, and 12).
4 Students will analyze two or more texts that address similar themes or topics in order to compare elements of each.	Independent Novel Assigned Readings Round Table Discussions	Journals assigned week 2 and assessed weeks 3-14 Pre and Post Tests (week 1-2) Independent Reading (weeks 2-14) Assigned Readings (weeks 2-14)
5 Students will acquire or clarify the meaning of unknown general academic and domain-specific vocabulary to increase comprehension.	Assigned Readings Vocabulary Project Journal Assignments	M.A.P. assignment week 4, 8, and 12).
6 Students will reflect upon their experience.	One Minute Paper Independent Novel Reflection Technology Project	Students will create a video explaining how their learning has changed since the beginning of the semester; giving advice to future students (week 15)

4. Summary of All Consultations

Form Sent (B/B-UGPC or C)	Date Sent	Responding Department	Date Received & By Whom
Form C	9/27/2017	FLITE	10/18 Click here to enter text. still have not seen a reply.

5. Will External Accreditation be sought? (For new programs or certificates only)

- Yes No

If yes, name the organization involved with accreditation for this program. [Click here to enter text.](#)

6. Is a PCAF required? Yes No Is the PCAF approved? Yes No (If yes, supply link on Academic Affairs website where PCAF is posted.)

7. Program Checksheets affected by this proposal (Check all that apply to this proposal) REQUIRED

- Add Course Delete Course Modify Course Change Prerequisite Move from required to elective
 Move from elective to required Change Outcomes and Assessment Plan Change Credit hours

8. List all Checksheets affected by this proposal:

College	Department	Program
Retention and Student Success	Developmental Curriculum	Career Exploration (CARE)

FORM B - Undergraduate

Effective Fall 2016

To be completed by each department affected by the proposed change, addition, or deletion. Potential duplication of coursework is reason for consultation.

1. This completed form must be forwarded with the proposal to the administrator of the department to be consulted.
2. The department must respond within 10 business days of receipt of this form to insure inclusion in the final proposal. The completed original is returned to the Academic Senate Office to be inserted into the proposal and a copy is returned to the initiator.

The department must acknowledge receipt of this form and the proposal in writing to the initiator.

Failure to respond by 10 business days of receipt of this form is interpreted as support for the proposal.

3. The Proposing Department must address any concerns raised by the consulted department. This response must be in writing and will be included in the proposal following the original consultation form.

Course Learning Outcomes	Assessment of Learning
Students will distinguish the effective elements of a career portfolio containing both educational and work experience.	Students will develop a portfolio template that can be utilized to build a career portfolio in both electronic form and hard copy.
Students will learn lifelong transferable skills that all employers are looking for regardless of career path.	Students will demonstrate transferable skills through role playing scenarios.
Students will learn how to network and utilize the career resources available to them (Career Services Dept., Job Fairs, Michigan Works, etc.), both on the Ferris State University campus, and within the community.	Students will attend at least one career networking resource within the semester and will demonstrate their networking skills by creating and maintaining a professional-oriented social networking profile.

1. Proposal Summary: (Summary is generally less than one page. Briefly state what is proposed with a summary of rationale and highlights)
 The Mathematics Department is developing a professional development program for adjuncts. Given changes in HLC credentialing, several of the Department's adjuncts need additional graduate hours in mathematics. The proposal for this program includes six courses offered over the next two academic years (2017-18, 2018-19). Most of these courses will be offered using the experimental designation (MATH 590). To provide additional flexibility in carrying out this program, the University Registrar suggested creation of a graduate level independent study number (MATH 597). The 597 number will be used for instances in which a very small number of adjuncts enroll for a course.

FORM B - Graduate

Effective Fall 2016

To be completed by each department affected by the proposed change, addition, or deletion. Potential duplication of coursework is reason for consultation.

1. This completed form must be forwarded with the proposal to the administrator of the department to be consulted.
2. The department must respond within 10 business days of receipt of this form to insure inclusion in the final proposal. The completed original is returned to the Academic Senate Office to be inserted into the proposal and a copy is returned to the initiator.

The department must acknowledge receipt of this form and the proposal in writing to the initiator.

Failure to respond by 10 business days of receipt of this form is interpreted as support for the proposal.

3. The Proposing Department must address any concerns raised by the consulted department. This response must be in writing and will be included in the proposal following the original consultation form.

Cc: Kirk E Weller <KirkWeller@ferris.edu>
Subject: Seeking approval for MATH 597 number for adjunct PD program

Melinda and Wendy,

As you both know, HLC has adjusted its requirement for credentialing. In the Mathematics Department, among the adjunct group, particularly for Level 3 adjunct faculty, there is no issue. For Level 1 and Level 2 adjuncts, the Department has a long standing practice of requiring a BA or BS in the discipline plus a master's degree. Several of our Level 1 and Level 2 adjuncts, hired over a period of 20 years, need more specific graduate-level background to meet HLC minimum requirements.

Because our adjuncts have a good track record with the Department, I wanted to find a way to retain them. Last spring I floated three different proposals. Two

called for restrictions on course assignments. Senior administrative personnel were not entirely comfortable with those options. As an alternative, I developed an in-house professional development program. This program consists of six courses that focus on the teaching and learning of mathematics at the collegiate level. Because these courses would only be offered once, and for a special circumstance, I was going to offer all of them as experimental (MATH 590). We have a number of faculty qualified to teach these courses. These courses will be offered one-at-a-time over the next two years and proceed through the regular selection rotation.

Prior to the August departmental meeting, I circulated the proposal (attached pdf) to math/cs colleagues. They discussed the proposal at the meeting and approved offering the first course. Subsequent courses will be approved each semester.

Since some of these courses will have a very small number of adjunct participants and since I am trying to waive the tuition charge for long-term adjuncts who might not have a teaching assignment, particularly in summer, Elise suggested that I also create a MATH 597 number. This provides additional flexibility beyond the experimental designator.

Attached to this message are the relevant UCC forms. I am also attaching a copy of the PD program so you have a better sense of what I am talking about.

On behalf of the Mathematics Department, I am seeking from the University Graduate and Professional Council for creation of a graduate level independent study course with a mathematics prefix.

I am sending this message to the two of you because you are both listed as members of this committee, I value your professional expertise, and the site does not indicate a chair.

Kirk

Industrial Chemistry Technology (ICT) - 60 Credits

Associate of Applied Science (AAS)

College of Arts and Sciences

PROPOSED CHECKSHEET

ADMISSION REQUIREMENTS

New Students

- Must have a 2.5 High school GPA (on a 4.0 scale)
- Must have a 17 ACT or a 900 SAT

Transfer Students

- Must have at least 12 credits including an English and Mathematics course
- Must have a 2.0 overall GPA (on a 4.0 scale)

UNIVERSITY GENERAL EDUCATION REQUIREMENTS

Courses in this section are required to satisfy the university general education requirements for an AAS degree

Prefix	###	Course Title (Prerequisites shown in parenthesis)	Crs
--------	-----	---	-----

TIER 1: FOUNDATION COMPETENCIES

COMMUNICATION COMPETENCY – 6 Written Communication Credits Required (or their equivalent)

ENGL	150	English 1	3
ENGL	250	English 2 (ENGL 150 with C or higher)	3

QUANTITATIVE LITERACY COMPETENCY – 3 Credits Required

This requirement is met in the program major

TIER 2: DISTRIBUTION COMPETENCIES

NATURAL SCIENCES COMPETENCY – 1 course w/lab Required

This requirement is met in the program major

CULTURE COMPETENCY – 1 course with a minimum of 3 Credits Required

ELEC			
------	--	--	--

SELF AND SOCIETY COMPETENCY – 1 course with a minimum of 3 Credits Required

ELEC			
------	--	--	--

Freshman-Seminar Requirement, FSUS 100, is satisfied by:

Prefix	###	Course Title (Prerequisites shown in parenthesis)	Crs
MAJOR REQUIREMENTS – 51 Credits Required			
CHEM	121	General Chemistry 1 (MATH 115 and prior CHEM)	5
CHEM	122	General Chemistry 2 (CHEM 121)	5
CHEM	321	Organic Chemistry 1 (CHEM 122)	5
CHEM	322	Organic Chemistry 2 (CHEM 321)	5
CHEM	231	Quantitative Analysis (CHEM 122)	4
CHEM	317	Instrumental Analysis (CHEM 122, 231)	3
CHEM	140	Orientation to Industrial Chemistry Technology	2
CHEM	145	Safety and the Chemical Laboratory (CHEM 121)	2
CHEM	240	Industrial Chemical Calculations (CHEM 122)	2
CHEM	245	Chem Manufacturing and Analysis (CHEM 231, 321)	4
MATH	120	Trigonometry (MATH 115)	3
PHYS	211	Introductory Physics 1 (MATH 120)	4
PHYS	212	Introductory Physics 2 (PHYS 211)	4

ADDITIONAL GRADUATION REQUIREMENTS

Students must

- maintain a 2.00 cumulative FSU GPA
- have 15 credits of Ferris classes (FSU Residency requirement)
- have a minimum 60 total credits to earn an associate degree

Industrial Chemistry Technology – Associate of Applied Science - 60 Credits**Semester-by-Semester layout of classes****FIRST YEAR****Fall Semester**
