| <p>Bylaws</p> <p>Mary Hanson</p> | <p>Mary Hanson reported that the July Motion of adding the “Incorporation” to MHSLA’s Bylaws has been handled. On September 13th, 2004, 30 days out prior to the Annual Business Meeting, a mass mailing was sent to the General Membership in order to notify them of the MHSLA Bylaws proposed revisions.</p> <p>As a premise to discussing the issue of the language contained in Bylaws Article III B 3, Mary Hanson reported that she has received two shipping boxes that contain almost all of the current Parliamentary procedure books the in <i>Roberts Rules of Order</i> series that were available through Amazon.com.</p> <p>Joan Emahasier explained that at the last Board Meeting she charged the Bylaws Committee to come up with language to better clarify Article III B 4.</p> <p>Joan Emahiser stated that the language recommendations that the Bylaws Committee posted to the Listserv on 9/08/04 in the effort of fulfilling their assigned charge, should not be treated as a “Motion”. The Bylaws Committee Chair posted the proposed language to the discussion list because of the timeliness involved in presenting any Bylaw changes to the General Membership 30 days prior to the Annual Business Meeting.</p> <p>As a result of the listserv posting, three business days of electronic discussion emerged.</p> <p>It should be noted that during the process of the electronic discussion on this issue, it</p> | |

| | <p>was determined by the Publication and Technology Committee Chairs that the email voting guidelines stated in the MHSLA Bylaws were grossly inadequate as several technical issues were identified. Acting in the President's absence, President Elect Jennifer Barlow postponed voting and further electronic discussion until the September 21st Board Meeting.</p> <p>The Board Members remained in disagreement over how to handle Article III B 4.</p> <p>Additionally, the Motion that was posted to the MHSLA Listserv on 9/10/04 by Lea Ann McGaugh and tabled until the September 21st, 2004 Board Meeting was ruled "out of order" by President Joan Emahiser on 9/21/04.</p> <p>The Board continued debating the issue at the September Board Meeting with most members presenting their concerns.</p> <p>Joan Emahiser called for a consensus opinion over whether MHSLA should contact our lawyer concerning the issue. It was agreed upon that MHSLA would contact Gary Bender for his professional opinion and legal advice.</p> <p>Additionally, Joan Emahiser reverted the issue back to the Group Purchasing Committee for further discussion with a goal of presenting any Bylaw change on this issue to the General Membership in 2005.</p> | |
| <p>Conference Planning</p> <p>Local Arrangements</p> <p>Jennifer Barlow</p> | <p>Jennifer Barlow reported that her Committee is "ready" for the 2004 Conference held October 13-15, 2004.</p> <p>Registration started slow but has picked up considerably.</p> <p>A publicity email went out to the listserv.</p> <p>Based on the room reservations secured at the Radisson Hotel in Kalamazoo, the Hotel Conference rate/price goal has been reached.</p> <p>11 Vendors have been secured and \$3300 has been promised in vendor contributions to</p> | <p>Publicity Chair will send out a reminder email to listserv.</p> |

Members can send documents through the email as a word document.</p> <p>Local Arrangement Publicity chair will send periodic email reminders to all MHSLA Members in order to remind Membership to print out all annual reports from the MHSLA website prior to coming to the Conference.</p> | |
| <p>Education</p> <p>Cathy Eames</p> | <p>Cathy Eames reported that MLA teleconference will be presented on September 22, 2004 and is titled “ the Art and Practice of Electronic Journal, Book, and Database Licenses: Practical Tips for Health Care Organizations” . Four sites will participate.</p> <p>It was suggested that MHSLA’s role within the registration process for the MLA teleconference needs to be re-clarified. Main issues to be addressed include: the process in which the MHSLA Membership is informed about teleconferences; whether MHSLA and the Education Committee need to be involved in the coordination of the various statewide site location selection process.</p> <p>Arlene Weismantel suggested that after the GMR teleconference site selection process is completed, MHSLA could offer to sponsor an interested site which had not been selected / sponsored by the GMR.</p> <p>Twelve applications were submitted for the MHSLA Annual Education Conference. The three winners include:</p> <p>Student Scholarships - Poonam Prasad, WSU; Mallanye Lackey, U of M.</p> <p>Membership Scholarship - Susan Wischman, Munson Healthcare.</p> <p>Seven poster presentations have been accepted for Conference exhibit and will also be listed in the final program.</p> <p>The Conference Planning Committee will address questions over how to apply conference fees to speakers, panel participants and poster presenters. These questions</p> | <p>Mike Simmons will contact Education CE Coordinator for MLA, Kathy Gaydos Combs, for the projected yearly schedule of MLA teleconferences.</p> |

| <p>Membership Susan Kendall</p> | <p>Susan Kendall reported that as of fiscal year 2004, MHSLA has 77 Institutional Members and 92 Personal Members. In 2003 MHSLA had 97 Institutional and 104 Personal Memberships. Consortia arrangements were identified as a possible predictor for the distinct change in membership types.</p> <p>Susan Kendall posed the question of Membership Pricing to the Board. Do we want to raise dues? The Board was in unanimous agreement to leave the pricing as is at \$45.00 for Institutional and \$15.00 for Personal.</p> <p>Mike Simmons stated that MHSLA dues have not been raised in the past ten years and noted that this was outstanding considering the huge increase in Member services and benefits.</p> <p>Susan Kendall was asked to write a paragraph about the pricing for the MHSLA Newsletter.</p> | <p>Susan Kendall will write a paragraph about the Membership pricing of MHSLA for <i>MHSLA News</i>.</p> |
| <p>Nominating Michael Simmons</p> | <p>Mike Simmons reported that the MHSLA Ballots were mailed out in accordance with the MHSLA Bylaws. Return Ballots must be postmarked by 9/24/04 to be counted.</p> <p>Mike Simmons reported that President Joan Emahiser must appoint at least two MHSLA members to the Elections Committee by 10/04/04 – 10/11/04.</p> <p>Results from the Ballot count will be submitted to the President no later than four days prior to the Annual Business Meeting. Any MHSLA Member is invited to witness the ballot count.</p> <p>Great attention to detail was given to the creation of and the mailing process of the MHSLA ballots. Several steps were taken in order to ensure accuracy and authenticity. A list of recommendations will be submitted to the MHSLA Board for future consideration of the election processes and procedures. | <p>Publications</p> <p>Arlene Weismantel</p> | <p>Arlene Weismantel reported that the Committee has published issue number 76 of the <i>MHSLA News</i>. The newsletter was mailed to the membership as well as being posted to the MHSLA website.</p> <p>The MHSLA website was updated and Conference related materials were also posted to the website (not annual reports).</p> <p>The MHSLA electronic discussion list has been diligently maintained.</p> <p>It was deemed that the following text warranted a “cut and paste” from the original Publications Committee Chair report so that it could be read / acknowledged in it’s complete context.</p> <p>It reads as follows:</p> <p>The MHSLA Board has attempted to conduct business through the Board’s electronic discussion list in the past month. This attempt has highlighted some technical problems that directly affect the ability of the Board to successfully transact business. Mike Simmons, the list manager, has reported error messages indicating that Board members did not receive all messages pertinent to the business being discussed. These error messages indicated that the President-Elect, who was acting as President because the President was out of the country, did not receive the entire discussion of the issue. In addition, the Mid-Michigan representative did not receive all messages pertinent to the issue at hand. These problems were based at the Board members’ home institutions, were erratic, and were not under the control of the list manager. When a Board member is unable to attend a Board meeting in person, they understand that their vote will not be recorded. This is not the case with e-mail voting. A Board member’s vote may not be recorded because they did not receive the appropriate messages, but they may have had passionate feelings about the issue being discussed and feel that decisions were made inappropriately in their absence. The Board needs to revisit the appropriateness of transacting business through the discussion list to</p> | |

| | <p>avoid future misunderstandings.</p> <p>In addition, the rules governing business via electronic discussion list explicitly state that business will be conducted via the Board list, not through members' personal e-mail distribution lists. Since the list does not permit e-mail attachments, Board members have inadvertently replied to e-mail with attachments, therefore using personal e-mail distribution lists to conduct business. This can be problematic because personal lists may not always be accurate and error messages do not reach the list manager.</p> <p>Arlene Weismantel, Publications Committee Chairperson</p> <p>Committee Members: John Coffey, Susan Kendall, Michael Simmons</p> <p>The Board decided not to use the Email Voting procedures adopted in 2001. Jennifer Barlow will review the process in the near future.</p> <p>Mike Simmons asked Board Members to be cautious when sending out email to the listserv using personal email address books. This process is frequently done when attaching a document. Mike warned that not all Board Members are receiving these emails. Mike Simmons will redirect this email to the Board Listserv.</p> | |
| <p>Research</p> <p>Lea Ann McGaugh</p> | <p>Lea Ann McGaugh submitted an update on the Final Report for the NLM Ariel Grant which is in the process of being written by the grant originator.</p> <p>It was reported that the MHSLA Research Committee's report on the Ariel Survey will be quoted extensively. The report will also be included within the Final Report when it is submitted to NLM.</p> | |
