**Ferris Gallery to show Battle travel photographs**

BIG RAPIDS – Ferris State University faculty member John Battle will exhibit his travel photographs from France, Japan and various regional locations on March 15-31 in the Rankin Art Gallery. The show is open from 11 a.m. to 4 p.m., Monday through Friday.

Recalling one of his French photos, Battle said, “I saw a good shot of the Eiffel Tower. The top half of the tower was lost in fog, and the whole scene was set in the amber glow of a Paris winter evening.”

The languages and literature instructor has been featured in several previous exhibitions at the Rankin Gallery. His exhibit is free and open to the public.
