BIG RAPIDS – Four alumni of Ferris State University will be honored during special ceremonies at the annual Spring Reunion on May 5 in the Holiday Inn Hotel and Conference Center.

Chosen to receive Ferris Distinguished Alumnus Awards are Richard “Dick” Dolack of Muskegon, retired pharmacist and National Football League official, and Randy Seaman of Lowell, president and CEO of Seaman’s Air Conditioning & Refrigeration, Inc., in Grand Rapids. Selected for Pacesetter Awards (graduates of 12 or less years) are Mark Guindon of Linden, district sales manager for Eli Lilly & Company, and Michael Pung of Mt. Pleasant, director of the Mt. Pleasant Area Technical Center.

The Distinguished Alumnus and Pacesetter Awards are bestowed by the Ferris Alumni Association to recognize exceptional career success, outstanding public service contributions and noteworthy fidelity and devotion to the University. Recipients are picked by the Alumni Association’s Distinguished Alumni Awards Committee.

In addition, the University will induct members of the Class of 1955 into the Golden Eagle Society and recognize those in attendance from the Class of 1965. Cost for the event, which begins at 6 p.m., is \$25 per person. Reservations must be made by April 28 by calling the Alumni Office at 231-591-2345.
