FERRIS OUTSTANDING STUDENT – Marc Schlichting of Whitehall has been selected to receive the Outstanding Student Award in the Automotive Engineering Technology Program at Ferris State University. Schlichting (right), shown with department chair Greg Key, was honored for his academic and professional achievement, including his involvement in student organizations. Ferris' Automotive Programs are comprised of associate degrees in Automotive Service and Auto Body and baccalaureate degrees in Automotive Engineering Technology and Automotive and Heavy Equipment Management. There are two certificate programs in Performance Machining and Performance Motor Sports.
