

Encourage Faculty Not To Park In Student Lots - Resolution #05-03-03

February 16, 2005, introduced by Ronald Lovelace, College of Business Representative, and supported by Mike Mignano, Entertainment Unlimited Representative.

A RESOLUTION TO: Call upon the university to encourage faculty, staff, and administrators to park in their assigned lots.

THE STUDENTS OF FERRIS STATE UNIVERSITY RESOLVE:

Whereas, parking is a large student concern at Ferris State University, and

Whereas, students are ticketed by the Department of Public Safety for parking in faculty, staff, and administration assigned parking lots; and

Whereas, faculty, staff, and administration are not ticketed by the Department of Public Safety for parking in student assigned parking lots; and

Whereas, this creates frustration for students and feelings of unfair parking treatment by Ferris State University and the Department of Public Safety; and

Whereas, students have expressed their concerns to their representatives on student government; be it

Resolved, that Ferris State University work with the Department of Public Safety in encouraging all Ferris State University faculty, staff, and administrators to park in their assigned lots and avoid parking in student assigned lots.
