

FERRIS STATE UNIVERSITY

ACADEMIC SENATE

To: Vice President of the Academic Senate, Ferris State University

From: George Nagel, Chair, Faculty Research Committee, 2006-07

Per: Annual Report of the Faculty Research Committee

The committee awarded \$10,000.00 to two of the seven proposals submitted to the committee. One additional proposal was referred to the Professional Development Committee. Each proposal was thoroughly evaluated by individuals and teams and then discussed and ranked before the entire committee. At a minimum, each proposal must meet the criteria enumerated in the application form. Each proposal met the minimum criteria, and several exceeded the criteria.

Dr. Clifton Franklund received partial funding for his proposal entitled, **Lipopolysaccharide Sialation in Fusobacterium Nucleatum**, for the purchase of equipment. He received \$2,100.00.

Dr. James Hoerter received partial funding for his proposal entitled, **Melanoma and Skin Stem Cells**. He received \$7,900.00.

Genevieve Weston requested and received an extension on her proposal of last year.

The participation and expertise of the committee members is commendable. It is a privilege to serve on this committee.

Respectfully,

George Nagel Ph. D.
