Nominating Committee - Timetable

The Bylaws stipulate that the proposed slate of officers for MHS LA must be ready 120 days prior to the election. This means that the 1983/84 slate must be compiled by June 14, 1983. The proposed slate is then mailed to the Executive Board members for comment. They have two weeks to respond to the President. Upon acceptance of a slate by the Executive Board, the Secretary then mails the slate to the membership.

Deadline for petitions for any elective office accompanied by biographical data must be sent to the Chair of the Nominating Committee by July 14, 1983.

The Secretary will mail the ballots to the Membership by August 27, 1983 (45 days prior to the Annual Business Meeting). Ballots must be returned to the President by September 28, 1983 (ballots not postmarked two weeks prior to Annual Business meeting will not be accepted and will be destroyed).

The projected deadline for the Nominating Committee to have the ballot, biographical information, etc. to the Secretary for mailing is August 5, 1983.

Ballots will be counted at the October Conference Executive Board meeting. Results will be announced at the Annual Business meeting.
