Dear Barbara,

Greetings from Midland! I will be leaving Friday for MLA in Montreal and will not be back until June 11, so I decided to write to you with an update regarding: Committee to Study the Medical Library Association (MLA) Chapter Application. Now that we have given the MHSIA members an opportunity to respond to us regarding their positions, it is time for our committee to develop the fact sheets for the fall newsletter. I have briefly outlined our planning for the summer with deadlines to meet:

- Attached are copies of materials on the MLA Chapter issue for your information, please review.
- Please let me know what response you have received from the members whether it is phone, in person, or by mail. You can call me in June on this item.
- Draft a fact sheet on the PRO position for this issue. Send the draft to Jeanne and to me for comments. We will be including a one page fact sheet for the September issue of the MHSIA newsletter. Mary McNamara has a deadline of August 1, 1981 for submitting material for the newsletter. Please send your draft of the PRO position to us no later than June 30.
- Comments regarding the PRO position will be reviewed with you by July 10. The final copy of the PRO statement should be ready by the July 27, and final copy will be mailed to Mary the last week of July.
- I will be attending the business meetings in Montreal to find out what is going on with Chapter and Sections in MLA. I will also be calling the Ad Hoc Committee on MLA Group Structure Implementation.

Please call me immediately if you have any questions regarding our planning and schedule above. I will send a copy of this to Millie Kingsbury so she will be informed of our committee planning for this summer. My phone number is: 517 631-7700, ext 116.

Sincerely,
