Dear Mildred:

This is to let you know in writing that I will be sending you my annual report for the Publication Committee in time for the September 10 Board meeting. As I mentioned to you by phone I will retire September 4 and will be out of the city during October. I have asked Cathy Helbers to add anything she may think appropriate to the report and to read it at the annual business meeting. She has agreed. We will see that the fall issue of the newsletter is in the works before I depart.

I spoke to Carole Colter and she will send me her report for the Committee to Study MLA Chapter Application. According to Carole it is lengthy and will take quite a bit of space in the News. I also have written to Janet Parsch for a report on the Ad hoc Committee to Study MHA Affiliation and to Lynn Sorenson about her report on the state-wide union list committee. These three committee reports (if I receive them soon after August 1) may be about all we need for the newsletter. Can you send me your President's message about the same time.

I spoke with Jim Shedlock and he agreed that we should have the newsletter in the works late in August. Then it will have returned to Detroit about the time you meet on September 10. He will write his summary of the Board actions over that week-end and have it as an added in this issue. The newsletter should then be in the mail about September 14. The members should receive it in plenty of time before the annual business meeting.

Sincerely,

 Mary E. McNamara, Chairman
 Publications Committee
