Dear Carol:

You may have heard from Doris Asher by this time regarding the non-profit status of the organization for postage. It appears we will not have the matter resolved when the first issue of the newsletter is ready for distribution. Consequently, we will be paying 15¢ for each copy mailed. In light of this, shall we limit the number mailed to the members - or shall we plan to include those attending the Ann Arbor conference, but not members. *

If the latter idea still stands we need an up-to-date listing. I have talked with Barb Kormelink who will send me whatever list she has from the conference; but as I understand, the list does not include addresses. I will appreciate Robin notifying me about new members until the list "settles down". *

We have had fairly good response to our request for material for the first issue and hope to have things further along by February. *

We look forward to your contribution in the next week or so.

Sincerely,

Mary E. McNamara, Chairman
MHSLA Publications Committee
