The Publication Committee continued the work as begun by the Committee in past years. Because of problems with the printer, only two issues of the MHS LA News have been published this year. The Committee is considering a post-conference issue to make three issues in 1982 and to get news from the conference into the hands of members in a more timely fashion.

The Directory for MHS LA was received very favorably by the membership last year and the new Directory is almost ready to be printed. It is expected that the directory will be most useful if new officers are listed and therefore, publication will take place after the election of MHS LA officers at the annual meeting in October.

The Chairperson of the committee wishes to thank Jae Walker, Cathy Helbers, Nancy Fitzpatrick, and Carole Colter as well as the members who volunteered their time to write articles for the News.
