Dear Leslie:

I have agreed to serve as Chairperson of the Ad Hoc Committee to study the Bylaws for the state association. Millie Kingsbury has informed me that you will serve on this committee. I am in the process of reviewing the Bylaws to determine the problem areas that may need to be updated this year. Cathy Constance has also agreed to work on this committee. We can plan to take care of any committee work by arranging a conference call with the phone company.

I look forward to working with you on this committee and will get in touch with you later on this month.

Sincerely,
