**REPORT**

The collection of materials for the Archives of Michigan Health Sciences Libraries Association continues.

Materials gathered thus far, have been divided according to year, from 1973 through 1981. These materials have been reviewed and subject headed broadly. Planning, registration, financial reports, budget, constitution and by-laws, are but a few of the titles. The plan is to review the headings and refine them, where necessary.

Albums containing portraits and curricula vitae of Association Presidents, past and present and Presidential Addresses have been started. Other pictures taken at Michigan Health Sciences Libraries Conferences have also been placed in an album.

A budget has been set up for the Archives.

MHSLSA continues to request materials relating to the history of the organization for safekeeping, in the Archives. Please check your files for materials.

Respectfully submitted
