Consortium

Valley Regional Health
Science Librarians

Western Michigan Health
Sciences Libraries
Association

The collection of materials for the Archives continues.

Materials are stored in portable pendaflex file boxes, separated according to the year of activity.

Minutes of the Executive Board and Conference Committees, programs, educational items, reports of Ad-Hoc Committees are but a few of the items stored.

Portraits of each succeeding President, along with curricula vitae are stored in photo albums. Pictures of the general membership attending the yearly educational conference are also placed in a photo album for safekeeping.

There are gaps in the collection, particularly in the earlier years of the Association's existence. Please check your desk drawers for any items which should be stored in the Archives, and send them to me.

Respectfully submitted,

Helen Howley
