### **Special education endorsement meetings scheduled**

BIG RAPIDS – Informational meetings about special education endorsement for teachers are being held in Traverse City on Monday, Oct. 17, at 4 and 6 p.m. at Northwestern Michigan College in Room U219.

With an increase in demand for special education learning over the past decade, the special education endorsement will be geared toward certified teachers who want an additional endorsement in an area of special education but also students interested in extending their studies into a specific area of special education.

The endorsement offerings will begin during the winter semester and will allow teachers and students to choose between two concentration areas: “Teachers of Students with Learning Disabilities” or “Teachers of Students with Cognitive Impairments.”

For more information about this program, call Ferris State University’s Northwestern Michigan office, at 866-857-1954.
