The Education Committee's primary accomplishment during the past year was to provide substantial input to the Board and the Conference Planning Committee regarding the programs and its format for the 9th Annual Conference. The increased involvement of the Education Committee in this regard was due to the change in the MHSLSA Bylaws which more carefully delineated the charge to the Committee. This augmentation of responsibilities has been a logical one. Activities of the Committee are detailed below.

ACTIVITIES

1. January 20, 1982 - James Crooks, Beth Robertson, Faith Van Toll, and Janet Parsch met to brainstorm about the workshops and format for the 1982 Annual Conference. The recommendations were submitted to the Conference Planning Committee and the Board.
2. February 19, 1982 - Dorothy Crist, Carole Colter, Beth Robertson, and Janet Parsch attended the Conference Planning meeting to provide additional input on ideas for the Fall Conference.
3. January 22, February 19, March 19, May 7, 1982 - Janet Parsch attended the Board and Conference Planning meetings to represent the Education Committee and to provide input for planning the conference.
4. July 2, 1982 - The Education Committee members were asked to respond to the question of MHSLSA's membership in MICCLE in view of the response from MICCLE on the 4 applications which had been submitted for CEU credit for the Annual Conference.

Our thanks and appreciation are extended to James Crooks, who served as Chairperson of this Committee through January 20, 1982.

Respectfully submitted,

Janet Parsch
Chairperson
