Subject: Proposal to Have MHSLA Education Committee Chairperson Serve as MICCLE Representative

It is the recommendation of the Education Committee to have its Chairperson serve as the MHSLA representative to the Michigan Interorganization Council on Continuing Library Education (MICCLE), to begin November 1, 1982, when Faith Van Toll's present term as MICCLE President expires.

The following reasons are given to support this recommendation:

1. Having 1 person serving in both capacities will eliminate any oversight and confusion in conveying vital information regarding both functions.
2. It's usually the case that the MICCLE representative from the member organizations in MICCLE is the person responsible for the education committee. MICCLE highly recommends this arrangement.

The appropriate changes in the MHSLA By-Laws would be:

Article IV. Section 1.D.5

...The Chairperson shall also serve as the Representative to the Michigan Interorganization Council on Continuing Library Education.

Thank you for your consideration of this matter at a future MHSLA Board meeting.
