

MHSLA Education Committee

Annual Report

1983-84

The Education Committee's primary task during this year was to prepare a suggested list of programs/workshops to be offered at the annual conference and to submit this list to the Board and the Conference Planning Committee for consideration and approval.

Activities of the Committee were:

1. January 18, 1984 - Met to brainstorm ideas and to discuss possible speakers for specific workshops. Worked with a time schedule given to the Committee by the Conference Planning Committee. Reviewed last year's evaluations and assigned tasks to specific members.
2. April 25, 1984 - Met to resolve problem concerning Medline Update and to discuss a theme for the Lansing conference in 1985.
3. Chairperson, Bonnie Swegles attended Conference Planning Committee meetings and Board meetings to convey the Committee's work.

Respectfully submitted,

Bonnie J. Swegles
