Publications Committee Annual Report

September 1984

Members: Doris Asher, Chair  
Mildred Kingsbury, Editor  
Judy Coppola  
Barbara Kormelink  
Alice Ketchum

Three issues of the MHS LA News have been published; photo/graphics were added to the Spring and Summer issues.

The Editor recommends investigating a new printing firm to handle the 1985 Newsletters as the Michigan Hospital Association staff have MHA work priorities and have very little time for "outside" organization work.
