Ferris Sigma Pi Fraternity raises funds for cancer society

BIG RAPIDS – Sigma Pi Fraternity members will be turning Ferris State University’s Campus Quad into a playground beginning at noon on Sept. 12 with its fifth annual Teeter-Totterathon to raise money for the American Cancer Society. The fund-raiser runs through noon on Sept. 14.

Raising \$4,000 for the non-profit organization in 2005, the chapter hopes to collect \$10,000 this year, said Ryan Hardy, Sigma Pi Risk Management chair.

“Sigma Pi Fraternity feels this is a great cause because all chapter members have been personally affected in one way or another by cancer,” Hardy said. “It only seems fitting the chapter choose the American Cancer Society as the benefactor of Sigma Pi’s philanthropic activities.”

To make a donation, contact Hardy at hard27@fsuimail.ferris.edu or (616) 540-8239. Tax-deductible donations may be made out to Sigma Pi Fraternity. Walk-by donations will be accepted on the Campus Quad during the 48-hour event. Chapter members will present a check to an American Cancer Society representative on Sept. 16.
