

Librarian's Meeting Notes  
January 22, 2004  
11:00  
Room 442

Attending: Lean Monger, Jessica Rush, Paul Kammerdiner, Ann Breitenwischer, Scott Atwell, Rick Bearden, Carrie Forbes, Anne Kelly, Joe Weber, David Scott, Keith Upton

### **Business**

- Group began discussion of the Liaison document updated by Carrie, Melinda and Jessica.
- One minor change on bullet point 4 on page ii. Change "inappropriate" to "unneeded"
- The same group will work on a document to post on the web site for others to view. They will bring that document back to the group as a whole before this is done.

### **Announcements:**

#### **Rick**

- Rick commended Paul for his work on the database annotations. They now are a rollover instead of the little info button.
- The alphabetical page will be broken up into 5 "segments" The current length of the page makes the rollovers distasteful in appearance. This brought on a discussion of the appearance of the pages.

#### **Paul**

- Opposing viewpoints. These will be cancelled in print, but many of us receive print catalogs if we wanted to order any in print on an individual title basis. The three day checkout will be changed to three week as well.

#### **Keith**

- Asked if there were any questions on GOBI.

#### **Joe**

- The call numbers for periodicals will be suppressed.

Meeting adjourned at 11:50 with no objection

Respectfully submitted:

David Scott
