

FERRIS STATE UNIVERSITY

# FACT BOOK

2002-03

Institutional Research & Testing  
FERRIS STATE UNIVERSITY

January 2003

Dear Colleague:

The *Ferris State University Fact Book* is a project conducted as a service to the University community by the Office of Institutional Research and Testing in the Division of Student Affairs. This eleventh edition is a document that is designed to answer the most frequently asked questions about FSU.

In response to faculty and staff suggestions, we have enhanced the 2001-2002 *Fact Book* to include several new items, such as

- Percent of students by ethnicity, page 37
- Pages numbered consecutively
- Retention rates, page 61

Our appreciation is extended to the many offices that assisted us with the development of the information. Please don't hesitate to contact us if you have any questions. Thank you.

Nina Worth

# GENERAL INFORMATION

## **MISSION STATEMENT**

Ferris State University will be a national leader in providing opportunities for innovative teaching and learning in career-oriented, technological and professional education.

## **HISTORY**

Ferris State University is recognized for its career-oriented educational programs that are designed to meet the technology and work force demands of business and industry, the health-care professions, and society in general through applied research and practical education. Founded in 1884 on the concept of providing students with marketable skills, Ferris was established by Woodbridge N. Ferris (1853-1928), a distinguished Michigan educator and politician who served two terms as the state's governor and was elected a United States senator. Ferris was a private institute until 1950, when it joined the state higher education system. The college obtained university status in 1987.

**CAMPUS SIZE**                      800 acres

**ACADEMIC DIVISIONS**

- College of Allied Health Sciences
- College of Arts and Sciences
- College of Business
- College of Education and Human Services
- Kendall College of Art and Design
- Michigan College of Optometry at F.S.U.
- College of Pharmacy
- College of Technology
- University College
- College of Professional and Technical Studies

# **GENERAL INFORMATION**

## **LOCATION**

The Ferris State University campus is located in Big Rapids, a west central Michigan city of approximately 12,600 in the vacation-recreation region. In addition to being home of Ferris State University, Big Rapids is the county seat of Mecosta County. The campus is readily accessible by the US-131 expressway and state highway M-20. Big Rapids is 55 miles north of Grand Rapids and within 200 miles of Chicago and Detroit.

In an effort to keep pace with changing needs and advances in technology, the Ferris campus has been updated and renovated over the years. The 800 acres of rolling hills along the western bank of the Muskegon River is dotted with 115 modern campus buildings.

## **EDUCATIONAL PROGRAMS**

Ferris offers more than 150 educational programs through the Colleges of Allied Health Sciences, Arts and Sciences, Business, Education and Human Services, Kendall College of Art and Design, Pharmacy, Technology, Michigan College of Optometry at Ferris State University, and University College. These offerings lead to bachelor and associate degrees and certificates and master degrees in Information Systems Management, Career and Technical Education and Criminal Justice. Doctorate degrees in Optometry and Pharmacy are also offered.

Each college encompasses a cluster of related programs that are targeted to prepare students for specific careers. The colleges operate in facilities that have been specially designed and equipped to support their missions.

Ferris is a national leader in the development of the concept of laddering, which enables students to advance their careers by building on previous training. For example, an individual who has gained employment after completing a two-year degree may later seek career advancement by returning to Ferris and earning a bachelor degree. This concept also permits students to readily transfer into Ferris programs.

## **ADMISSIONS**

The current admission policy for new students requires all freshmen students to complete the ACT/SAT test prior to being granted admission to Ferris State and requires students to demonstrate they meet program entrance requirements either by earning a specified high school GPA or by having a ACT composite score that meets the prescribed standard for the university. Grades, ACT/SAT scores and all other facts included in the application will be considered.

## FERRIS STATE UNIVERSITY ACCREDITATION

F.S.U. is accredited by The Higher Learning Commission of the North Central Association

### Accrediting Agencies

American Council on Pharmaceutical Education  
Council on Optometric Education

## **GENERAL INFORMATION**

### **STUDENT COSTS**

The average annual cost for a Michigan resident to attend Ferris (based upon 2002-03 rates), including tuition, room and board, fees, estimated academic and personal expenses, is \$14,222.

<b>2002-03 Costs</b>	<b>Semester</b>	<b>Year</b>
<b>Undergraduate (Michigan resident)</b>		
Tuition (12-16 credit hours)	\$2,667.00	\$5,334.00
Room and Board (19 meal plan)	\$2,984.00	\$5,968.00
Sub Total	\$5,651.00	\$11,302.00
Books and Supplies (estimate)	\$442.00	\$884.00
Personal Expenses (estimate)	\$959.00	\$1,918.00
Refundable Fees*	\$59.00	\$118.00
Total Expenses (estimated)	\$7,111.00	\$14,222.00

\*If requested, the Racquet Facility fee, Student Activity fee and Health Center fee will be deleted from the student's account. Cash refunds will only be granted for the Racquet Facility fee and the Student Activity fee if the student's account is paid in full.

<b>Undergraduate (non-resident)</b>		
Tuition	\$5,413.00	\$10,826.00
<b>Undergraduate (non-resident MSEP)*</b>		
Tuition	\$4,004.00	\$8,008.00
<b>Part-time Student (1-11 credit hours)</b>		
Michigan Resident	\$223 per credit hour	
Non-Resident	\$452 per credit hour	
Non-Resident MSEP*	\$335 per credit hour	
<b>Graduate Student</b>		
Michigan Resident	\$287 per credit hour	
Non-Resident	\$567 per credit hour	
Non-Resident MSEP*	\$430 per credit hour	

\*Students are eligible for the MSEP (Midwest Student Exchange Program) rate if they live in one of the following states: Illinois, Indiana, Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, Ohio, South Dakota, Wisconsin. This tuition reduction program is not available for students enrolled in Doctor of Optometry, Doctor of Pharmacy, and Professional Golf Management.

### **Professional Tuition**

(Doctor of Optometry & Doctor of Pharmacy)

Michigan Resident	\$ 5,300.00/semester	\$10,600.00/year*
Non-Resident	\$10,555.00/semester	\$21,110.00/year*

\*NOTE: The tuition for fourth professional year students in the Doctor of Optometry program is \$15,900.00 for Michigan residents, \$31,665.00 for non-residents. The year runs all three semesters.

<b>Family Apartments</b>	<b>12 month contract</b>
One Bedroom	\$6,210.00
Two Bedroom	\$6,912.00
Two Bedroom (townhouse)	\$7,620.00
Three Bedroom (townhouse)	\$8,328.00

### **Optional Meal Plan**

Room and Board (12 meal plan) \$5,682.00

Other meal plans available for non-traditional and deluxe halls.

## **GENERAL INFORMATION**

### **HOUSING**

Ferris State University residence halls provide environments that are clean, comfortable, safe and conducive to support the academic mission of the University. Living in the residence halls enhances the classroom learning that takes place at the University.

Through exposure to other points of view, experiencing diverse populations and living in a community, residents learn coping skills and experiment with responsible decision-making in a safe environment.

A variety of housing and dining options exist to allow students the opportunity to create the environment in which they feel most comfortable. Services include computer labs and Ethernet connectivity in each residence hall room, a choice of private rooms, substance free living, the first year experience and other themed housing opportunities. Cable television is provided in each room with access to numerous channels including movie channels. Washers and dryers are located on virtually every floor and cooking facilities are available in every hall. Students are provided telephones with individual long distance access codes for personalized billing of long distance charges. Local and campus calling is free. Mail is delivered to each residence hall lobby and express delivery, flowers and packages are delivered to the hall front desk. Video games, board games, large screen televisions and hall-sponsored activities are available in each residence hall lobby. In addition, each residence hall provides a computer lab for residents' use. Labs are networked to a laser printer that is also available via the network from student's rooms as well.

Living in the residence halls is an educational endeavor. Professional and student paraprofessional hall staff is trained to provide social and educational programming aimed at building cohesive communities on each floor called "houses." While hall staff is in place to assist in maintaining community standards, assist students in their transition to college, provide individual assistance as needed as well as making referrals to appropriate campus resources; residents are reminded that maintaining community standards is a shared responsibility by all. As a member of a community, each resident is expected to adhere to community standards, and take steps to maintain the positive community atmosphere most suited for academic excellence. Students are encouraged to take an active role in the governance of their living environments, including making decisions regarding the use of social activity funds collected from each student. In addition, student governance in the residence halls helps shape residence hall policy and provides a means by which student opinions can be heard. Leadership experience gained through these opportunities proves invaluable to future employers. Residents are also provided challenges aimed at personal growth and development. Learning to live in a diverse environment provides supplemental education aimed at full preparation for life after college.

The University apartments consist of the west campus townhouses, and the east and south complexes. The west campus complex has 150 two bedroom and 50 three bedroom unfurnished townhouses which are designed to provide a neighborhood atmosphere to students with families. Fully accessible townhouses are also available for students with disabilities in which the entire living area is on the ground floor, including laundry facilities.

The east and south complexes consist of 188 one and two bedroom units. They are designed for single students and have laundry facilities in each building.

All apartments provide computer network connections to access the Internet, library and the University mainframe. Telephone and cable television connections are also provided. A community center in the center of the west campus complex houses a computer lab, meeting rooms and a large multipurpose room where educational, social community and children's programs are held.

## **GENERAL INFORMATION**

### **FINANCIAL AID**

More than 75 percent of the students presently enrolled at Ferris State receive some type of financial aid through federal, state and Ferris programs, including scholarships, grants, loans and student employment. Ferris State University awards more than \$52 million in student aid annually.

Financial aid is primarily based on financial need and is intended to assist students whose families lack the total resources needed to pay for college. Information on financial aid programs available at Ferris may be obtained by contacting the Office of Scholarships and Financial Aid at 1-800-940-4AID or via the Internet at [www.ferris.edu](http://www.ferris.edu) and “Quick Link” to Financial Aid.

### **CAREER RESOURCES AT FSU**

A Ferris State University career-oriented education is complemented by comprehensive career resources available from the Educational and Career Counseling Center, staffed with educational counselors, and the Career Services office, staffed with job search specialists. Students may register for CARE 102, *Career & Educational Planning*, or CARE 201, *Job Search Success*.

### **CAREER SERVICES**

The Career Services Office assists students with their career development and job search by utilizing the web. The office maintains a career and an employer library for students exploring career options and employment opportunities. e-Recruiting, a state-of-the-art internet-based software package gives students/alumni their own personal web site to create/upload their resume to forward to Career Services for inclusion in a candidate database. Students/alumni can view job postings, sign up for on-campus interviewing on line or view their own schedule of events to keep on track with their job search. There is a whole array of other career-related information on the Career Services web site accessible at [www.ferris.edu/careerservices](http://www.ferris.edu/careerservices).

Career Services hosts over 200 employers per year for on-campus recruiting and 400+ attend the biannual job fairs held each year. Annual studies of employed alumni indicate that 90% are employed in occupations related to their major field of study at Ferris and 98% of graduates are working or continuing their education. Ninety-seven percent of graduates seeking employment found jobs. All seven colleges had a 96% or higher placement rate. A FLEX for Success - Professional Career & Leadership Conference is held each semester, and classroom presentations, walk-in resume review hours, career consultations, and mock interviews help give students both immediate and comprehensive assistance in meeting their career goals.

## **GENERAL INFORMATION**

### **EDUCATIONAL AND CAREER COUNSELING**

Educational counselors provide information on all academic programs in Ferris's undergraduate colleges. These counselors are located in the colleges of Allied Health Sciences, Arts and Sciences, Business, Education & Human Services, and Technology.

In addition to providing academic counseling, educational counselors in the Educational and Career Counseling Center (ECCC) located in STARR 313, help students to identify and overcome obstacles to their academic success and offer assistance in making career choices. Finding the right career depends on several factors. Two strong factors are personality and interests. Students can receive information in these areas by taking the Myers Briggs Type Indicator and the Strong Interest Inventory through the ECCC in STARR 313. A licensed counselor interprets the results with the student and provides information on careers that are aligned with the student's personality, interests, values, and skills.

### **COMPUTING AND TELECOMMUNICATIONS FACILITIES & SERVICES**

A high-speed, wide-area network provides broad campus access to academic servers, the Internet, and other computing resources such as the FLITE Library. Each of the 3,000 residence hall rooms and University apartments has Ethernet connections. Every residence hall is equipped with a computer lab. In addition, there are large computing laboratories available to students in various locations on the Ferris State University campus. Residential Network Support (RNS) provides installation of a network card for on-campus students, copies of Microsoft Office and FrontPage, and checkout of selected Microsoft programs. The University operates a Nortel Private Branch Exchange for voice services. Remote data access to the Internet and campus facilities is available for all faculty, staff and students. Fiber optic, broadband, twisted pair and wireless networks are utilized to provide services for voice, data and video. The University's IBM enterprise server supports online processing for academic and administrative users. Lotus Notes electronic mail and calendar service is available to faculty and staff. Imail electronic mail is offered to students on and off campus. The Ferris Web site (<http://www.ferris.edu>) provides information about the University and is used to support student Web services. The University portal, Campus Pipeline, links products such as Student, Faculty, and Employee Web Services as well as WebCT with capabilities of the Internet to create a customized campus experience.

### **STUDENT AFFAIRS**

The division of Student Affairs provides a variety of services for students through the following departments: Birkham Health Center, Career Services, Counseling Center, Enrollment Services, Minority Affairs, Rankin Student Center, Student Leadership & Activities and University Recreation. All of these departments work with students to enhance their university experience.

The Office of Student Leadership & Activities helps students use and grow their talents through campus and community involvement. To keep students involved and connected to the University, there are more than 200 registered student organizations (RSOs), including sports clubs, Greek-letter organizations, religious groups, academic societies and professional associations. The Student Volunteer Center refers hundreds of Ferris students each year to area agencies seeking volunteers. A variety of leadership programs are offered throughout the year to help students develop marketable leadership and management skills.

## **GENERAL INFORMATION**

### **ATHLETICS**

The Ferris State University Bulldogs are members of the National Collegiate Athletic Association (NCAA). Varsity teams compete in the Central Collegiate Hockey Association (NCAA Division I) in ice hockey and the Great Lakes Intercollegiate Athletic Conference (NCAA Division II) in all other sports.

Ferris students participate in 15 varsity sports: golf, tennis, basketball, track, cross-country, softball, soccer and volleyball for women; golf, tennis, basketball, track, cross-country, hockey and football for men.

### **INTRAMURAL AND RECREATIONAL SPORTS**

Annually, more than half of the student body participates in organized recreational sports activities, including extensive intramural and club sport programs. Other students participate in informal recreation activities. Ferris provides ample facilities for athletics and recreation, including a Student Recreation Center with pool, weight room, basketball and volleyball courts and indoor track; a golf course; a sports complex including full and half-size ice rinks, additional basketball and volleyball courts; racquetball courts and indoor and outdoor tennis courts.

### **CULTURAL EVENTS**

Concerts by Ferris State Music Center organizations such as the West Central Concert Band, Chamber Orchestra, Jazz Ensemble, Concert Choir, and Ferris Wheels (men's glee club), and productions of the University Theater are augmented by appearances of professional music, drama and dance organizations and other performing arts groups.

The Ferris Art Gallery features exhibits of paintings, prints, photography, sculpture and crafts, as well as special exhibits featuring leading Michigan artists, FSU faculty and students.

The Arts and Lectures Committee offers a schedule of lectures, concerts and films, while Entertainment Unlimited and the Music Industry Management Association present pop/rock and comedy concerts and other events of a contemporary nature.

The Center for International Education's "International Festival of Cultures" brings the world to Big Rapids with students, faculty, staff, and community members presenting cultural displays, performances, and food from more than fifty countries worldwide.

Entertainment Unlimited, the campus programming board, is responsible for coordinating more than 80 student-produced events each year including lectures, comedy shows, films, and live contemporary music performances. The Music Industry Management Association is also involved with helping students get experience behind the scenes of producing live campus entertainment.

### UNIVERSITY CENTER FOR EXTENDED LEARNING

Through The University Center for Extended Learning, Ferris State University *extends* its course offerings, programs, and knowledge beyond the traditional campus in Big Rapids to adult learners. In addition to our regional centers in Michigan, we offer a variety of distance education courses through the web and our interactive video network. Ferris's commitment to lifelong learning also extends to non-credit programs for professional development and training.

- **Statewide Off-Campus Degree & Certificate Programming:**  
Many degrees and certificate programs designed to meet the needs of adult learners are offered at strategic sites throughout the state of Michigan. Programs are administered through regional centers in Northern, Southeast, and Southwest Michigan and courses are delivered in cities such as Clinton Township, Dearborn, Dowagiac, Flint, Jackson, Lansing, Midland, Niles, and Traverse City. Adult learners find earning their degree easy with evening and weekend classes that fit their busy schedules.
- **National and Extended Learning Programs:**  
Extending the reach of Ferris State University beyond the borders of Michigan is the goal of the National and Extended Learning Programs initiative. New to the Extended Learning unit in 2001, plans are being developed to offer Ferris programming at strategic locations throughout the country, including military installations.
- **Corporate & Professional Development Services:**  
Two divisions of Extended Learning offer their services under the umbrella of Corporate & Professional Development Services. These are:
  - **Conferences & Professional Programs (CPP):**  
Our Conferences and Professional Programs team provides conference design and development consultation services that includes planning, strategy, and implementation. To help ensure that programs succeed, CPP staff assist with marketing and promotion, financial management of budgets, contracts, registration, site selection, facilities arrangements, on-site services, and evaluations.
  - **Corporate and Professional Development (CPD):**  
Transfer of knowledge and training to meet the professional and career needs of Michigan's workforce is the central focus of the CPD mission. To this end, Ferris's Corporate and Professional Development Center provides customized education programs and technical assistance for Michigan and beyond. The Center specializes in developing need-specific training programs, technical assistance for manufacturers, and industry-specific certification and testing programs.
- **Charter Schools Office:**  
The Charter Schools Office has the responsibility of overseeing the general operation of the University's 16 chartered public school academies to ensure compliance with their individual contracts, State and federal regulations and are making progress toward meeting their stated goals. The academies serve more than 5,000 students statewide in grades K-12. The majority of the academies are located in lower eastern Michigan, near and around the inner city Detroit area.

## **GENERAL INFORMATION**

### **CORPORATE & PROFESSIONAL DEVELOPMENT (formerly Technology Transfer Center) Division of University Center for Extended Learning**

Ferris State University's Corporate & Professional Development (CPD) has been involved in partnerships to help businesses with solutions to training and industrial process needs since 1984. Over 1,000 companies have taken advantage of the skills and facilities offered.

CPD is known for its ability to partner with business and industry to tackle issues related to custom training, process consulting, certification, and assessment. Through the establishment of custom workshops and public institutes, training and certification needs can be solved at company, state and national levels. Work is accomplished by contracting with the CPD to create the proper partnership between the company, Ferris State University faculty and staff, outside resources, and students to complete the project goals.

CPD offers custom assessment and technical training solutions to company-specific product, process, and equipment to provide business and industry a return on investment of training dollars. Training can be delivered at the training facilities located at the main complex in Big Rapids, the Grand Rapids Campus or at the company's plant site.

CPD facilities are air conditioned and equipped with audiovisual equipment. Computers and related equipment may be provided. Training on hundreds of technical, health, business, science, criminal justice, and education topics are provided. Training may also involve participant assessment and certification as required. CPD has invested in the future of training by creating the capacity for development of computer interactive training for business and industry (custom CD-ROM, interactive television or internet delivery as well as traditional lecture/lab).

In order to keep costs down (through long term delivery methods) and keep training value high (while providing a customized training program) CPD creates custom or standard training modules. These modules utilize computer interactive theoretical training combined with hands-on applied training for a blended teaching approach. This type of training has been successfully completed for Evert Products -Textron to teach plastic injection mold operation, D-M-E Company, Inc. to teach injection mold base technology, custom automated production line training for FIAMM Technologies Incorporated, and Rubber Processing Operator Training nationally for the Rubber Manufacturers Association, industry wide "Manufacturing Safety & Health Training" and "Binocular Indirect Ophthalmoscope" training for optometrists.

New trends in industry show that the new workforce requires more technical training and employers want to pay for skill, not time-in-task. Therefore, certification tools have become an important part of CPD's offerings. A good example of certification is the national training and assessment program developed for the Rubber Manufacturers Association, Molding Operator training packages, and international certification tools for the United Association of Journeymen and Apprentice Plumbers and Pipe Fitters of the United States, Panama, and Canada.

In the area of grant writing services, CPD has been successful in helping gain support for industrial and business projects. In the past ten years, CPD has managed over \$2.7 million in grants. Through the State Workforce Commission-Economic Development Job Training Grants, eighteen companies have obtained a total of over \$1,412,000 in grants to provide needed training to upgrade their workforce. The providing of delivery services has also been completed in many community college held grants.

Corporate & Professional Development provides custom and institute-based training and certification; grant writing services, computer interactive training and multimedia services, and manufacturing consulting and assessments to meet the needs of business and industry.

The Corporate & Professional Development Center is located at 1020 East Maple Street near the Big Rapids Industrial Park. Phone 231-591-5819, Fax 231-796-1448.

## **GENERAL INFORMATION**

### **FERRIS-GRAND RAPIDS**

Ferris-Grand Rapids campus includes the Applied Technology Center at 151 Fountain St. NE and the Kendall/Ferris building at 17 Fountain St. NW. Both facilities are conveniently located in downtown Grand Rapids.

The ATC offers 170,000 square feet of instructional and office space including computer, computer aided design, electronics, manufacturing, materials testing, plastics and heating, air conditioning and refrigeration labs. In addition, the ATC houses an auditorium, banquet and teleconferencing facilities.

In 1996 the Board of Trustees of Kendall College of Art and Design voted to merge Kendall with Ferris State University. This decision initiated a greater commitment on behalf of Ferris to expand programming in Grand Rapids and resulted in the purchase of an additional facility at 110 Ionia NW. Kendall College of Art and Design educates its students to be leaders in the arts. It provides a dynamic learning environment that prepares its students to be "working artists" and to achieve professional careers in art and design.

In 1999 Ferris-Grand Rapids established The College of Professional and Technical Studies (CPTS) to provide greater flexibility in developing academic programs that meet the needs of business, industry and the community at large. CPTS will offer career-focused baccalaureate and masters degrees, professional development certificates, standard college and customer responsive courses, customized training courses, distance learning courses, and prior learning assessment services to advance students' career goals.

The Kendall/Ferris building offers classrooms, gallery space, and IBM and MAC computer lab facilities and houses the Kendall/Ferris bookstore and programs of Kendall College of Art and Design.

Today Ferris-Grand Rapids offers more than 25 professional development certificate, associate, bachelor and master degree programs and serves as a model for Ferris' growth across the State of Michigan.

### **CAMPUS MEDIA**

Ferris offers students a variety of media, including a campus newspaper and local cable system (Channel 7). *The Torch*, which is published weekly, informs students of University news, events, and other related campus issues. FSU-TV Cable 7 serves the campus and community with educational and public service television programming. The *FYI* is an internal newsletter published weekly for faculty and staff with limited student distribution, and the *Crimson & Gold*, published three times yearly, is aimed at keeping alumni and other key audiences informed. Some of the colleges and programs on campus also publish their own alumni publications.

### **INTERNATIONAL AFFAIRS**

The Office of International Affairs is located on the third floor of Bishop Hall. It is responsible for the administration of international programs. The office has four primary areas: 1) the Intensive English Program which provides international students with training in English to prepare them for entering the University; 2) Study Abroad and International Exchange Programs, allowing Ferris students to study in destinations throughout the world; 3) advising of all international students, and assisting departments in bringing international scholars to campus; 4) recruitment and admissions of all international students.

## **GENERAL INFORMATION**

### **FERRIS LIBRARY FOR INFORMATION, TECHNOLOGY, AND EDUCATION (FLITE)**

**The Ferris Library for Information, Technology and Education (FLITE)** opened its doors on March 12, 2001, as a premier research facility integrating modern technology with traditional information resources. Designed for flexibility and versatility, FLITE continues to adapt to the world's advancing digital age. The Library houses 300 desktop computers, over 1,000 live ports to accommodate expansion/laptop access, and seating for more than 1300 visitors, including 45 individual and group study rooms. Among its customer service oriented attributes, FLITE contains an extended-hours study area, a family study room for visitors accompanied by children, and a food court with vended beverages and snacks. Students using the FLITE have access to a multimedia laboratory designed for experimenting with new technologies including scanners, CD burners, video-editing software, and digital still cameras. An adaptive technology laboratory facilitates the learning and research of students requiring special accommodations.

FLITE serves as a gateway to a variety of information resources available both on-site and remotely in print and digital formats. FLITE houses a collection of over 340,000 volumes. As a Federal Depository Library for U.S. documents and a Patent and Trademark Depository Library, FLITE offers users access to vast amounts of government information. Subscription databases, many containing full-text journal articles, and print journal subscriptions give users access to nearly 10,000 journals. The Library's online catalog as well as many of the University's digital resources are available through the Library's Web site at <http://www.ferris.edu/library/>. Interlibrary loan and document delivery services are offered to all faculty, staff, and students, including off-campus students, allowing users access to an immeasurable number of additional resources. Faculty, staff, and students can receive help using these resources by calling or emailing the Library, filling out electronic forms on the Web site, or stopping by the North Service Desk in FLITE. Patrons can also receive personal assistance from subject specialist librarians.

FLITE takes full advantage of advanced technologies to expand opportunities for teaching and learning. The Library contains three instructional studios equipped with 20-30 computer stations, instructor station, sound and projection equipment, TV/VCR, and DVD. Additional equipment is available upon request. These studios allow librarians and other faculty to teach students information seeking and critical thinking skills necessary to evaluate the burgeoning mass of available information resources. The information literacy program starts with the basics in Ferris State University Seminar (FSUS) courses and provides instruction in specialized library use and research to classes upon request of instructors. In addition to instructional studios, FLITE also contains 6 seminar rooms of varying sizes to accommodate classes or meetings.

FLITE also houses the Instructional Technologies Center and the Center for Teaching, Learning, and Faculty Development. Along with traditional library services, these units represent a broad spectrum of information and instructional resources. The three units work collaboratively to provide teaching faculty with one stop access to information specialists and media development personnel who can assist in locating information for course content and creating instructional materials in a variety of multimedia formats.

## GENERAL INFORMATION

### **Ferris Library for Information, Technology, and Education (FLITE) 2001-2002 Statistics**

#### **Services**

Hours open	97/week
Average daily attendance (Sept. 2001 – June 2002)	1,640
Library instruction sessions	340
Students participating in sessions	6,728
Reference questions	11,460

#### **Access/Holdings**

Total volumes (books and bound journals)	340,048
Periodical subscriptions (print and microform)	2,495
Periodical titles available in all formats including databases	9,809
Electronic databases	80
New monograph titles purchased	4,109
Archival holdings (linear feet)	ca. 1,000
Public computer workstations	139

## **GENERAL INFORMATION**

### **KENDALL COLLEGE OF ART AND DESIGN OF FERRIS STATE UNIVERSITY**

Kendall College of Art and Design in Grand Rapids, Michigan, began in 1928 through a generous endowment provided by Helen M. Kendall as a memorial to her husband, David Wolcott Kendall, known as the Dean of American Furniture Designers. Helen Kendall envisioned a school whose graduates would be leaders in the world of art and design, and throughout its history, Kendall College of Art and Design has prepared generations of students for careers as professional artists and designers. In addition, Kendall College of Art and Design is an active partner with the community, annually providing more than 2,000 children and adults with the opportunity to pursue courses in art and design through one of the richest and most varied continuing studies programs in the United States.

In 1996, the Board of Trustees of Kendall College of Art and Design voted to merge Kendall with Ferris State University, a process that was completed in December 2000. In combining these two distinctive institutions, the Boards of both Kendall and Ferris forged a union that offers students the educational opportunities and strengths of each institution.

The mission of Kendall College of Art and Design of Ferris State University is to educate its students to be leaders in the arts by nurturing creative and intellectual excellence; to promote in its students an awareness of social responsibility; to provide a dynamic professional environment; to move the institution toward national prominence; and to support institutional integrity through resource development.

As part of Ferris State University, Kendall College of Art and Design is accredited by:

The Higher Learning Commission  
Of the North Central Association of Colleges and Schools  
30 North LaSalle Street, Suite 2400  
Chicago, IL 60602  
800.621.7440

Kendall College of Art and Design of FSU is an accredited institutional member of:

The National Association of Schools of Art and Design  
11250 Roger Bacon Drive, Suite 21  
Reston, VA 22090  
703.437.0700

The Interior Design program is accredited by:

The Foundation for Interior Design Education Research  
60 Monroe Center NW  
Grand Rapids, MI 49503-2920  
616.458.0400

Kendall College of Art and Design of Ferris State University is authorized under the laws of the State of Michigan to grant:

Bachelor of Fine Arts in: Fine Arts Drawing  
Fine Arts Painting  
Fine Arts Functional Art  
Fine Arts Photography  
Fine Arts Printmaking  
Fine Arts Sculpture  
Furniture Design  
Illustration  
Industrial Design  
Interior Design  
Metals/Jewelry Design  
Visual Communication

Bachelor of Science in: Art History

Masters of Fine Arts in: Drawing  
Painting  
Photography  
Printmaking  
Dual Concentration

## GENERAL INFORMATION

### POINTS OF INTEREST

**Alumni Building** (1929) - The oldest building on campus and the only building to survive the fire in 1950. Classrooms and faculty offices for the College of Arts and Sciences are in this building. It also houses the UCEL office.

**Arts and Sciences Commons** (1996) - houses Arts and Sciences faculty and administrative offices, the Card Wildlife Education Center, the Math Science Technology Center, and features "The Visionary," a mural – one of the largest of its type in the world – depicting the history of FSU, and the Writing Center which provides peer tutoring to assist students with writing and study skills. This building connects the Science and Starr Buildings.

**Automotive Center** (former Technical and Applied Arts Center) (1956) - Comprises the instructional and lecture facilities for Automotive Services, Automotive Body and Auto and Heavy Equipment Management.

**Business Building** (1970) - Houses the auditorium, classrooms and offices of the College of Business. Extensive terminal and mainframe computer facilities include one of the state's largest "library concept" microcomputer laboratories used for educational purposes.

**Bishop Hall/College of Education** (1967) - Built as a residence hall, it was remodeled in 1986 to house the College of Education administrative offices and classrooms and the Intensive English program. It also houses the office of the President, Academic Affairs, and Budgetary Planning.

**Construction Technology Center** (1962) – Originally built in 1962, the CTC is currently in the middle of an eighteen million dollar new construction and renovation project. With over 40,000 square feet of new construction, the new building will house the Construction Technology and Management and HVACR programs. Project completion is scheduled for November 2004.

**Creative Arts Center** (1965) - This building houses the studios, classrooms, and faculty offices needed for the Studio Arts in the College of Arts and Sciences.

**Ewigleben Sports Complex/Ice Arena** - Comprises two indoor ice rinks and a recreational wing with facilities for intercollegiate hockey, recreational hockey and skating, basketball, and volleyball, all completed in 1975. An addition completed in 1981 includes a combative room, fitness and sports medicine facilities and a mini-arena.

**G. Mennon Williams Auditorium** (1962) – This facility houses FSU's theater program and also serves as the major multipurpose auditorium for the FSU campus. With seating for 1,799, Williams Auditorium hosts musical, dramatic, cultural, and convocation events throughout the year. It also is available for public rental use when scheduling allows.

**Heavy Equipment Center** (1987) - A 52,000-square-foot building accommodating students in the heavy equipment and auto programs. The HEC building is the largest facility in the country dedicated to training heavy equipment and heavy duty engine technicians.

**Instructional Resource Center** (1969) - Contains large lecture halls, distance learning room, television studio, and media services for the whole campus.

**Instructional Resource Center** (1969) - Contains large lecture halls, distance learning room, television studio, and media services for the whole campus.

## **GENERAL INFORMATION**

**Holiday Inn Hotel and Conference Center** (1993) - The facility is located adjacent to the Katke Golf Course and overlooks the campus. The complex houses 16,772 square feet of meeting facilities, 118 guest rooms, banquet facilities and a restaurant. The conference facilities are used for continuing education activities, conferences and workshops.

**Katke Golf Course** (est. 1974) - Katke is a full service 18-hole championship golf course that measures 6,729 yards (slope rating 130) from the back tees, 6,174 (slope rating 124) from the middle tees and 5,355 (slope rating 124) from the forward tees. The state-of-the-art practice facility includes 100,000 square feet of grass teeing space, six target greens, a large short game area that includes a chipping area and bunker for greenside or fairway bunker shots and 2 practice greens with over 15,000 square feet of space. The practice facility is encompassed by a 3-hole practice course that includes two par 4's measuring 325 yards each and a 150 yard par 3. Our full service clubhouse sits atop the highest point in Mecosta County with excellent views back to campus. The clubhouse facilities include the Founders Grille Restaurant which features burgers, sandwiches and a wide selection of appetizers, a 1,000 square foot multi-purpose room that holds up to 75 people for meetings or small parties; men's and women's locker rooms and a golf shop stocked complete with all of your golfing needs. A staff of PGA Golf Professionals is available to provide tournament services, golf clinics, private video lessons and club fittings by appointment. The golf course is conveniently located adjacent to the Holiday Inn Hotel and Conference Center on the far west point of campus.

**Michigan Art Walk** (1996) - The Ferris Renaissance is a 20-year vision for aesthetically improving the Ferris State University campus. The Michigan Art Walk is one component of Ferris Renaissance whereby original pieces of art work created by Michigan artists are installed through-out campus and linked by a meandering pathway, ultimately reaching into the Big Rapids community. The inaugural sculpture of the Michigan Art Walk, by Ann Arbor-based artist Barron Naegel, was installed in the fall of 1996. Also installed as part of Ferris Renaissance in the fall of 1996 were a wall sculpture by Daniel Roache, under the auspices of the Presidential Art Collection, and the main panel of Robert Barnum's "The Visionary," which depicts the history of Ferris State University. Ferris Renaissance continued with the unveiling of "Escape," an outdoor sculpture by R. Farrington Sharp, on October 17, 1997. The side panels of "The Visionary" were unveiled on February 20, 1998, completing Barnum's triptych. "Totem Stack," a sculpture by Ferndale artist Albert Young, was unveiled on May 7, 1998. "Muse" by Irina A. Koukhanova, was dedicated on November 19, 1998, and sculptor Fritz Olsen's "Ripples" was unveiled November 19, 1999. Lois Teicher's functional piece, "Bench With Three Deep Seats," was dedicated on June 14, 2000. "Ferris Arch," a limestone sculpture by Kenneth Thompson, was dedicated October 10, 2001. Mark Chatterley's "Journey to the Body Collective" a flying wall sculpture located in the reading room at FLITE, was dedicated on October 29, 2002.

**Music Center** (1962) – The Music Center is located at the heart of the campus at the foot of the Carillon Clock Tower on the south end of the quad "green space" and just north of Top Taggart Field (football stadium). This facility offers rehearsal and practice space for all varieties of ensembles. The band room can accommodate groups of up to 100 musicians and the Choral Room provides room for 60 musicians. Private practice rooms are available and are ideal for individual practice or small groups of 2-3 persons. Each practice room contains an acoustic piano. The Humanities Department maintains these instruments (regular tuning, etc.) as a service to currently enrolled students. The piano lab has 12 stations (full size keyboards) which are used for group instruction and practice for those enrolled in music classes. The music faculty and ensemble director's offices are also in the Music Center.

## **GENERAL INFORMATION**

**McKessy House** (1989) – McKessy house, resembling an Old English cottage on Cedar Street, north of Williams Auditorium, was purchased by Ferris State University in 1989 as a result of a generous gift from Gerald McKessy, a 1929 graduate of Ferris's college preparatory program who went on to graduate from the Detroit College of Law in 1933. Mr. McKessy was a Charter Member of the President's Club, a member of the Phoenix Society, a founding father of the Alumni Foundation, a 12-year member of the Board of Directors of the Alumni Association and a recipient of the member of the Board of Directors of the Alumni Association and a recipient of the Distinguished Alumnus Award in 1971 for the generous donation of his time and talents to Ferris State University. Mr. McKessy donated stock, the proceeds, which were used to buy the house, barn and two acres that is now, utilized as parking and additional Arts and Sciences classroom space. Mr. McKessy's gift also made it possible to remodel the house which is currently occupied by the Division of Governmental Relations and General Counsel. This division is responsible for governmental and community relations, legal affairs, affirmative action, and labor relations

**National Elastomer Center for Rubber and Plastics Technology** (1998) - This state-of-the-art facility was opened in September 1998, the only one of its kind in the nation. Elastomers are a combination of rubber and plastic compounds used in a variety of applications in the automotive, defense, appliance and other industries.

**Pennock Hall/Michigan College of Optometry** (1968) - Built as a residence hall, it was renovated in 1977 to serve as the permanent home for the Michigan College of Optometry at F.S.U.

**Pharmacy Building** (1972) - Designed to house all operations of the College of Pharmacy, including specialized laboratories and the model pharmacy, and also contains an antique pharmacy exhibit.

**Presidential Art Collection** (1996) - Daniel Roache was chosen as the first contributor for a collection featuring commissioned works by Michigan artists honoring Ferris presidents. His aluminum, wall-mounted sculpture representing the seven academic colleges hangs in the Williams Auditorium lobby. A bronze bust of President Byron Brophy by Midland sculptors James S. Hopfensperger and Joan Hopfensperger-Most was dedicated on April 30, 1999. It is on display in the Ferris Library for Information, Technology, and Education (FLITE).

**Racquet Facility** (acquired in 1980) - The facility contains tennis and racquetball courts and weight lifting and aerobics facilities for intramural and intercollegiate athletics and is open to the general public.

**Rankin Center** (1957) - Remodeled and updated in 1987, it is the hub of campus, housing the James L. Lundberg Bookstore, recreational facilities, offices for the student newspaper, student government and various other student organizations, catering/booking offices and the Ferris Art Gallery. On the administrative side, there are offices for minority affairs, student judicial services, student activities, career services, personal counseling, the vice president for student affairs and the dean of student life. Additional services include three dining facilities, meeting rooms and a large ballroom/banquet room.

**Science Building** - Originally built in 1956, remodeled and expanded in 1967, completely renovated in 1997, this building provides teaching auditoria, classrooms, and science laboratories for the College of Arts and Sciences, as well as the Rawlinson Observatory, John and Rhea Smith Greenhouse, and Ritz Reading Room.

**Victor F. Spathelf College of Allied Health Sciences** (1979) - This four-level structure contains the specialized classrooms, laboratories and offices for the students, faculty and administration of the College of Allied Health Sciences.

**Starr Building** (1961) – Completely renovated in 1995, students now enjoy new furnishings, state-of-the-art instructional equipment, multimedia labs, study rooms and lounges. It is FSU's largest general classroom building and houses the administrative offices for University College and the Educational and Career Counseling Center; Williams Auditorium, where dozens of live performances and special events are offered each year; and The Jim Crow Museum, a privately donated collection of American racist memorabilia artifacts.

## **GENERAL INFORMATION**

**Student Convocation Center/Wink Arena** (1999) – The 42,000 square foot facility, located adjacent to the Ewigleben Ice Arena, seats 2,400, including prime sections of chair-back seating. The building complex features an expanded lobby that adjoins the Ice Arena with a pro shop, concession stands, and a display for the Bulldog Hall of Fame. This new center serves as the home for the FSU men and women’s basketball programs, and is also used for commencement exercises, major concerts, and special events.

**Student Recreational Center** (1998) - The former HPE/Wink Arena building was remodeled and reopened August 30, 1998. The facility gives students, faculty and staff a modern gymnasium, weight room, aerobic room, exercise machines and elevated track. A student lounge, indoor swimming pool, spa, and 40-foot climbing wall was completed in 1999.

**Swan Technical Center** (1966) - Many College of Technology department offices, classrooms, and laboratories designed specifically for engineering technology instruction are located in this building.

**The Corporate & Professional Development Center (CPD)** (formerly The Technology Transfer Center) (donated in 1984 by Hitachi Metals International) - This 9,000-square-foot building, located off-campus on Big Rapids’ east side, next to the industrial park, contains a fully equipped multi-media computer laboratory, classrooms, a conference room and offices.

**Timme Center for Student Services (CSS)** (1967) (Renovated 2002) – As the official “welcome center” for the University, the Timme Center for Student Services (CSS) serves as a one-stop service center in which students can register for classes, obtain financial aid and housing information, request transcripts, pay bills, and about student employment opportunities. Highlights of the beautifully renovated Timme CSS include a glass atrium that extends the full height of the eastern side of the building and a second atrium facing State Street, providing natural sunlight and openness for the building. Formerly the campus library, the new Timme CSS is a place of diversity, art, history and service. The first floor houses the Financial Aid, the Business offices; the offices of Admissions and Records, Deans of Enrollment Services, and the Academic Senate are on the second floor; and the third floor features a display of Ferris historical memorabilia as well as houses the offices of the President, Budgetary Planning and Analysis, Vice President for Academic Affairs, and Institutional Research and Testing. The carefully chosen combination of offices and services provides a wonderful welcome to all constituents in the middle of campus.

**Ferris Library for Information, Technology, and Education (FLITE)**(2001) - Located in the heart of the recently redesigned main campus, FLITE combines the collections and services of the former Timme and Health Science Libraries and houses the Center for Teaching, Learning, and Faculty Development and the Instructional Technologies Center. At 173,000 sq. ft., FLITE is nearly three times the size of the former Timme Library and features a variety of public work and study spaces, total seating capacity of 1,300, shelving for 440,000 items, and over 600 active ports for computer connectivity. FLITE is a Patent and Trademark Depository Library for western lower Michigan, one of three such sites in the state. Additionally, FLITE is a depository for U.S. Bureau of the Census and State of Michigan publications.

**Tot’s Place** (instituted 1987) - Located on the first floor of Bishop Hall, Tot’s Place is the laboratory for the child development program. Tot’s Place provides childcare for children of students and faculty/staff as well as Big Rapids community residents.

## **GENERAL INFORMATION**

### **GIFTS TO THE UNIVERSITY**

Private giving to the University in fiscal year 2002 totaled \$12,817,049 including cash contributions of \$3,336,265 and in-kind gifts of \$9,480,784.

Contributions may be made in many ways:

- Phoenix Society: \$100,000 in cash or in-kind gifts or \$150,000 in irrevocable deferred giving (individuals or companies)
- Old Main Society: \$50,000 cash or \$75,000 in irrevocable deferred giving (individuals only)
- Founder's Club: \$25,000 in cash or pledge to be paid over 10 years, or \$75,000 irrevocable deferred gift
- Presidents Club: \$10,000 in cash or in-kind gifts payable over a 10-year period, or a \$35,000 life insurance policy, charitable remainder trust or by other irrevocable deferred arrangements (individuals only)
- Annual giving clubs: Dean's Club (\$500-\$999) with funding designated to a specific College or program
- Bulldog Club: Gifts designated to support athletic programs. Top Dog (\$1,000), Coach (\$500), Captain (\$250), Booster (\$100), Friend (\$50)
- Gifts from alumni and parents
- Gifts from business and industry, including cash, equipment and materials
- Gifts and grants from foundations
- Matching gifts (companies or corporate foundations match their employees' gifts to Ferris from a one-to-one to a four-to-one ratio)
- Gifts in memory or in honor of individuals
- Gifts through naming Ferris State University as a beneficiary in estate plans

<b>TOTAL</b>	<b>11,074</b>		<b>10,930</b>		<b>144</b>

The following definitions are used in determining racial/ethnic designations:

**American Indian or Alaskan Native:**

A person having origins in any of the original peoples of North America.

**Asian or Pacific Islander:**

A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent or the Pacific Islands.

**Black (not of Hispanic Origin):**

A person having origins in any of the black racial groups of Africa.

**Foreign:**

A person who is not a citizen of the United States, and who is in this country on a temporary basis and does not have a right to remain indefinitely.

**Hispanic:**

A person of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish culture or origin.

**White (not of Hispanic origin):**

A person having origins in any of the original peoples of Europe, North Africa or the Middle East.

**DISTINGUISHED TEACHER AWARDS**

The Ferris State University Academic Senate oversees the selection of the Distinguished Teacher Awards. Teachers receiving this award have been nominated by their peers based on the following criteria: Teaching excellence; participation in professional development activities; interest in students outside the classroom/laboratory; and exhibiting distinction as a member of the university community.

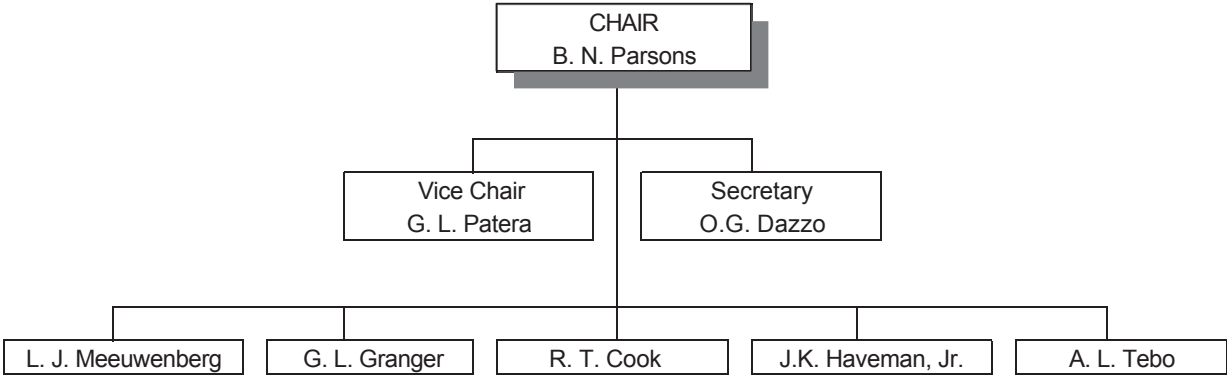

YEAR	RECIPIENT	COLLEGE	YEAR	RECIPIENT	COLLEGE
1963	Ralph E. Patullo	Arts & Sciences	1988	Robert C. Ferguson	Arts & Sciences
1964	June B. Carr	Arts & Sciences	1988	Garth S. McHattie	Education
1965	Marguerite Jeserich	Arts & Sciences	1989	Mark A. Curtis	Technology

# ALUMNI

## ALUMNI BY COLLEGE 2002

	<u>Active Alumni</u>	<u>Total Alumni</u>
Allied Health Sciences	12,191	12,331
Arts & Sciences	11,762	15,154
Business	31,125	34,773
Education & Human Services	9,253	9,642
Michigan College of Optometry at FSU	1,579	1,596
Pharmacy	5,964	7,801
Technology	21,886	22,607
<b>Total</b>	<b>93,760</b>	<b>103,904</b>

**Total Alumni Donations - Fiscal Year 2002                      \$12,817,049**

Numbers may be duplicated if a degree was earned from more than one college.

Note: The numbers listed above do not include August 2002 or December 2002 graduates.

**PLACEMENT RATES**

<b><u>Categories</u></b>	<b><u>2000-01</u></b>	<b><u>1999-00</u></b>	<b><u>1998-99</u></b>	<b><u>1997-98</u></b>
Placement rate includes graduates who are continuing their education or are employed.	97%	98%	98%	98%
Individuals in job market who found jobs.	96%	97%	97%	99%
Graduates in job market employed in their field.	91%	90%	92%	91%
Response rate of grads completing follow-up survey.	52.8%	63.8%	62.8%	51.5%

---

Associate Degree students continuing their education	61%	62%	66%	69%
--	-----	-----	-----	-----

In 2000-01 57% continued at Ferris  
 In 1999-00 58.1% continued at Ferris

*Respondents who are working and continuing their education concurrently are reported in both of these categories. The placement rate includes individuals only once and does not include not seeking.*
