January 2013

Dear Colleague:

The *Ferris State University Fact Book* is an annual project conducted as a service to the university community by the Office of Institutional Research and Testing, in the Division of Student Affairs. This 22nd edition is a document designed to answer the most frequently asked questions about Ferris State University.

This year's enhancements to the Fact Book include the addition of General Information sections for the Center for Latin@ Studies, the Diversity and Inclusion Office, the Office of International Education and the Transfer Services Center.

To access the current Fact Book, as well as previous editions on the Ferris State University website, go to www.ferris.edu and click on the "Quick Links" box and select "Inst. Research/Testing." Under the Institutional Research heading select "Fact Book Downloads." As an alternative, you can simply type in the words "Fact Book" in the search box located on the Ferris homepage.

We would like to thank the many offices that assist us with the development of the information for the Fact Book. Please do not hesitate to contact us if you have any questions or have ideas for future editions of the Fact Book.

Note: Over the past year there have been name changes and reorganizations at the University (such as the name change for the College of Allied Health Services to the College of Health Professions) that are not yet reflected in this edition of the Fact Book. These changes will be effective in Banner, the Student Records system from which most of the data in the Fact Book is derived, Spring 2013 and will be reflected in future editions of the Fact Book.

GENERAL INFORMATION

MISSION STATEMENT

Ferris State University prepares students for successful careers, responsible citizenship, and lifelong learning. Through its many partnerships and its career-oriented, broad-based education, Ferris serves our rapidly changing global economy and society.

VISION STATEMENT

Ferris State University will be:

The recognized leader in integrative education, where theory meets practice throughout the curriculum, and where multi-disciplinary skills important in a global economy are developed with the result that

Ferris State University will also be:

- The preferred choice for students who seek specialized, innovative, career- and life-enhancing education
- The premier educational partner for government, communities, agencies, businesses, and industries through applied research and joint ventures
- A stimulating, student-centered academic environment that fosters life-long engagement, leadership, citizenship, and continuing intellectual development
- A university that aligns its practices and resources in support of its core values of collaboration, diversity, ethical community, excellence, learning, and opportunity

CORE VALUES

- Collaboration: Ferris contributes to the advancement of society by building partnerships with students, alumni, business and industry, government bodies, accrediting agencies, and the communities the University serves.
- Diversity: By providing a campus which is supportive, safe, and welcoming, Ferris embraces a diversity of ideas, beliefs, and cultures.
- Ethical Community: Ferris recognizes the inherent dignity of each member of the University community and treats everyone with respect. Our actions are guided by fairness, honesty, and integrity.
- Excellence: Committed to innovation and creativity, Ferris strives to produce the highest quality outcomes in all its endeavors.
- Learning: Ferris State University values education that is career-oriented, balances theory and practice, develops critical thinking, emphasizes active learning, and fosters responsibility and the desire for the lifelong pursuit of knowledge.
- Opportunity: Ferris, with a focus on developing career skills and knowledge, provides opportunities for civic engagement, leadership development, advancement, and success.

HISTORY

Ferris State University is recognized for its career-focused majors that give our students the education they need to meet the needs of a changing economy. Founded in 1884 on the concept of providing students with marketable skills, Ferris was established by Woodbridge N. Ferris (1853-1928), a distinguished Michigan educator and politician who served two terms as the state's governor and was elected a United States Senator. Ferris was a private institute until 1950, when it joined the state higher education system. The college obtained university status in 1987.

LOCATION

The Ferris State University campus is located in Big Rapids, a west central Michigan city of approximately 10,600 in the vacation-recreation region. In addition to being home of Ferris State University, Big Rapids is the county seat of Mecosta County. The 880-acre campus is readily accessible by the US-131 expressway and state highway M-20. Big Rapids is 55 miles north of Grand Rapids and within 200 miles of Chicago and Detroit.

CAMPUS SIZE	941 acres
ACADEMIC DIVISIONS	College of Allied Health Sciences College of Arts and Sciences College of Business College of Education and Human Services College of Engineering Technology College of Pharmacy College of Professional and Technological Studies Kendall College of Art and Design Michigan College of Optometry at FSU University College

ADMISSIONS

Current admission criteria for new students require all incoming freshmen students to submit ACT or SAT test scores along with official high school transcripts or official GED scores prior to an admission decision. Transfer students are required to submit official transcripts from all colleges attended as well as official high school transcripts and test scores, if required as prescribed by university standards, to achieve a complete academic profile. Students fulfilling both university and program entrance requirements will be granted admission.

EDUCATIONAL PROGRAMS

Ferris offers more than 170 educational programs through the Colleges of Health Professions, Arts and Sciences, Business, Education and Human Services, Engineering Technology, Pharmacy, Kendall College of Art and Design, and Michigan College of Optometry at Ferris State University. Ferris also has programs and course offerings through the offices for Retention and Student Success and Extended and International Operations. These offerings lead to bachelor and associate degrees and certificates. Master degrees in Information Security and Intelligence, Career and Technical Education, Criminal Justice, Business Administration, Curriculum and Instruction, Nursing, and Fine Arts are available. Ferris also offers doctorate degrees in Optometry, Pharmacy and Community College Leadership.

Each college encompasses a cluster of related programs that are targeted to prepare students for specific careers, responsible citizenship and lifelong learning. The colleges operate in facilities that have been specially designed and equipped to support their missions.

ENTERTAINMENT UNLIMITED

Entertainment Unlimited (EU), the campus programming board, is responsible for coordinating more than 20 student-produced events each year including educational speakers, comedy shows, films, novelties and live music performances. The largest event produced by EU is Ferris Fest, a free community concert held outdoors in the North Quad every year during Spring Semester.

FINANCIAL AID

More than 89% of the students presently enrolled in a degree-granting program at Ferris State University receive some type of financial aid through federal, state, institutional, private and other sources including: scholarships, grants, loans, and student employment. Ferris State University awards more than $177 million in student aid annually.

Financial aid is primarily based on financial need and is intended to assist students whose families lack the total resources needed to pay for college. Information on financial aid programs available at Ferris may be obtained by contacting the Office of Scholarships and Financial Aid at 1-231-591-2110 or via the Internet at www.ferris.edu and clicking on the Financial Aid link.

ATHLETICS

The Ferris State University Bulldogs are members of the National Collegiate Athletic Association (NCAA). Varsity teams compete in the Central Collegiate Hockey Association (NCAA Division I) in ice hockey and the Great Lakes Intercollegiate Athletic Conference (NCAA Division II) in all other sports. Ferris student athletes participate in 17 varsity sports: golf, tennis, basketball, indoor and outdoor track, cross-country, softball, soccer, and volleyball for women; golf, tennis, basketball, indoor and outdoor track, cross-country, hockey and football for men.

CAREER SERVICES

The Career Services Office is available to educate, guide, and support students, alumni, faculty, staff, and employers throughout the career development process. This includes career planning, career research, skills attainment, job search document preparation, interviewing, internships, job postings, and success in the workplace.

Students/alumni have access to Bulldog CareerLink, which is a state-of-the-art internet-based software package that allows students to write resumes, upload their resumes into the FSU Resume Book database, search and apply for employment/internship opportunities and sign up for on-campus interviews and events. On-campus interviews take place both fall and spring semesters with approximately 200 employers participating per academic year.

Career Services takes part in many campus activities and holds many workshop sessions on a variety of job-search techniques, all of which teach students at every academic level how to transfer their in-and-out-of-classroom experiences to the work world. Career Services coordinates a variety of Career Fairs to assist students in connecting with employers who are hiring interns and full-time employees. These career fairs consistently bring 120+ employers to campus. Every fall Career Services partners with Student Leadership and Activities to coordinate a Professional Career and Leadership Conference, bringing in a variety of presenters and keynote speakers to discuss the impact of leadership upon career success.

Students can register with Bulldog CareerLink and view a whole array of other career/employment-related information on our website at www.ferris.edu/careerservices. Walk-in assistance is available at the Career Services office in Rankin Student Center Room 135, M-F 8am - 5pm.

TRANSFER SERVICES CENTER

The Transfer Services Center fosters student success and promotes access to higher education by facilitating successful transfer of college and articulated credit. For post-secondary and community college students, it helps with services such as transfer admissions, transfer articulation agreements, transfer equivalencies and transfer guides. For high school students, the office assists with articulated credit, concurrent enrollment and dual enrollment.

EDUCATIONAL COUNSELING AND DISABILITIES SERVICES OFFICE (ECDS)

CAREER RESOURCES AT FSU

A Ferris State University career-oriented education is complemented by comprehensive educational planning, career counseling, and disability classroom accommodations available from the Educational Counseling and Disabilities Services (ECDS) office which is staffed with licensed counselors. The ECDS is located on the third floor of the Starr Building in room 313 and provides a wide range of services for FSU students. See http://www.ferris.edu/HTMLS/colleges/university/eccc/ecds/homepage.htm for more details about the services and programming offered.

EDUCATIONAL COUNSELING

In addition to providing academic counseling, educational counselors in Educational Counseling and Disabilities Services (ECDS), help students to identify and overcome obstacles to their academic success through the identification of both learning preferences and an individual's approach to the college learning experience. See http://www.ferris.edu/HTMLS/colleges/university/eccc/educational.htm for more information.

CAREER COUNSELING

ECDS also offers assistance in making career choices. While finding the right career depends on several factors, two strong influences are personality and interests. Students can receive information in these areas by completing the Myers-Briggs Type Indicator and the Strong Interest Inventory assessments through the ECDS. A licensed counselor interprets the results with the student and provides information on careers that are aligned with the individual's personality, interests, values, and skills. See http://www.ferris.edu/HTMLS/colleges/university/eccc/career.htm for more information.

DISABILITIES SERVICES

Disabilities Services serves and advocates for students with disabilities, empowering them for self-reliance and independence while promoting equal access to educational opportunities and programs. To receive classroom accommodations, students are required to provide documentation of their disability which is reviewed on a case-by-case basis. See http://www.ferris.edu/HTMLS/colleges/university/disability/homepage.htm for more information.

CENTER FOR LATIN@ STUDIES

The Center for Latin@ Studies (CLS) aims to connect Ferris and Latin@ communities in the Midwest. It works to increase access to higher education, promote intercultural exchange, and provide opportunities for meaningful partnerships between Ferris State University and organizations affiliated with Latina/o communities.

DIVERSITY AND INCLUSION OFFICE

The Diversity and Inclusion Office works with the entire Ferris State University community to support the mission and vision of the University, and to ensure that diversity, in its many forms, is understood, respected and valued. The Diversity and Inclusion Office at Ferris State University guides efforts to conceptualize, assess, and cultivate diversity as an institutional and educational resource.

More specifically, the Diversity and Inclusion Office will:
•Be a strong advocate for diversity and inclusion;
•Introduce diversity into the systems, structures, and culture of the University;
•Provide expertise and leadership on diversity and inclusion related matters, for example, faculty recruitment and retention issues, and the educational impact of diversity;
•Lead University-wide diversity planning and implementation efforts, resulting in a collaborative vision of diversity and inclusion;
•Help develop policies designed to improve the University climate;
•Identify strategies to enhance the compositional diversity profile of students, faculty, and staff;
•Provide resources and direction for infusing diversity into the curriculum**;** and
•Offer annual assessment of University's progress toward implementing Diversity Plan**.**

OFFICE OF INTERNATIONAL EDUCATION

The Office of International Education has six primary objectives:
1) recruit and admit international students,
2) coordinate study abroad opportunities for Ferris students,
3) advise international students on immigration and cultural adjustment,
4) provide intensive English language training,
5) expand global awareness through various campus activities and engagement opportunities, and
6) ensure that the institution is in compliance with Department of Homeland Security and Department of State requirements regarding international students and scholars.

To meet these goals, the office has the following programs: International Student Admissions, Center for Global Studies & Engagement, International Student and Scholar Services and the Intensive English Program.

CORPORATE & PROFESSIONAL DEVELOPMENT & THE CENTER FOR CERTIFICATION TRAINING & TESTING, Division of the College of Engineering Technology

Corporate and Professional Development - CPD

Corporate & Professional Development (CPD) at Ferris State University has been involved in partnerships to help business with solutions to training and industrial process needs since 1994. CPD is known for its ability to partner with business and industry to address many issues. Our training programs result in a certificate of completion, or may lead the participant to taking a certification (state or national) test upon completion of designated courses. Our services enhance a person's skill level and knowledge to meet career needs on both a state and national level.

CPD offers you the following:

- Technical consulting to solve specific problems including applied research services and product testing; plant or office layout consulting services
- Custom training that is flexible and can be on-site, off-site, digital, evenings, weekends, or at any other time or place convenient to you
- Partnership opportunities with other companies with similar training needs, eliminating you having to postpone training because low numbers do not warrant "in-house" training
- Custom multimedia training offering you direct access to University personnel, resources and expertise.

Center for Certification, Training & Testing – (CCTT)

The Center for Certification Training & Testing was founded in the early '90s to administer the EPA-mandated Section 608 certification and testing program to HVACR technicians throughout the entire country. These technicians carry certification cards with the Ferris State University logo which they display in supply houses all over the United States each time they purchase refrigerant. The visual presentation provided each time one of these cards is presented keeps the Ferris State University name highly recognizable and in the forefront throughout our industry. The CCTT through its state-of-the-art database adds the ability to administer testing programs for a wide variety of businesses as well as handling their customer service, order fulfillment, warehousing and distribution needs. The CCTT offers certification in the following areas:

- EPA Section 608 & 609 Certification Program
- R410-A Certification Program
- HVAC Excellence Employment Ready Certification Program
- Green Awareness Certification Program (covers HVAC, Plumbing & Electrical)
- Geothermal Energy for the Home Certification Program
- Electrical Generating Systems Association (EGSA) Certification Program

For further information about CPD or CCTT, please visit us at www.ferris.edu/cpd or call us toll free at (866) 880-7674.

EXTENDED AND INTERNATIONAL OPERATIONS

Through the activities of Extended and International Operations the impact and reach of Ferris extends beyond the main campus, an entrepreneurial view of business and curriculum development is cultivated, and support and direction are given to promote a global view for the entire Ferris community. More information about the EIO can be found online at ferris.edu/extendedinternational

Ferris Statewide

For those students that are rooted in their home communities too far from the main campus to commute, Ferris operates off-campus locations throughout the state, often partnering with the local community college. Currently totaling 19 sites, these locations deliver Ferris degree programs to students who would otherwise not have access to higher education.

Ferris Online

Ferris Online delivers online degrees, certificates, and courses that help students balance their personal and professional lives with their desire to learn.

Conference and Professional Services

The CPS team provides conference design and development consultation services that include planning, strategy, and implementation. To help ensure programs succeed, they assist with marketing and promotion, financial management, contracts, registration, site selection, facilities arrangements, on-site services, and evaluations.

Office of International Education

The work of the Office of International Education is to provide support to international students, coordinate Study Abroad and exchange programs, coordinate the Intensive English Program, facilitate an International Summer School, and sponsor programming that supports the university goal of becoming a globally diverse and aware community.

Entrepreneurship Institute

The Institute is building curriculum and programs that will cultivate a community of entrepreneurship within the student body, and provides support as students and the greater Ferris community build and test their entrepreneurial ideas.

Academic Incubator

Academic Incubator is a process and a structure that supports and encourages academic innovation through collaboration, cooperative and innovation. The Academic Incubator is a place to go with an emerging idea that needs to be supported and nurtured with the potential of creating true transformation.

Community College Leadership Doctoral Program

The Ferris State University Doctorate in Community College Leadership empowers graduates to advance community colleges toward excellence and community responsiveness through exemplary leadership.

More information about Extended and International Operations can be found online at http://www.ferris.edu/extendedinternational

FERRIS LIBRARY FOR INFORMATION, TECHNOLOGY, AND EDUCATION (FLITE)

FLITE opened on March 12, 2001, as a premier research facility integrating modern technology with traditional information resources. Designed for flexibility and versatility, FLITE continues to adapt to the advancing digital age. The Library houses 195 public computers (185 PCs and ten Macs, including a Mac Design Center of eight computers loaded with design software), approximately 1,000 ports for laptop access and future expansion, wireless connectivity, seating for 1,300 visitors, and 54 individual and group study rooms. Among its customer service attributes, FLITE contains an extended-hours study area, a family study room for visitors accompanied by children, and vended beverages and snacks. Students using FLITE have access to laptop computers and scanners. An assistive-technologies laboratory facilitates the learning and research of students requiring special accommodations.

FLITE serves as a gateway to a variety of information resources available both on-site and off-campus in print and digital formats. FLITE houses a collection of more than 250,000 print volumes and provides access to online databases, reference resources, and more than 70,000 electronic journals, newspapers, and magazines. FLITE is a Federal Depository Library for U.S. Government Documents and a Patent and Trademark Depository Library. The Library's online catalogs and digital resources are available through the FLITE website at http://www.ferris.edu/library/. Interlibrary loan and document delivery services are offered to all faculty, staff, and students, including distance-education students, allowing users access to an immeasurable number of additional resources. Faculty, staff, and students can receive help using these resources by phone, email, or real-time chat reference service, submitting electronic forms via the website, or in-person at FLITE's Oval Information Desk. Students and faculty can also request reference and research assistance from subject-specialist librarians. Faculty can also search and reserve titles in the "Media Booking" collection, which includes media resources for in-classroom use.

FLITE takes full advantage of advanced technologies to expand opportunities for teaching and learning. The Library contains four instructional studios equipped with 20 to 30 computer stations, an instructor's workstation, sound and projection equipment, TV/VCR, and DVD player. All instructional studios are "smart classrooms" and include a docucam. Additional equipment such as smart boards, laptop computers, and wireless microphones are available upon request. The instructional studios allow librarians and other faculty to teach the information-seeking and critical-thinking skills necessary to evaluate information resources. The information literacy program starts with the basics in the Ferris State University Seminar (FSUS) courses and provides instruction in library use and research to classes upon request of instructors. Additionally, FLITE has six seminar rooms of various sizes to accommodate library instruction classes, meetings, and professional development activities.

The FSU Media Production unit is also housed in FLITE. Media Production provides assistance to faculty, staff, and students in the design, development, implementation, and distribution of media-related resources in support of Ferris instruction and activities. Activities range from videography to graphic design and production to creating DVDs from slide collections. FLITE also houses the Faculty Center for Teaching and Learning, the Jim Crow Museum of Racist Memorabilia, and the Office for Multicultural Student Services.

HOUSING & RESIDENCE LIFE

Living on campus has proven to foster student engagement and improve overall student success. Ferris State University on-campus housing provides environments that are clean, comfortable, safe and conducive to supporting the academic mission of the University. More specifically, living in the residence halls enhances and completes the learning that occurs at the University.

Student growth is enhanced through exposure to other points of view, experiencing diverse populations and learning to live interdependently in a community of peers. Living with others helps residents develop coping skills and experiment with responsible decision-making in a safe environment.

A variety of housing and dining options allows students the opportunity to create the environment in which they feel most comfortable. Amenities include wired and wireless internet connections in each residence hall, a choice of double or private rooms, health, wellness and substance-free living, the first-year experience and many other themed housing options. Cable television, available in every room, includes HD and movie channels. Washers and dryers are located on virtually every floor, mail is delivered to each residence hall, and residence halls are equipped to provide a feel of home with such items as board games, large screen televisions, overstuffed furniture and hall-sponsored activities.

Living in the residence halls is an educational endeavor. Staff provide social and educational programming aimed at building cohesive communities on each floor. While hall staff are in place to assist in maintaining community standards, residents are reminded that maintaining community standards is a shared responsibility.

The university apartment community consists of the west campus townhouses and the south campus apartment complexes. The west campus complex has 150 two-bedroom and 50 three-bedroom unfurnished townhouses which are designed to provide a neighborhood atmosphere for families and single students alike.

The south campus apartment complex consists of 88 traditional one-and two-bedroom units. They are designed for single students and have laundry facilities in each building.

The East Campus Suites are neither residence halls nor apartments. Rather, this new style of on-campus housing combines the best of both worlds. Each of the three 3-story buildings is home to 100 students. Exterior doors are locked 24/7 utilizing the same card swipe access and blue light/call box phone security system as our residence halls. Each building houses 24 4-bedroom suites and 2 2-bedroom suites. Every student has their own furnished bedroom and shares a full bathroom with one other student. A furnished living room and full kitchen complement the feeling of home each suite provides. With amenities such as air conditioning, garbage disposal, wireless connectivity, campus cable television and more, the suites are sure to be a campus favorite for generations to come.

Fully accessible residence halls, townhouses and suites are available for students with special needs. Learn more of what the Office of Housing & Residence Life has to offer on line at http://www.ferris.edu/housing.

INFORMATION TECHNOLOGY SERVICES

The Information Technology Services (ITS) department takes care of the computing needs of the university community. The Technology Assistance Center (TAC) is the first point of contact for students, faculty, staff and others associated with the university to get computer help. Customers can contact TAC via phone, chat, or email; or look for answers on university standard hardware, software, and systems on our web site (www.ferris.edu/techsupport). The TAC handles approximately 33,000 work orders a year.

To support the educational process, the ITS manages the software and hardware on roughly 4,250 university-owned computer stations located in classrooms, public access labs, and faculty/staff offices. Many of the classrooms also have specialized equipment to aid instruction such as digital projectors, student feedback systems ("clickers"), and multimedia playback and recording systems.

Information Technology Services maintains over 220 servers to run the business of the university community. The main systems include FerrisConnect, the on-line learning/course management system; MyFSU, the campus portal system; and Banner, the university records system. FerrisConnect hosts fully online courses for students all over the world, and provides the tools to enhance student learning and assessment for many on-campus courses as well.
Computers all across campus can access the internet and other university services via the high-speed network. Wired and/or wireless access is available in most places on campus, with each of the 3,000 residence hall rooms and campus apartments having at least one wired network jack. ITS also maintains the cable, emergency management, and phone services for the university.

Students, faculty and staff can get repairs on their personally owned computers for a nominal charge, and purchase select Microsoft, Adobe, and AutoCAD titles for personal use at significantly reduced prices through the Student Technology Services department, located in the West building. Students can have their computers set up to connect to the network for no charge at the start of fall semester via the iConnect program.

INTRAMURAL AND RECREATIONAL SPORTS

Annually, more than half of the student body participates in organized recreational sports activities, including extensive intramural and club-sport programs. Other students participate in informal recreation activities. Ferris provides ample facilities for athletics and recreation, including a Student Recreation Center with pool, weight room, basketball and volleyball courts and indoor track; a golf course; a sports complex including full and half-size ice rinks, additional basketball and volleyball courts; racquetball courts and indoor and outdoor tennis courts.

KENDALL COLLEGE OF ART AND DESIGN OF FERRIS STATE UNIVERSITY

Kendall College of Art and Design began in 1928 through a generous endowment provided by Helen M. Kendall as a memorial to her husband, David Wolcott Kendall, known as the Dean of American Furniture Designers. Helen Kendall envisioned a school whose graduates would be leaders in the world of art and design, and throughout its history, Kendall College of Art and Design has prepared generations of students for careers as professional artists and designers. In addition, Kendall College of Art and Design is an active partner with the community, annually providing more than 2,000 children and adults with the opportunity to pursue courses in art and design through one of the richest and most varied continuing-studies programs in the United States.

In 1996, the Board of Trustees of Kendall College of Art and Design voted to merge Kendall with Ferris State University, a process that was completed in December 2000. Founded in 1884 as Ferris Industrial School, Ferris State University is dedicated to providing an education that prepares its students for professional careers. Ferris State also seeks, through its educational programs, applied research and expertise, to support and strengthen the economy of Michigan and the nation.

In combining these two distinctive institutions, the Boards of both Kendall and Ferris have forged a union that offers students the educational opportunities and strengths of each institution. At the heart of both institutions is the commitment that graduates are prepared to pursue professional careers. Each institution shares a dedication to educational excellence and innovation coupled with practical application. As partners, the two institutions will build upon and expand the unique educational opportunities they offer in world-class programs in art, design, and technology.

As a college within Ferris State University, Kendall College of Art and Design prepares students for leadership in the visual arts, design, art history, and art education; provides innovative, collaborative education that fosters intellectual growth and individual creativity; and promotes awareness of ethical and civic responsibilities of artists and designers, locally and globally.

Kendall College of Art and Design of Ferris State University is committed to the principle of equal opportunity in education and employment. It is the policy of the university to prohibit unlawful discrimination in connection with any aspect of educational programs or opportunities, services to the public, or employment, on the basis of race, color, religion or creed, national origin, sex, age, marital status, veteran or military status, height, weight, protected disability, or any other characteristic prohibited by applicable state or federal laws or regulations. In addition, although not mandated by law, it is the policy of the university to prohibit discrimination in education and employment on the basis of sexual orientation.

KENDALL COLLEGE OF ART AND DESIGN OF FERRIS STATE UNIVERSITY (continued)

This Policy on Non-Discrimination is designed to express the university's intent and commitment to comply with the requirements of state and federal non-discrimination laws. This policy and all other policies and procedures of the university shall be interpreted and applied co-extensively with such laws. This policy shall not be interpreted as creating any legally enforceable rights, contractual or otherwise, that are greater than those existing under applicable non-discrimination laws. The prohibition against discrimination on the basis of sexual orientation does not apply to the university's relationships with outside organizations, including the federal government, the military, ROTC, and private employers. Nothing contained in this policy shall be construed as prohibiting the university from applying *bona fide* occupational qualifications.

The university reaffirms its policy of administering all of its educational programs, and related support services and benefits, in a manner that does not discriminate with respect to a student or prospective student in any way that violates the university's policy on non-discrimination. The university is committed to providing education relevant to a changing society to all students who have the motivation to succeed and the ability to benefit from the opportunity and have been admitted to the university. A practice of affirmative recruitment and retention of members of under-represented or disadvantaged populations supports this policy of opportunity and accessibility. This policy applies to each and every phase of educational programs, services and benefits, including recruitment, applications, admissions, enrollment, counseling and guidance, financial assistance, degree requirements, athletics, student life and other activities.

The university reaffirms its policy of providing social, cultural and other services, consistent with its mission, in a manner that does not discriminate with respect to members of the public in any way that violates the university's policy on non-discrimination. This policy applies to each and every phase of all services to the public conducted by the university, or by university-sanctioned organizations, or at facilities under the control of the university.

As a condition of enrollment, students consent to the use of any works produced by them while a student at Kendall College of Art and Design of Ferris State University for the purpose of publicizing and promoting the university. Kendall will affix a copyright notice to all materials containing students’ work.

STUDENT AFFAIRS

The division of Student Affairs provides a variety of services for students through the following departments: Birkam Health Center, Career Services, Personal Counseling Center, Enrollment Services, Office of Multicultural Student Services, Rankin Student Center, Student Leadership & Activities, Student Conduct, Student Life, and University Recreation. All of these departments work with students to enhance their university experience.

STUDENT EMPLOYMENT

The Student Employment Office is located in the Timme Center for Student Services. Our goal is to assist students in finding part-time employment that will provide income while attending Ferris as well as help them learn transitional skills that will benefit them upon graduation. There are over 2,000 student employees on campus every year. In addition to helping students find jobs on campus we offer off-campus job postings for area businesses. We participate in the Federal Community Service Work Study program that allows students to work in community-based positions in the area such as the local food pantry, working as a reading tutor for local students, or the local recycling center. Students may also sign up for the Quick Cash program that puts them in touch with local residents who are looking to hire students for odd jobs such as yard work, painting, etc. More information on Student Employment can be found on our web page
http://www.ferris.edu/HTMLS/admision/financialaid/employment/index.htm
Having a part-time job while going to school is a great way to interact with others, learn valuable job skills and earn some spending money so you can keep your student loans to a minimum!

STUDENT LEADERSHIP & ACTIVITIES

The Office of Student Leadership & Activities helps students use and grow their skills through campus and community involvement. To keep students involved and connected to the university, there are more than 220 registered student organizations (RSOs), including sports clubs, Greek-letter organizations, spiritual groups, academic societies and professional associations. Inside the Student Leadership & Activities office, the Student Volunteer Center works hard to refer thousands of Ferris students and community members each year to area agencies seeking volunteers. Through involvement and by attending a variety of leadership programs, this office provides students marketable skills to add to their Co-Curricular Transcript (CCT). Using OrgSync, the CCT can be formally printed for students to offer an employer during their job search. This gives Ferris State students an advantage in today's competitive economy.

In addition, the Student Leadership and Activities office is actively involved in planning Bulldog Beginnings, Bulldog Bonanza, Homecoming, 5 Star speaker series, Torchbearer Awards and much more. The office is located in the Rankin Student Center, Room 164, and is open M-F 8am – 5pm. OrgSync is available to all students by logging in to MyFSU and clicking on the OrgSync icon.

FERRIS BUILDINGS AND POINTS OF INTEREST

Alumni Building (1929) - The oldest building on campus and the only building to survive the fire in 1950, the Alumni Building houses the University Archives and Extended and International Operations, which administers Ferris Statewide, Ferris Online, Conference and Professional Services, Office of International Education, Entrepreneurship Institute, Academic Incubator and the doctorate program in Community College Leadership. Classrooms and faculty offices for the College of Arts and Sciences are also in this building.

Arts and Sciences Commons (1996) - This building houses Arts and Sciences faculty and administrative offices, Retention & Student Success faculty and administrative offices, the Academic Support Center, the Card Wildlife Education Center, and the Writing Center, which provides peer tutoring to assist students with writing and study skills. The building also features "The Visionary," a mural - one of the largest of its type in the world - depicting the history of FSU. The Arts and Sciences Commons structure connects the Science and Starr Buildings.

Automotive Center (former Technical and Applied Arts Center) (1956) - The Automotive Center comprises the instructional and lecture facilities for Automotive Services, Automotive Management and Automotive Engineering Technology.

Bishop Hall/College of Education (1967) - Built as a residence hall, Bishop Hall/College of Education was remodeled in 1986 to house the College of Education & Human Services administrative offices and classrooms. Tot's Place is also located in Bishop.

Business Building (1970) - The College of Business houses regular and team-based classrooms and computer labs (Mac, PC, and Networking), as well as administrative and faculty offices. The facility also includes an auditorium that accommodates in excess of 200.

Creative Arts Center (1965) - This building houses the studios, classrooms, and faculty offices needed for the Studio Arts in the College of Arts and Sciences.

Ewigleben Sports Complex/Ice Arena (1974) - This building comprises two indoor ice rinks and a recreational wing with facilities for intercollegiate hockey, recreational hockey and skating, basketball, and volleyball, all completed in 1975. An addition completed in 1981 includes fitness and sports-medicine facilities and a volleyball arena.

Ferris Library for Information, Technology, and Education (FLITE) (2001) - Located in the heart of the main campus, FLITE features a variety of work and study spaces, including an information commons, 4 instructional studios, 6 seminar rooms, 54 individual and group study rooms, a reading room, and an extended-hours study area, all with wireless access capability. FLITE has a total seating capacity of 1,300, and provides access to 195 public computers. FLITE subscribes to over 74,000 periodicals, most of which are accessed online, and houses over 250,000 volumes. FLITE Librarians provide over 430 instruction sessions annually for Ferris students. Additionally, FLITE Librarians provide instruction to our off campus students around the state. FLITE is a U.S. Government Documents Depository, a Patent and Trademark Depository Library for western Lower Michigan, and a depository for the U.S. Bureau of the Census. FLITE also houses the Faculty Center for Teaching and Learning, the Office of Multicultural Student Services, and Media Production. In 2012 the Jim Crow Museum of Racist Memorabilia moved into the lower level of the building.

G. Mennen Williams Auditorium (1961) - This facility houses FSU's theater program and also serves as the major multipurpose auditorium for the FSU campus. With seating for 1,644, Williams Auditorium hosts musical, dramatic, cultural, and convocation events throughout the year. It also is available for public rental use when scheduling allows.

Granger Center for Construction & HVACR - The Granger Center for Construction and HVACR is a state-of-the-art facility - an interactive learning center where all structural steel, process piping, mechanical systems, and electrical systems are exposed or visible behind glass. The Center focuses on both theory and application. Its laboratory facilities provide a practical, "hands-on" experience using an extensive array of sophisticated up-to-date equipment devoted to testing and solving problems students are likely to encounter in the field.

Heavy Equipment Center (1987) - This 53,000-square-foot building accommodates students in the 2- and 4-year heavy equipment technology programs. The HEC building is the largest facility in the country dedicated to educate and train graduates for entry into the heavy equipment industry workforce; additionally, it is home to the Heavy Equipment Service Engineering Technology B.S. Degree, the only one of its kind in the U.S.

Holiday Inn Hotel and Conference Center (1990) - The facility is located adjacent to the Katke Golf Course and overlooks the campus. The 98,000 square-foot complex houses meeting and banquet facilities, 118 guest rooms and a restaurant. The conference facilities are used for continuing education activities, conferences and workshops.

Interdisciplinary Resource Center (1969) - This building contains one large lecture hall seating 120, five classrooms with state-of-the-art teaching technology seating 30-50, television studios, the Center for Latino Studies, and the Office of International Education that includes one computer classroom. The second floor houses faculty from the College of Business.

Katke Golf Course (est. 1974) – This course offers 21-holes of championship golf. The original 18-holes is a par 72 measuring 6,916 yards from the Black tees, 6,377 from the Crimson tees, 5,830 from the Silver tees and 4,845 from the Gold tees. Katke also features a "Family Tee" for juniors and new golfers. The D.O.G. Tee or *Developing Original Golfers* Tee allows new golfers the ability to play with more experienced players.

Katke's award winning practice facility features three practice holes (#19, #20 and #21), 100,000 square feet of natural grass teeing space, six target greens, a short game area for pitching, chipping and bunker play and multiple putting greens.

The Katke Clubhouse sits atop the highest point in Mecosta County with excellent views to the west and of the FSU Campus. The clubhouse provides full-service amenities including a fully stocked Golf Pro Shop, men's and women's locker rooms, Founders Grill which features a wide variety of food and beverage options, and a Multi-Purpose Class Room with seating for up to 75 guests, perfect for business meetings or small parties.

A PGA Professional Staff is available daily providing all of the needed services for golf outing events, tournament needs, golf instruction and clinics, and custom club fitting.

The golf course is conveniently located adjacent to the Holiday Inn Hotel and Conference Center.

McKessy House (1989) - McKessy House, resembling an Old English cottage on Cedar Street, north of Williams Auditorium, was purchased by Ferris State University in 1989 as a result of a generous gift from Gerald McKessy, a 1929 graduate of Ferris's college-preparatory program who went on to graduate from the Detroit College of Law in 1933. Mr. McKessy was a charter member of the Presidents Club, a member of the Phoenix Society, a founding father of the Alumni Foundation, a 12-year member of the Board of Directors of the Alumni Association and a recipient of the Distinguished Alumnus Award in 1971 for the generous donation of his time and talents to Ferris State University. Mr. McKessy donated stock, the proceeds of which were used to buy the house, barn and two acres that is now utilized as parking and additional Arts and Sciences classroom space. Mr. McKessy's gift also made it possible to remodel the house which is currently occupied by the Division of Governmental Relations and General Counsel. This division is responsible for governmental and community relations, legal affairs, equal opportunity, and labor relations.

Michigan Art Walk (1996) - The Michigan Art Walk is an ongoing project whereby original pieces of art work created by Michigan artists are installed throughout campus and linked by a meandering pathway, ultimately reaching into the Big Rapids community. The inaugural sculpture of the Michigan Art Walk, by Ann Arbor-based artist Barron Naegel, was installed in the fall of 1996. Also installed in the fall of 1996 were a wall sculpture by Daniel Roache, under the auspices of the Presidential Art Collection, and the main panel of Robert Barnum's "The Visionary," which depicts the history of Ferris State University. The unveiling of "Escape," an outdoor sculpture by R. Farrington Sharp, on October 17, 1997 continued the project, along with the side panels of "The Visionary" which were unveiled on February 20, 1998, completing Barnum's triptych. "Totem Stack," a sculpture by Ferndale artist Albert Young, was unveiled on May 7, 1998. "Muse" by Irina A. Koukhanova, was dedicated on November 19, 1998, and sculptor Fritz Olsen's "Ripples" was unveiled November 19, 1999. Lois Teicher's functional piece, "Bench With Three Deep Seats," was dedicated on June 14, 2000. "Ferris Arch," a limestone sculpture by Kenneth Thompson, was dedicated October 10, 2001. Mark Chatterley's "Journey to the Body Collective", a flying wall sculpture located in the reading room at FLITE, was dedicated on October 29, 2002. Robert Barnum's "Of Thought and Reason," a 130-foot-long, 10-foot-tall painting on canvas located in FLITE's Extended Study Area was unveiled on August 28, 2003. Ray Katz's "Celebration," a large-scale metal sculpture, was unveiled September 3, 2004. The "TO STRIVE, TO SEEK, TO FIND" sculpture is dedicated to the 125th anniversary of FSU. The sculpture was created in a partnership between Ferris Fine Arts and the campus Welding Engineering Technology Program and was funded under the FSU Festival of the Arts. Important comments, quotes or sayings about Ferris are cut into the figure form support plates redefining viewer response and increasing level of content. The Art Walk pieces can be viewed on the Ferris website along with information about the artists.

Music Center (1962) - The Music Center is located in the heart of the campus at the foot of the Carillon Clock Tower on the south end of the quad "green space" and just north of Top Taggart Field (football stadium). This facility offers rehearsal and practice space for all varieties of ensembles. The band room can accommodate groups of up to 100 musicians and the Choral Room provides room for 60 musicians. Private practice rooms are available and are ideal for individual practice or small groups of 2-3 persons. Each practice room contains an acoustic piano. The Humanities Department maintains these instruments (regular tuning, etc.) as a service to currently enrolled students. The piano lab has 12 stations (full-size keyboards) which are used for group instruction and practice for those enrolled in music classes. The music faculty and ensemble director's offices are also in the Music Center.

Michigan College of Optometry (2011) - This state-of-the-art 87,000 sq. ft. building is the university's first Leadership in Energy and Environmental Design (LEED) certified building. The facility houses the offices and classrooms of the Michigan College of Optometry, as well as the teaching laboratories including the Herbert H. and Grace A. Dow Interactive Eye Learning Center. It is also the site of the University Eye Center, which provides clinical-education experiences for optometry interns as well as provides patient vision- and eye-health services to the public.

National Elastomer Center for Plastics and Rubber Technology (1987) - The Ferris Plastics and Rubber program is the largest and most respected undergraduate program of its kind in the United States. The Plastics B.S. program was started in 1982 and continues to fill a great need in the growing plastics industry for technically trained personnel. Ferris graduates gain immediate status as recognized technical leaders. This innovative program provides students with a background that includes topics such as processing, material testing and properties, and mold and product design. Classes emphasize hands-on learning, using the same type of equipment that is currently used in industry. The Plastics building was expanded in 1998, and renamed the "National Elastomer Center" to include educational space for the new Rubber degrees. The Rubber program is a unique educational experience with graduates being sought after by the rubber industry. Coursework follows the original plastics degree in processing, testing, and design but also includes rubber compounding. The plastics and rubber industry has shown support for the Ferris programs by sponsoring the construction of the Plastics Building in 1987 and the expansion in 1998 with funding for equipment and supplies, providing job experience by employing our students for summer internships and finally hiring our graduates.

Pharmacy Building (1972) - Designed to house all on-campus operations of the College of Pharmacy, this building includes specialized laboratories and the model pharmacy as well as an antique pharmacy exhibit.

Presidential Art Collection (1996) - Daniel Roache was chosen as the first contributor for a collection featuring commissioned works by Michigan artists honoring Ferris presidents. His aluminum, wall-mounted sculpture representing the seven (at that time) academic colleges hangs in the Williams Auditorium lobby. A bronze bust of President Byron Brophy by Midland sculptors James S. Hopfensperger and Joan Hopfensperger-Most was dedicated on April 30, 1999. It is on display in the Ferris Library for Information, Technology, and Education (FLITE).

Racquet Facility (acquired in 1980) - The facility offers 4 indoor tennis courts, 10 outdoor hard courts, 2 outdoor clay courts, 3 indoor racquetball courts, cardiovascular and free-weight equipment, aerobic and fitness classes, tanning booths, tennis lessons, clinics and league programs, interactive Sportwall, rental equipment and a full-service tennis pro shop. This facility serves intercollegiate athletes, the club tennis team, faculty/staff, students, the general public and as a laboratory for the Professional Tennis Management program.

Rankin Center (1957) - Considered the “campus living room,” the Rankin Center is the center of student campus activities. The Student Center provides a wide variety of services and activities to meet the interest and needs of students, faculty, staff and guests of the university. Among the activities available are billiards, table tennis, and video games. Also offered are a television lounge, computers, information center, Quizno’s Subs, Westview Student Dining, James L. Lundberg Bookstore, fine arts gallery, First Lady's Attic, and a variety of conference rooms. Offices for student organizations include The Student Government of FSU, Entertainment Unlimited (programming board), S.E.R.V. - Veteran's Association, and The Torch (student newspaper). On the administrative side, there are offices for Student Affairs, Career Services, Dean of Students, Student Activities, Catering Services, Student Center and Student Technology Services.

Science Building (1956) - Remodeled and expanded in 1967 and completely renovated in 1997, this building provides teaching auditoria, classrooms, and science laboratories for the College of Arts and Sciences, as well as the Rawlinson Observatory, John and Rhea Smith Greenhouse, and Reitz Reading Room.

Starr Building (1961) - Completely renovated in 1995, students now enjoy new furnishings, state-of-the-art instructional equipment, multimedia labs, study rooms and lounges in the Starr Building. It is FSU’s largest general classroom building and houses the Educational Counseling and Disabilities Services office and Williams Auditorium, where dozens of live performances and special events are offered each year.

Student Convocation Center/Wink Arena (1999) - This 42,000 square foot facility, located adjacent to the Ewigleben Ice Arena, seats 2,400, and includes prime sections of chair-back seating. The building complex features an expanded lobby that adjoins the Ice Arena with a pro shop, concession stands, and a display for the Bulldog Hall of Fame. This center serves as the home for the FSU men’s and women’s basketball programs, and is also used for commencement exercises, major concerts, and special events.

Student Recreation Center (1998) - The former HPE/Wink Arena building was remodeled and reopened August 30, 1998. The facility gives students, faculty, staff, and community members a modern gymnasium, weight room, aerobic rooms, exercise machines, elevated track, 40-foot climbing wall, and indoor swimming pool.

Swan Technical Center (1966) - This building contains many classrooms and laboratories designed specifically for engineering and engineering-technology instruction. The building also contains the administrative offices of several College of Engineering Technology programs.

Timme Center for Student Services (CSS) (1967) (Renovated 2002) - As the official "welcome center" for the university, the Timme Center for Student Services (CSS) serves as a one-stop service center in which students can register for classes, obtain financial aid and housing information, request transcripts, pay bills, and inquire about student employment opportunities. Highlights of Timme CSS include a glass atrium that extends the full height of the eastern side of the building and a second atrium facing State Street, providing natural sunlight and openness for the building. Formerly the campus library, the Timme CSS is a place of diversity, art, history and service. The first floor houses the Financial Aid, Business, and Student Employment offices; the offices of Admissions and Records, Enrollment Services, Academic Senate, & Institutional Research are on the second floor. The third floor features a display of Ferris historical memorabilia, as well as houses the offices of the President, Provost & Vice President for Academic Affairs, Vice President for Student Affairs, Vice President for Diversity and Inclusion, Budgetary Planning and Analysis, and Testing. The carefully chosen combination of offices and services provides a wonderful welcome to all constituents in the middle of campus.

Tot's Place (instituted 1987) - Located on the first floor of Bishop Hall, Tot's Place Child Development Center is a full service child care center providing educational programs for children of FSU students, faculty/staff, and the surrounding community. Tot's Place also serves as a laboratory for many FSU academic programs.

Victor F. Spathelf Center for Allied Health (1979) - This four-level structure contains the specialized classrooms, laboratories and offices for the students, faculty and administration of the College of Health Professions.

The following definitions are used in determining racial/ethnic designations.

American Indian or Alaska Native:
A person having origins in any of the original peoples of North and South America (including Central America), and who maintains cultural identification through tribal affiliation or community attachment.

Asian:
A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American:
A person having origins in any of the black racial groups of Africa.

Hispanic or Latino:
A person of Cuban, Mexican, Puerto Rican, Central or South American, or other Spanish culture or origin, regardless of race.

International:
A person who is not a citizen of the United States, and who is in this country on a temporary basis and does not have a right to remain indefinitely.

Native Hawaiian or Pacific Islander:
A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Island.

White:
A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.
