INTRODUCTION

This year's directory has some changes. We've added a city directory and job titles, when available. ZIP+four digit codes have been added when known.

Many thanks to Stephanie John for her hard work in typing the entire directory into Appleworks files. Updating in future years will be much easier and faster!

Please note that Norma Powers' and Mary Hanson's telephone numbers, as listed in the Medical Library Association directory, are incorrect. The correct numbers are listed herein.
