

HEALTH INSTRUCTIONAL RESOURCES ASSOCIATED hira

August 5, 1986

Dear MDHEC Member,

Enclosed you will find an application form for 1986-87 membership in HIRA (Health Instructional Resources Associated). No doubt you have heard of this group at your own meetings or through the MDHEC newsletter. Over the last year, officers from HIRA and MDHEC have been discussing various options by which these two groups could combine their health care-related audiovisual resources.

At this point, the concensus of both groups is that MDHEC members should be encouraged to join HIRA and eventually contribute their holdings of audiovisual resources to the HIRA Catalog. As you may know, institutional members of HIRA are entitled to one copy of the HIRA Catalog. The Catalog contains member-contributed audiovisual holdings of the institutional members of HIRA. At this time, only resources which are lendable to other HIRA institutions are included in the Catalog. However, based on results from a future HIRA survey, non-lendable items may also begin to be included.

Finally, you may note that the application deadline for inclusion in the HIRA membership directory is September 1, 1986. If you or your organization wish to be included in the directory but cannot forward your check in time, please contact me before the deadline.

I hope that you will decide to join HIRA and I welcome any questions you may have about HIRA.

Sincerely,

Mary Jo Durivage, Secretary
HIRA
