Dear Executive Committee:

With limited money and personnel in the health field, it is particularly important that we pool our instructional resources for health workers in the many health facilities in the Metropolitan Detroit area.

Our agency supports the H.I.R.A. (Health Instructional Resources, Associated)'s stated purpose and have designated Mrs. Hilde W. Beaty, Director of Tuberculosis to represent us as an institutional voting member.

Sincerely,

Charles R. Kiesewetter
Executive Director

Executive Committee
Health Instructional Resources, Associated

Upon reviewing the stated objectives and methods of the cooperative multi-media association known as Health Instructional Resources, Associated (H.I.R.A.) we find them constructively designed to benefit the informational and educational effort in the health care field.

Such an effort is in accord with the interests of this institution to benefit the community through education of its youth, its practicing health care professionals and its people.

Therefore, subject to annual administrative review, we will serve as an institutional member, with two votes, of the Health Instructional Resources, Associated.

Mr. Richard A. Piekarski will serve as our designated representative to this organization.

RE: Request for Board Approval of Highland Lakes Campus
affiliation with HIRA

DATE: October 19, 1973

I have been advised by Dr. Nunney and Dr. Nikkel that while they approve of the subject affiliation, Board approval is not necessary.

You, therefore, have my approval to join the association.

This affiliation is assumed to be free from any fee assignment; if fees should occur, please keep me informed.
